San Diego Shakespearean Festival

Clairemont students attended the Youth Conference at the world-famous Jonas P. Salk Institute of Biological Research

Situated in beautiful Balboa Park, San Diego's Old Globe Theatre provides a cultural outlet for theatrical enthusiasts of all types. The summer Shakespearean Festival is one of the few, and, according to most authorities, one of the best of its kind in the United States. The pageantry of these productions and the more avant-garde presentations of the Falstaff Tavern afford an effective contrast between past and present. Although the Old Globe has received continual national acclaim and praise, it deserves more local attention and support.

The Shakespearean performers pictured on the pages are Jon Voit as Ariel and Jonathan Frid as Caliban from *The Tempest*. Portraying the couple from *Two Gentlemen of Verona* are Kristina Callahan and Richard Lupino. On the balcony in a scene from *Romeo and Juliet* are Lauri

Peters as Juliet and Jon Voit as Romeo. Will Geer is shown as the friar from *Romeo and Juliet*, tending the garden he planted on the theatre grounds. Pictured is the Old Globe Theatre as it appears during the Shakespearean Festival.

The photography was made possible through the courtesy and cooperation of Mr. William Eaton of the Old Globe.

Palomar Observatory attracts avid astronomers of all ages. Away from the bustle of the city, the observatory is reached via picturesque Highway to the Stars, which offers such tranquil earthly scenes as this serene lake nestled among sky-dusting pines.

Foreword

Today's student can readily discover ways to strengthen understanding of his chosen field of interest by exploring the San Diego community. Our city offers the opportunity for further study, whether it be in the arts, science, athletics, or vocational skills.

Many facilities and organizations are open for exploration. The eager-minded student who has the curiosity to seek out these things for himself may find the key that will unlock the door to his future.

It is the aim of the 1967 Calumet to present some of these unusual opportunities in school and community that are available to Clairemont students.

The Juan Rodriguez Cabrillo Monument represents the historical past of San Diego, when the explorer sailed into San Diego Bay in 1542. From its vantage point the monument overlooks the city's growing metropolitan skyscrapers and sandy beaches.

These beaches today continue to be one of San Diego's main attractions. This past year they provided the setting for the internationally famous World Surfing Championship competition.

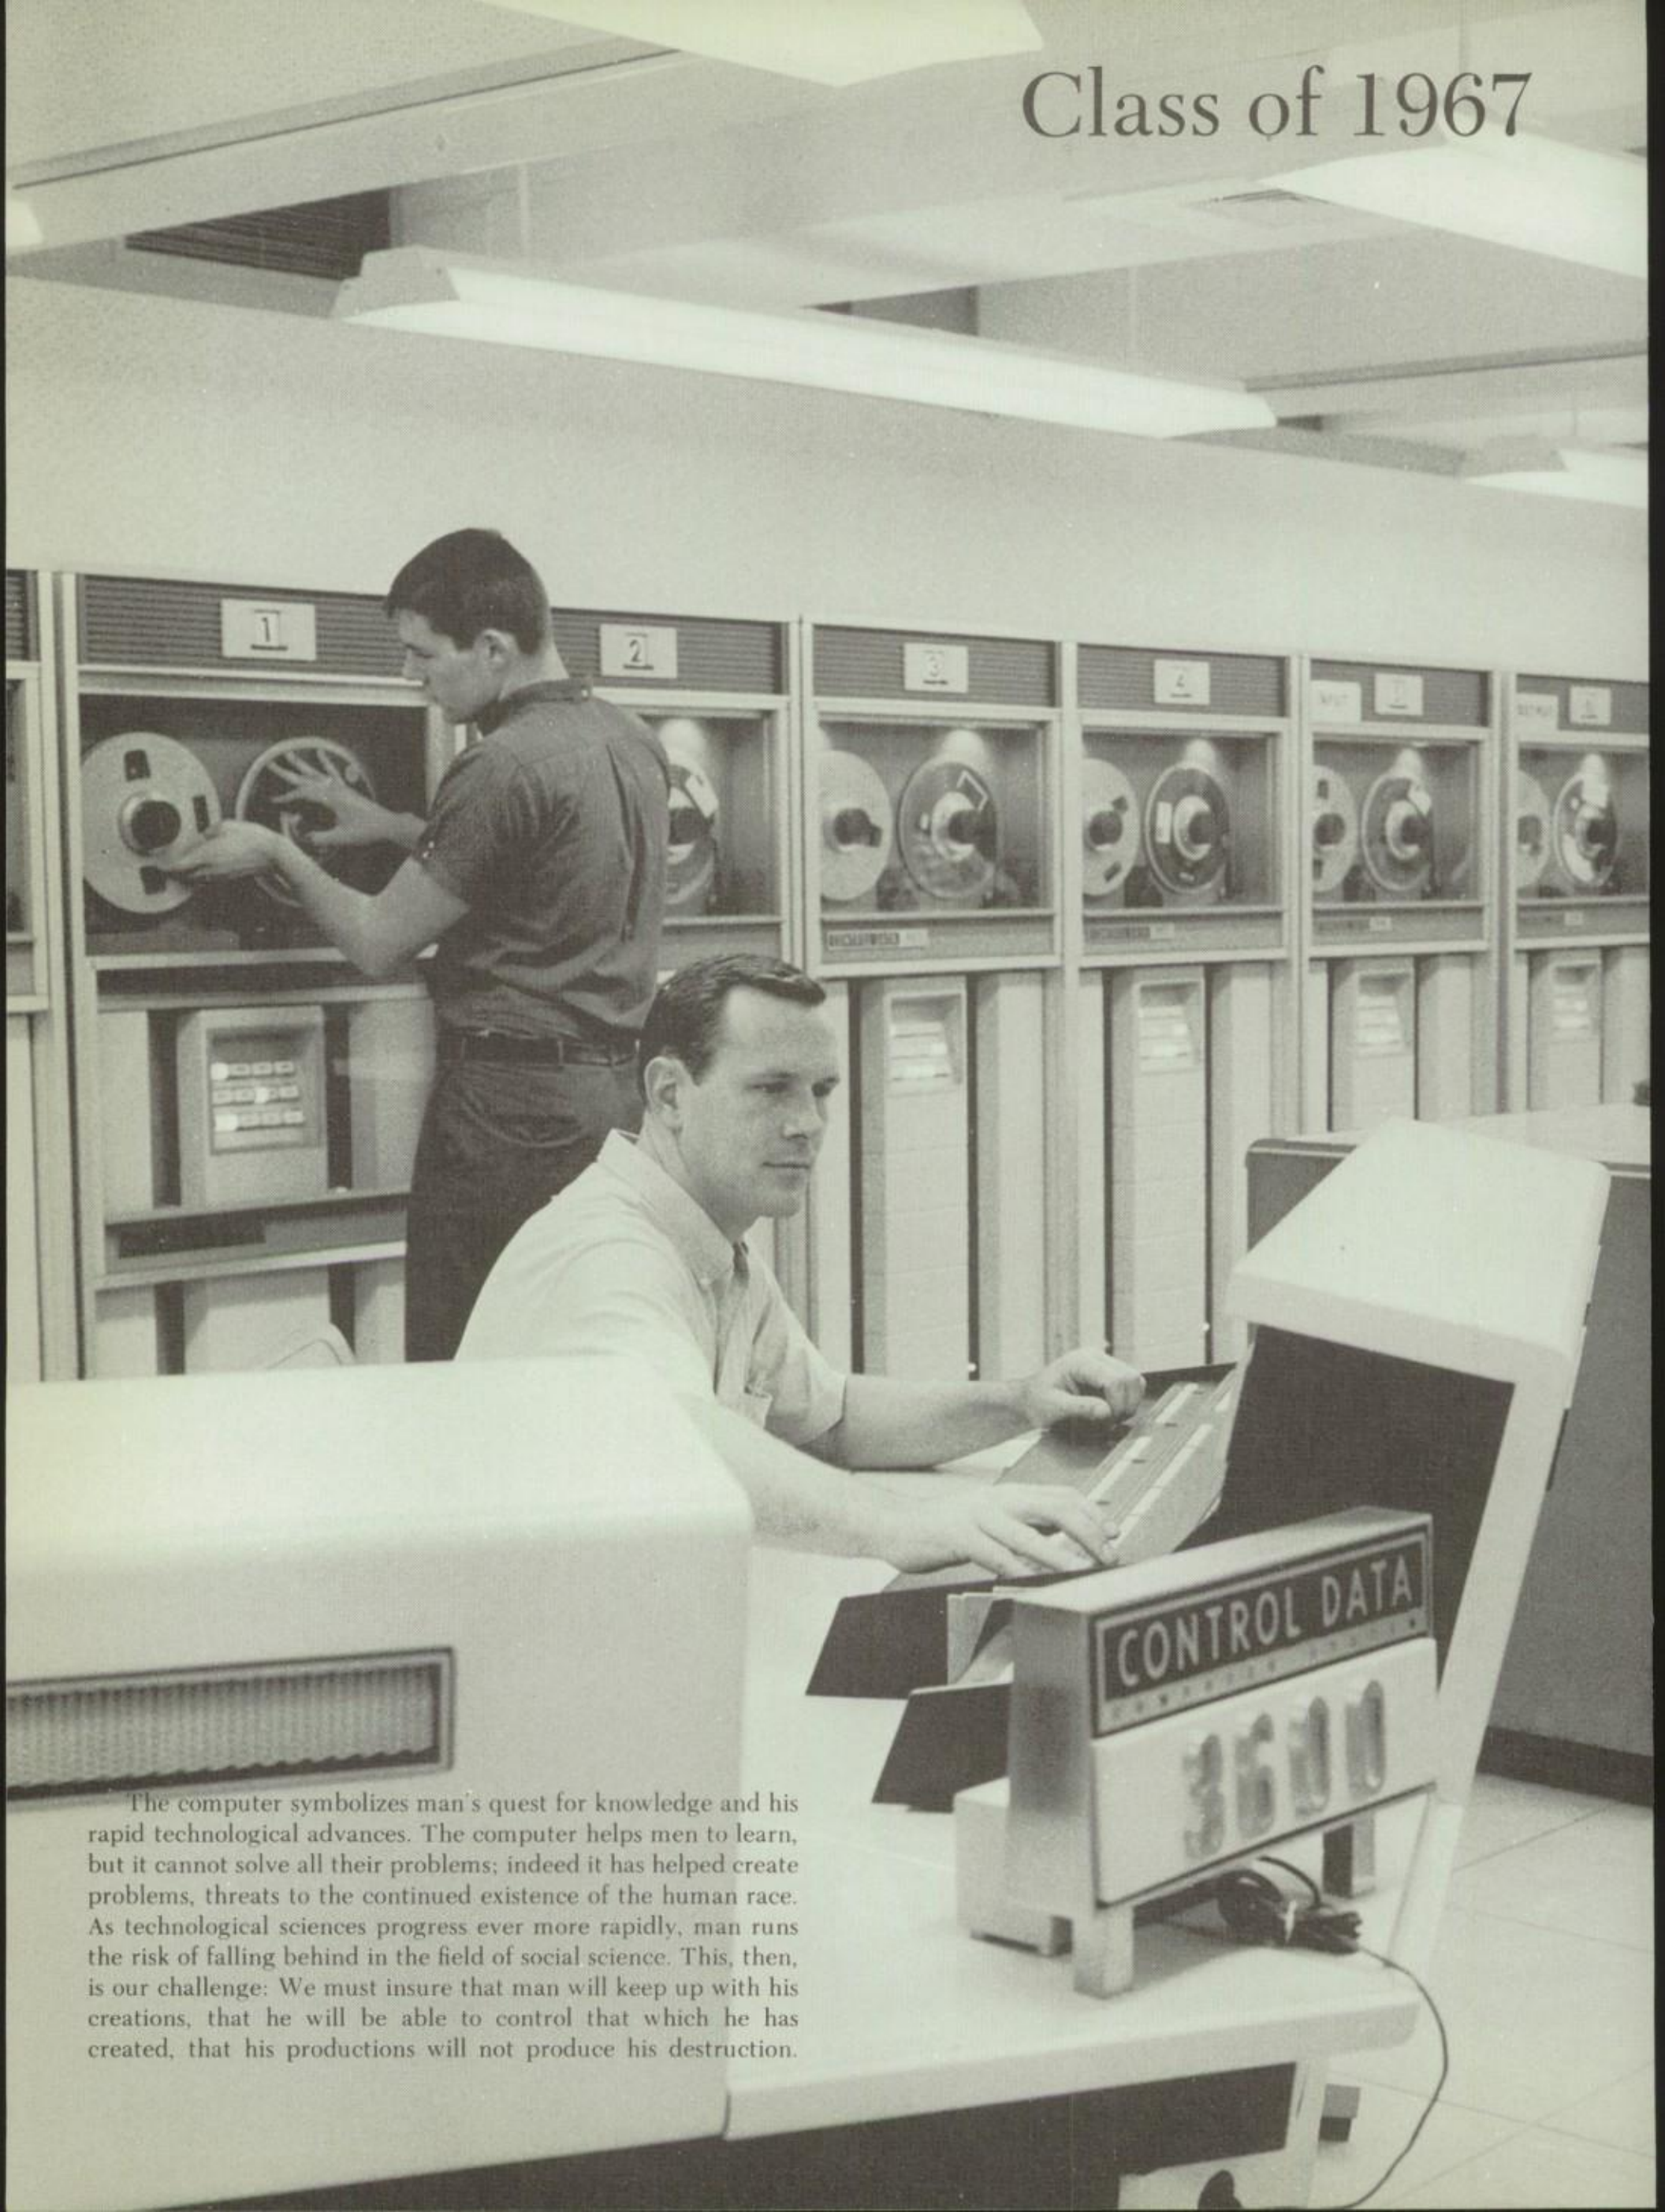
Class of 1967



The computer symbolizes man's quest for knowledge and his rapid technological advances. The computer helps men to learn, but it cannot solve all their problems; indeed it has helped create problems, threats to the continued existence of the human race. As technological sciences progress ever more rapidly, man runs the risk of falling behind in the field of social science. This, then, is our challenge: We must insure that man will keep up with his creations, that he will be able to control that which he has created, that his productions will not produce his destruction.

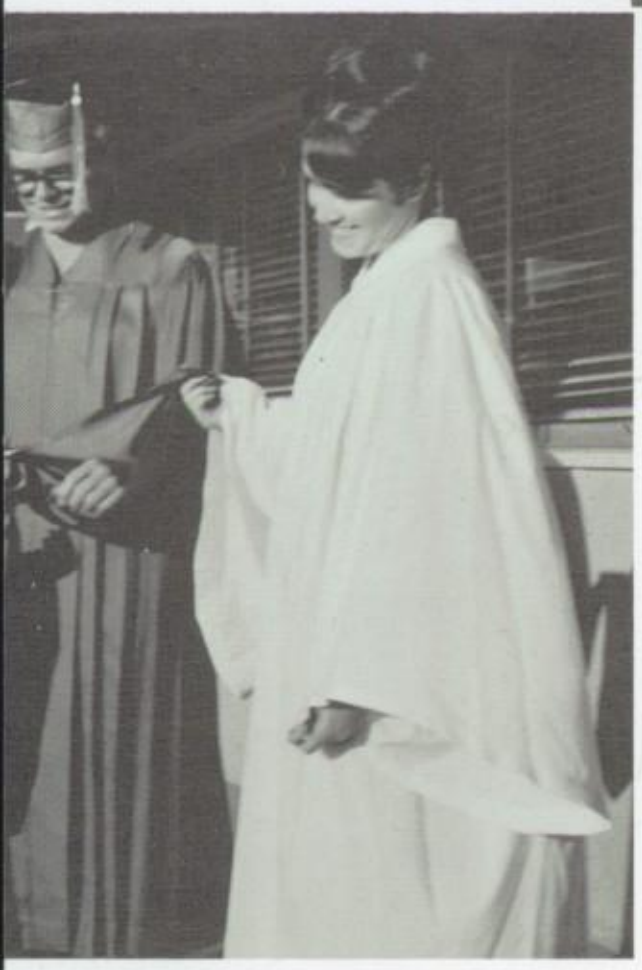
Seniors dedicated themselves to re-establishing dormant privileges. The lunch court, parking lot, lunch line, and decorated lockers are the four Senior assertions of class domination.

Sam Hinton, UCSD representative, urged undecided Seniors to become liberally educated at the outstanding new addition to the University of California chain.

It's tryout for a flock of Seniors trying to warble their way into a sparkling play cast.

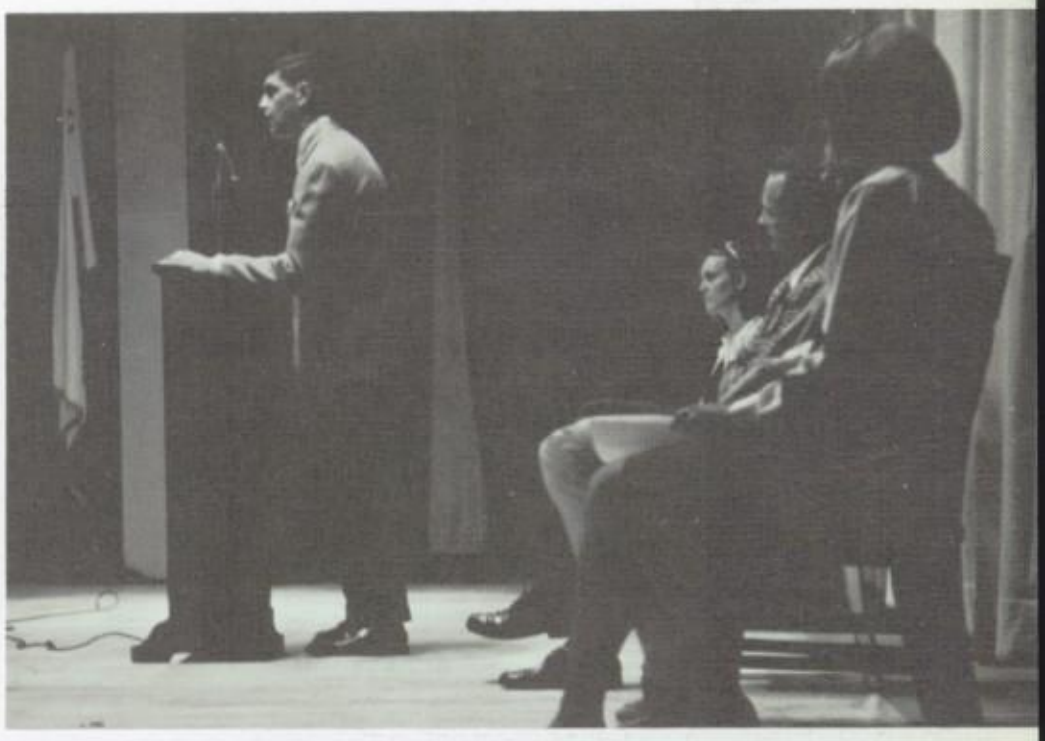
Robert Wiedman

The Senior Cabinet, whose leadership was instrumental in the development of Senior activities is composed of Row 1: Bruce Wasser, Kathy Carey, Shirley Culver, Janis Anfossi, Susan Young, Shari Gitterman; Row 2: Bob McGlenn, Michelle Nash, Terry Nicklin, Susan Jaeger, Jeanne Fox, and Matt Coleman.



Graduation, albeit in June, is the predominant thought in every Senior's mind throughout the year; the selection of caps, gowns, and announcements is made, however, early in the year. Dedication by a few Seniors in the autumn and winter made the spring enjoyable for every Senior.

Senior class President Bruce Wasser announces the site of the Senior Prom; it is the beautiful and spacious Masonic Temple in Mission Valley.



The Class of '67 set a new precedent by placing first in both the Homecoming float and Key Club Christmas Basket competition.

Tribal Honors

From the standpoint of high academic achievement and scholastic service, Maureen Kelleher and Bruce Wasser were selected by fellow classmates as most likely to succeed.

Appreciative Seniors voted Maryann Callery and Bob McGlenn as having contributed most to the success of the Class of '67.

Our prize bouquet—'67's Top Ten! Christopher Lipsett, Maureen Kelleher, Bruce Wasser, Deborah Hornback, Bonnie Binder, Stephen Pearce, Susan Jaeger, Peter Thornton, Carol Junk, and Stephen Rains. Janet Mitchell would also be in this select group, but she is an AFS exchange student in Denmark this year.

Superior creative ability has earned Seniors Suzanne Mayer and Gary Murie their art honors

The Drama Department plaudits for participation and excellence go to Seniors Pat Cole and George Bagwell.

Sharing Music Department laurels are vocalist and instrumentalist, Nancy Koon and Norman Boaz.

Picture Settings: Balboa Park

For excellence in athletics, Kim Myrman and Thorn Bigley were selected by the respective Athletic Departments.

Senior - Faculty Basketball

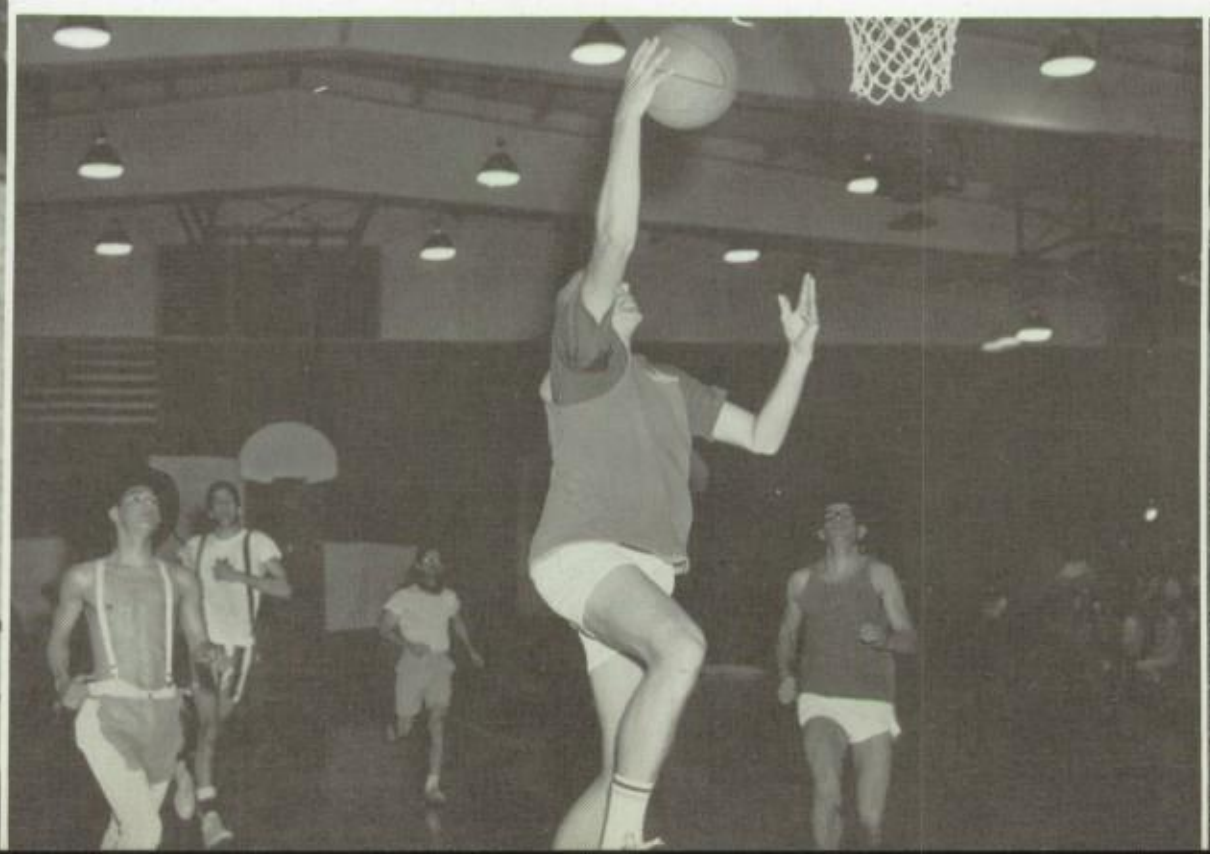
Seniors' one game winning streak broken

After the completion of the regular basketball season, Claremont basketball devotees turned to more serious things, namely, the Senior Faculty basketball classic.

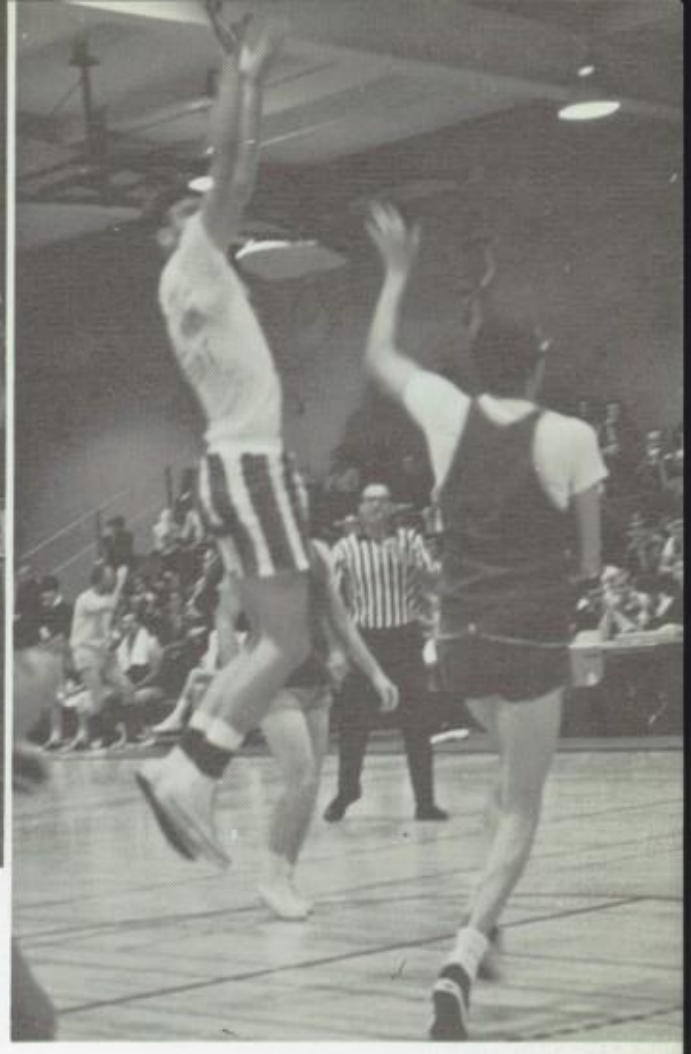
In this year's contest between the Metrecal for lunch bunch and the Geritol-and-soup group, the Faculty, led by "Bill" Russell Cravens, who scored 13 points, overcame a determined senior team, led by Bruce "Golden Arm" Wasser, who scored a record 14, by a score of 64-59.

Riggs Roberts has trouble keeping his eyes on the ball, so Matt "Deadeye" Coleman jumps center against the confused Tere Colemenares. Paul Gruselin throws up the first ball as Bob McGlenn, Gerry Stryker, Bruce Boehne, Dick Eiler, and Terry Nicklin anxiously await the results.

After fouling an unsuspecting Senior, a play which the referee *just* didn't happen to see, Old-Timer Stryker steals an errant pass and scores easily on a breakawav lay-up.



A packed house followed with great interest the intricate drills utilized by the Seniors to warm up those hot shooting arms and well devised pattern plays.



The "Big Bird" Lu Severson waves to the crowd as "Meadowlark" Roberts scores.

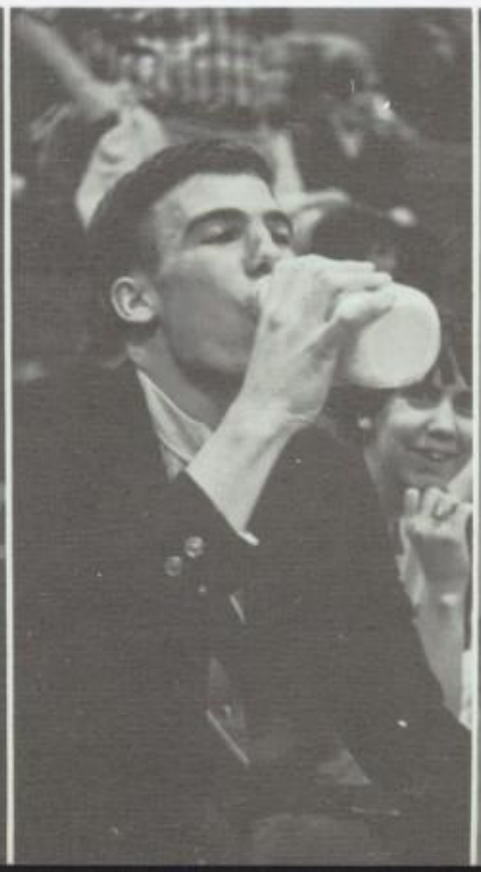
Mr. Richard Curtis uses foul tactics in attempting to block a "Deadeye" Coleman bucket.

The bench reaction (right and above) shows the hopelessness of the Senior cause.

"The Irishman" Bob McGlenn sets a perfect screen on unsuspecting Richard Curtis as Terry Nicklin shoots.

Riggs Roberts set the quick change record at CHS.

"Go-Go" McGirr dunks and a crowd of admirers smiles appreciation.



Class of 1968

Life . . . the enigma. For thousands of years men have argued about its nature. To some, it seems as devoid of pattern and order as the mosaic. To others, there is hidden meaning in life's picture. To still others, life's meaning is not obscure; it is as clear and orderly as the architect's blueprint for the building which houses this mosaic. The purpose of education is to fit the pieces of life's artwork into place. The decision on whether they form a pattern is left to the individual.

Man's increasing ability to ascertain and control his environment is dramatically epitomized by his great progress in mastering the sea. The sea was once a symbol of mystery, but its heretofore fathomless depths are fathomless no more. Submarines sail under the sea's ice packs; bathyscaphs probe the deepest recesses of the oceans. Projects like Sea Lab II, conducted right here off the shores of LaJolla, give man knowledge which will enable him eventually to build permanent homes in the sea. Institutions such as the Scripps Institute of Oceanography in LaJolla study the sea and sea life that both may be used for the benefit of mankind.

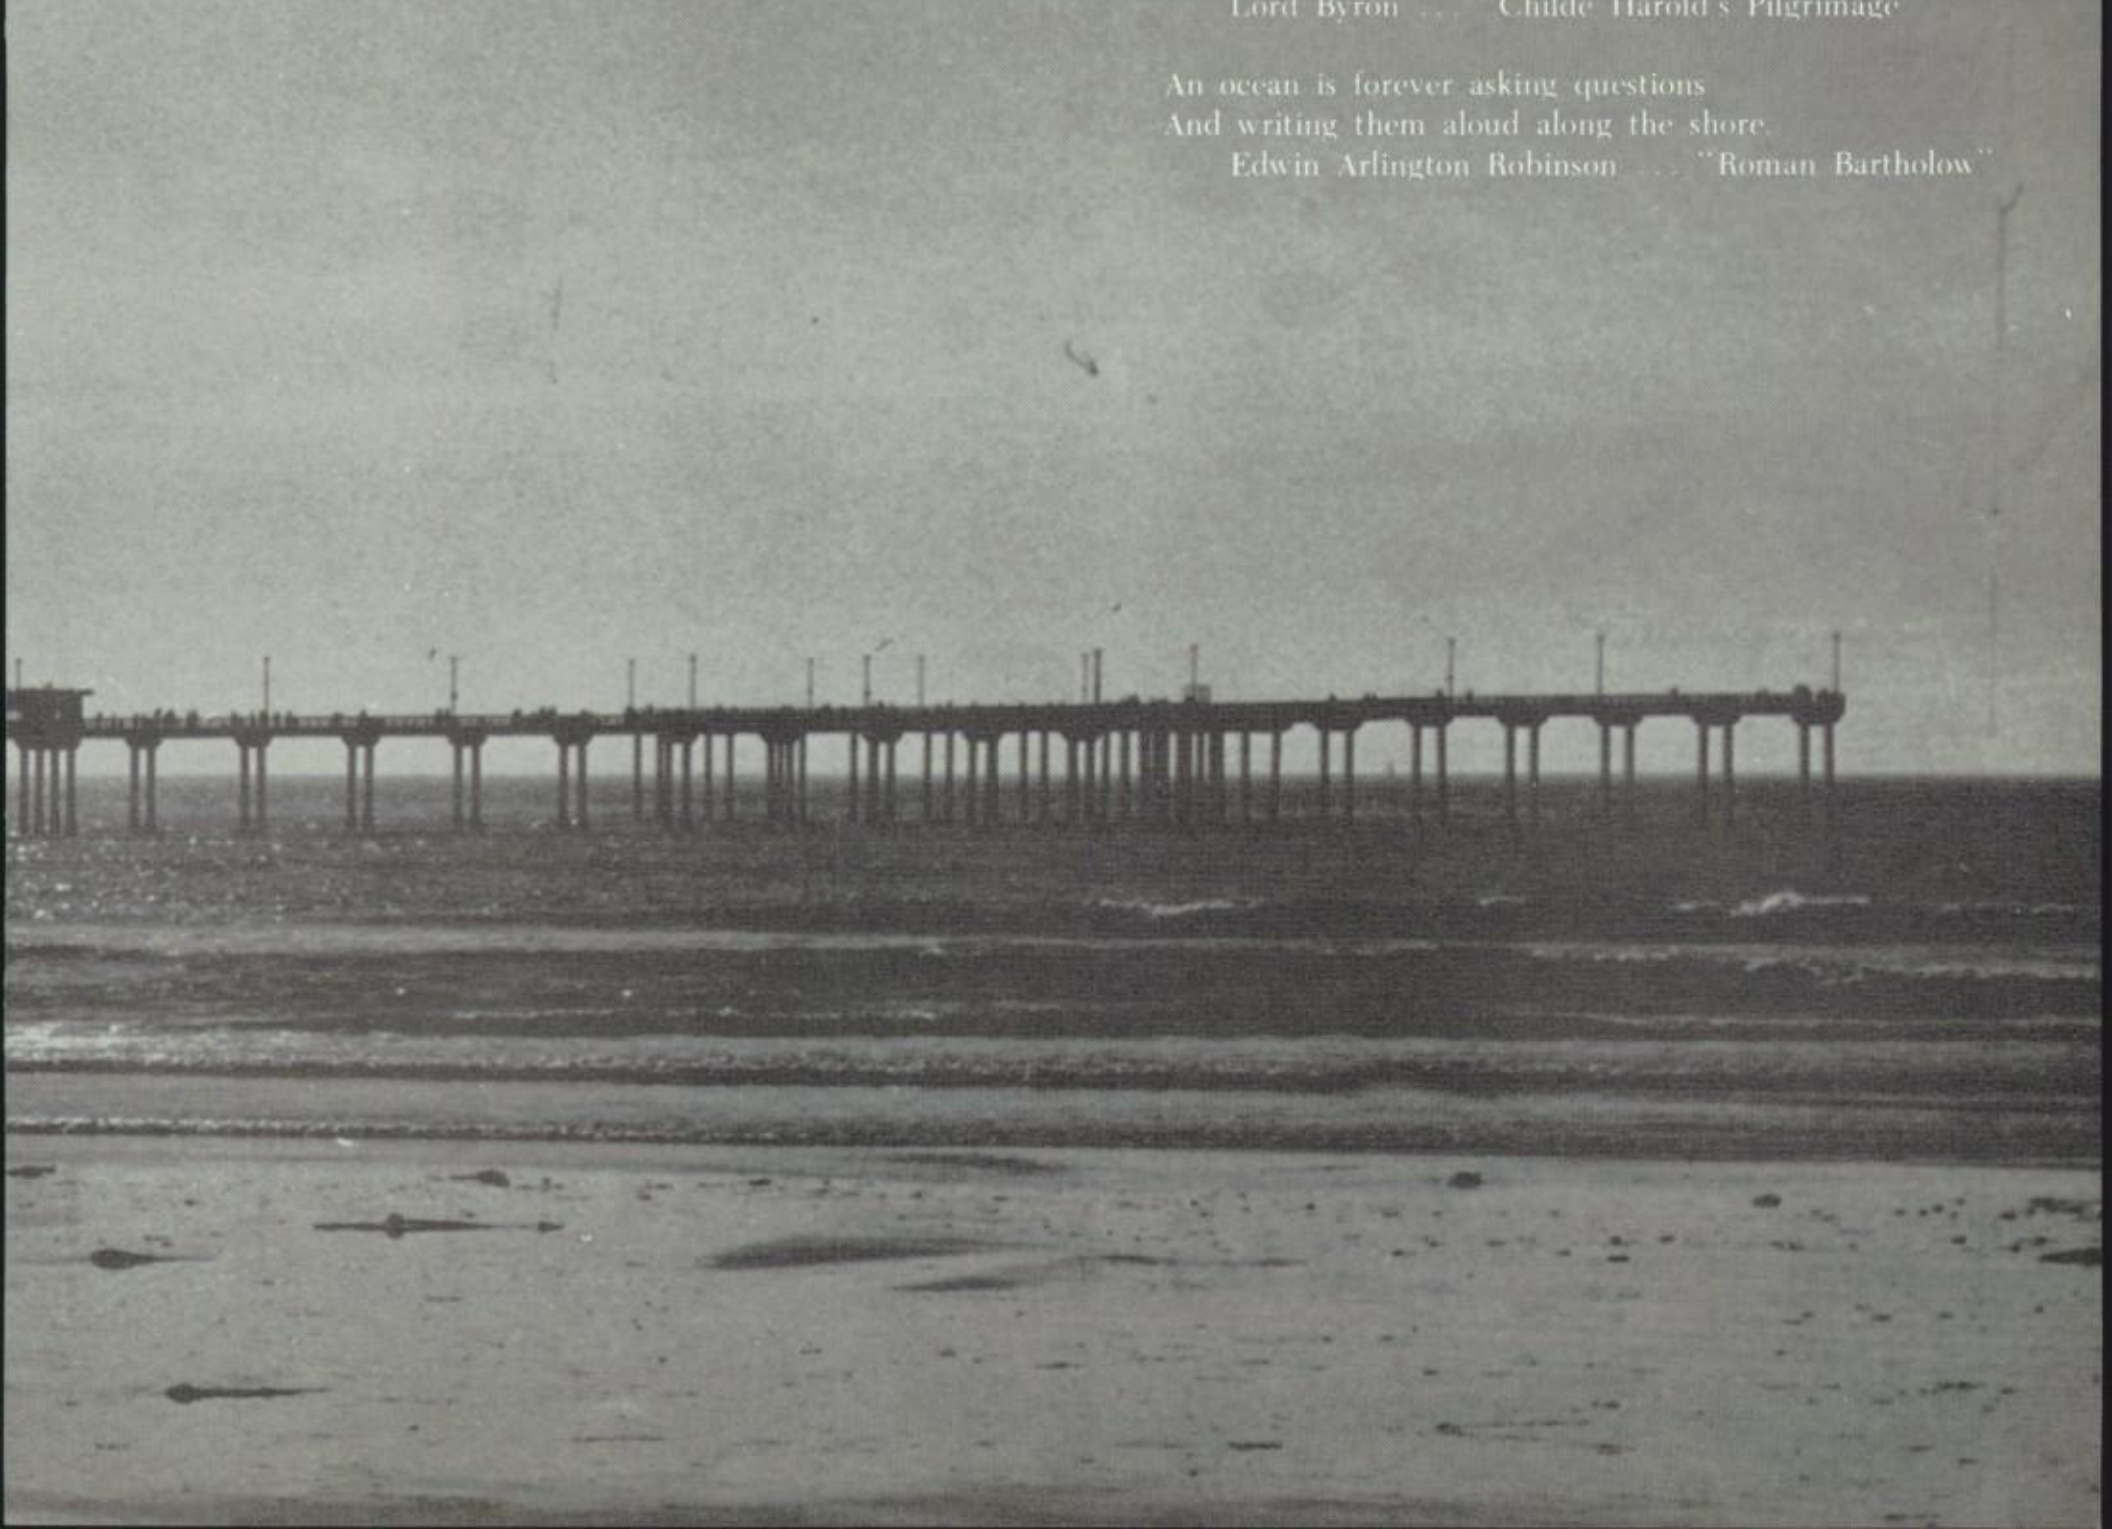
Student Life

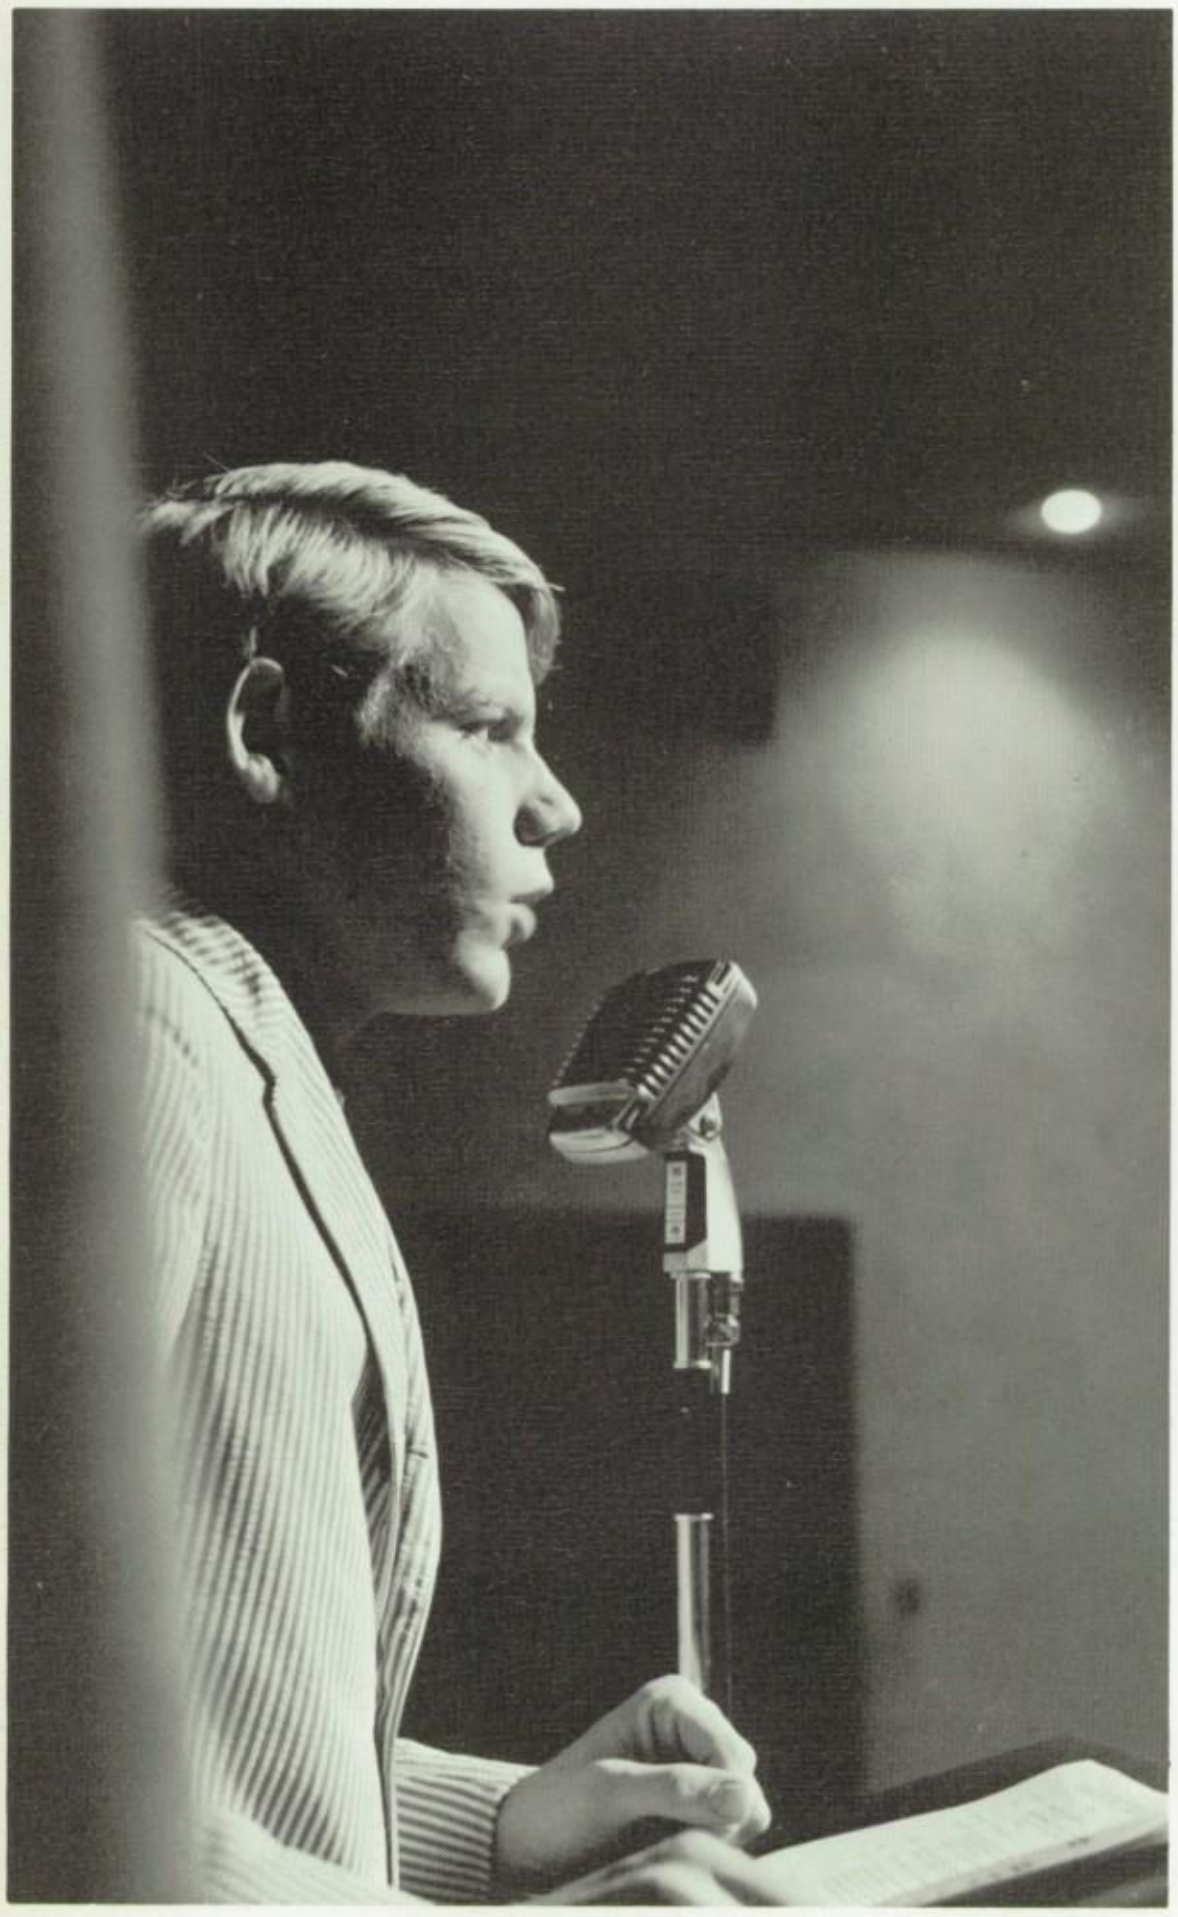
Know then thyself, presume not God to scan.
The proper study of mankind is man.
Placed on this isthmus of a middle state.
A being darkly wise and rudely great:
With too much knowledge for the skeptic side.
With too much weakness for the stoic's pride.
He hangs between; in doubt to act, or rest;
In doubt to deem himself a god, or beast;
In doubt his mind or body to prefer;
Born but to die, and reasoning but to err;
Alike in ignorance, his reason such,
Whether he thinks too little, or too much:
Chaos of thought and passion, all confused;
Still by himself abused, or disabused;
Created half to rise, and half to fall;
Great lord of all things, yet a prey to all;
Sole judge of truth, in endless error hurled:
The glory, jest, and riddle of the world!
Alexander Pope . . . "An Essay on Man"

There is a rapture on the lonely shore,
There is society, where none intrudes,
By the deep sea, and music in its roar:
I love not man the less, but Nature more.
Lord Byron . . . "Childe Harold's Pilgrimage"

An ocean is forever asking questions
And writing them aloud along the shore.
Edwin Arlington Robinson . . . "Roman Bartholow"



Executive Commission



Dennis Bourdette, Commissioner General

This has been an eventful and successful year marked with spirit, interest, and pride. There were many accomplishments this past year, but the most notable was the new respect gained by the ASB government. The respect came from the administration, the faculty, the community, other schools, and the students.

The commissioners started planning school events last summer and they quickly became efficient in effecting their ideas. Every new means of action, every new crisis was met with enthusiasm.

Several innovations occurred in the structure and operation of the ASB. The ASB Council meetings, which were held during fifth period, renewed faith in the machinery of student representation. The consitutional by-laws were in many instances revised and needed additions were promptly passed. Along with this, a completely new and streamlined way of handling ASB business was instituted.

Greatly increased participation made traditional activities the best ever. Class and general election turnouts broke every previous participation record; attendance at the dances hit new highs. Many new activities were started through the creativeness of the commissioners. Spirit Week, the inter-Club Carnival, and new Christmas activities all helped to make this year one of tradition making.

I feel compelled to express my gratitude to Mr. Russell Cravens, ASB supervisor, and to you, the students, for the opportunity of serving Clairemont by saying thank you.

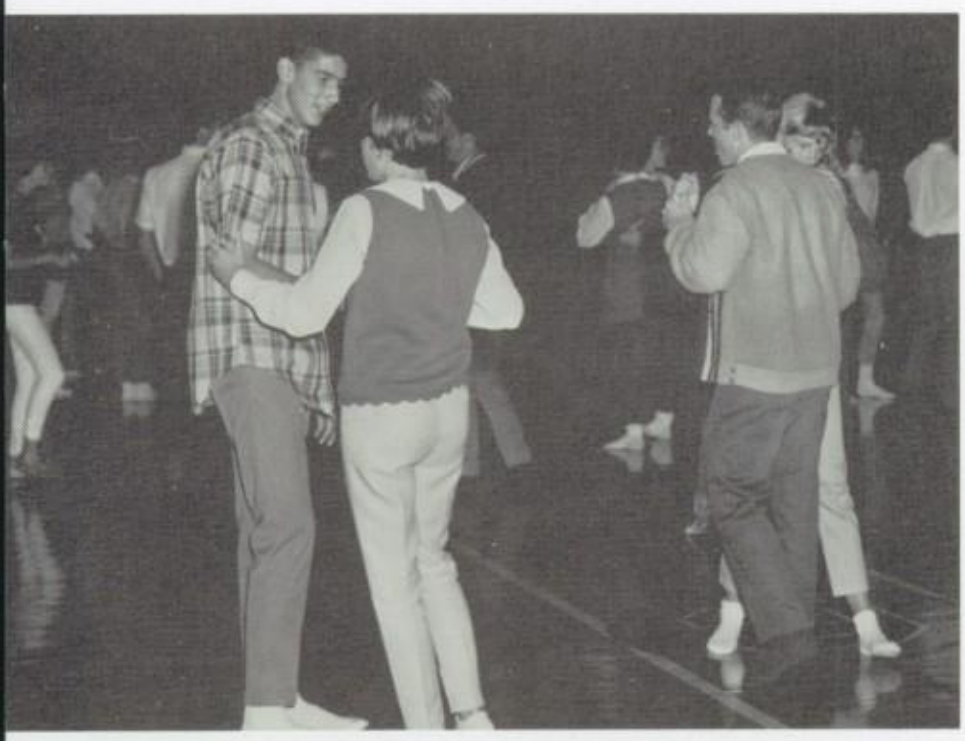
Imaginative pep rallies before crucial Western League games gained attention from fired-up Seniors.

Enthusiastic football fans soon learned that Friday noon was no time to buy football tickets.



After game dances at the CHS gym not only gave students a welcome change-of-pace but enabled them to show-off their sock wardrobe.

The Drill Team recruited strong helpers to decorate the gym for the Tom Tom Twirl.

There they are, the original swingers.

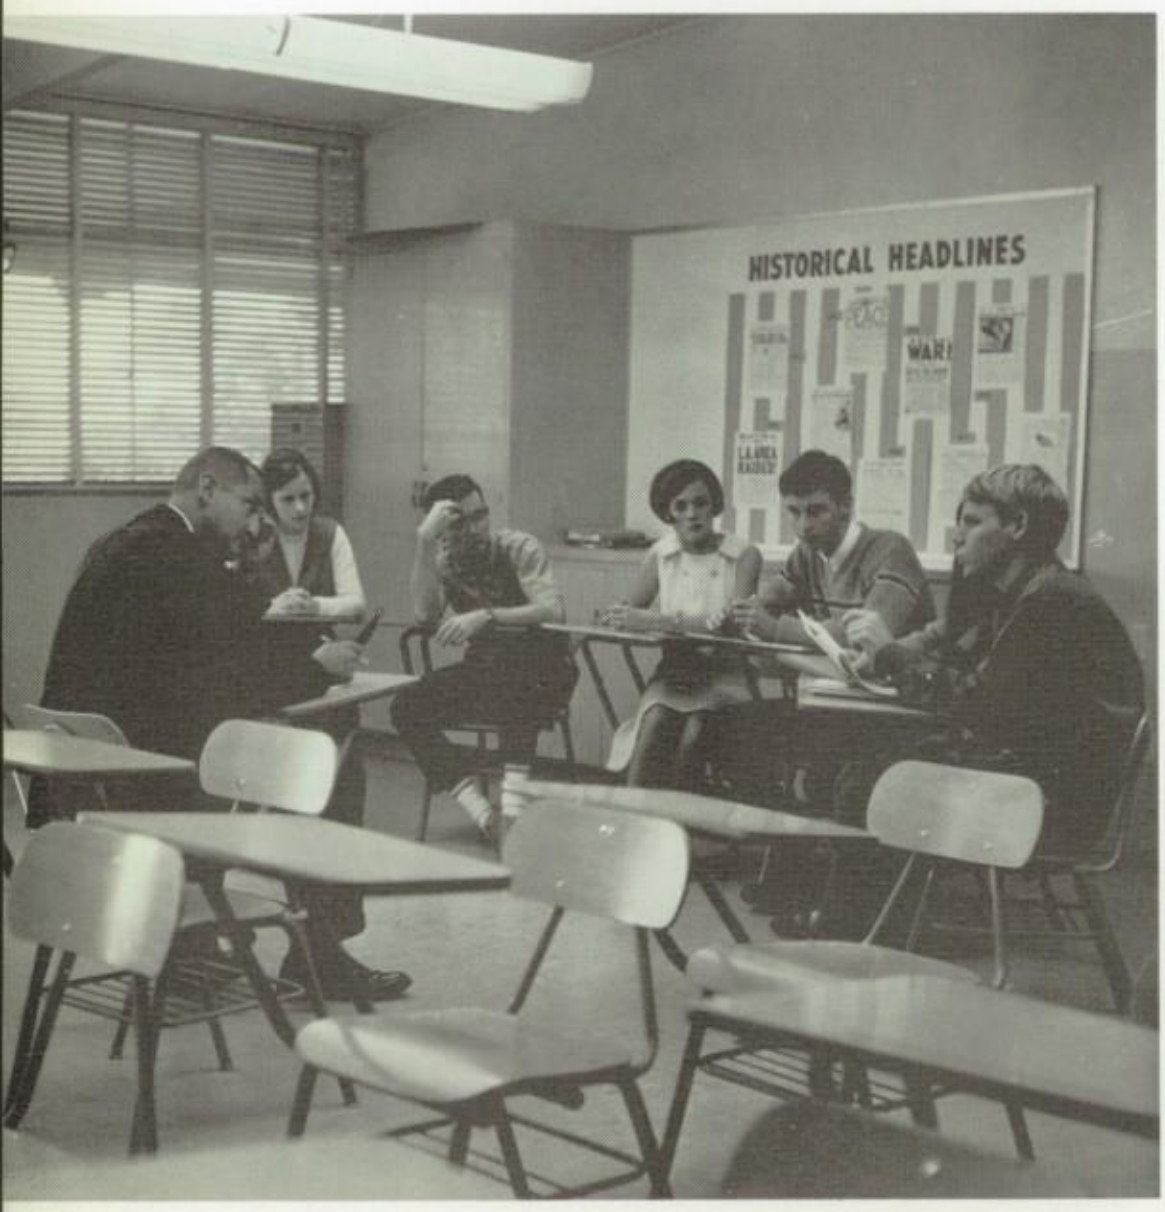
Jerry Morales commands the attention of the crowd, Charlie Chieftain, and this young papoose.



Elin Hansen, Matt Coleman, Cece Pittman, George Bagwell, Maryann Callery, and Dennis Bourdette discussed the temporary ban on night football games in an exclusive interview with Dick Bowman, outstanding feature writer for the San Diego *Union*.

After drinking some of Mr. Jones' homemade brew, this student experienced that "Zing, what a feeling."

The majestic splendor of "An Evening in Camelot" proved to be a perfect prelude to a joyous Christmas season.

Students find the periods of conversation before or after school and between classes a relaxing interval for joking with their comrades.

JV Cheerleaders are Row 1: Jan Chatwin, Sandi Spencer, and Cindy Powers. Row 2: Terri Guthery, Tom Gross, and Vivian Figueroa.

Cheerleaders

It is easy to accept victory, but to accept defeat with honor is a much more difficult task. During winning games, the Cheerleaders led boisterous and energetic crowds, but they also instilled the spirit of hope during less fortunate clashes.

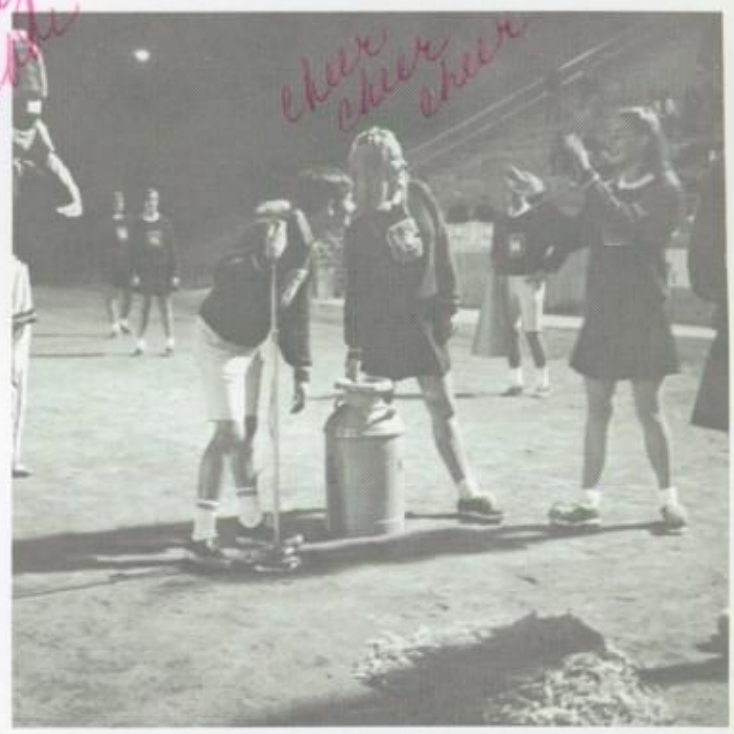
The spirit jug is symbolic of the enthusiasm generated by loyal CHS supporters.



Not only did the Cheerleaders lead noisy Chieftains in roof-raising yells, but they also organized most of the rallies, which included the tremendous send-off before the Madison football encounter.

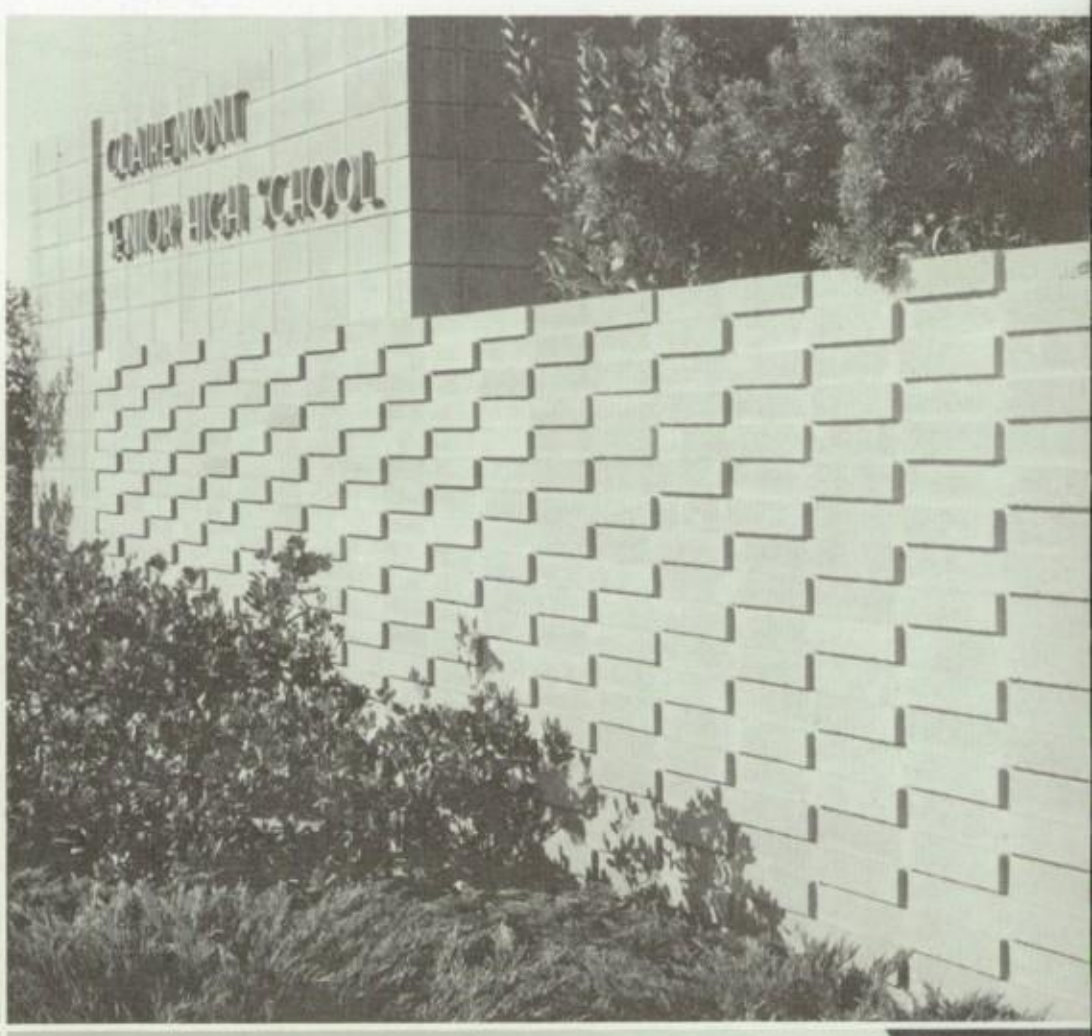
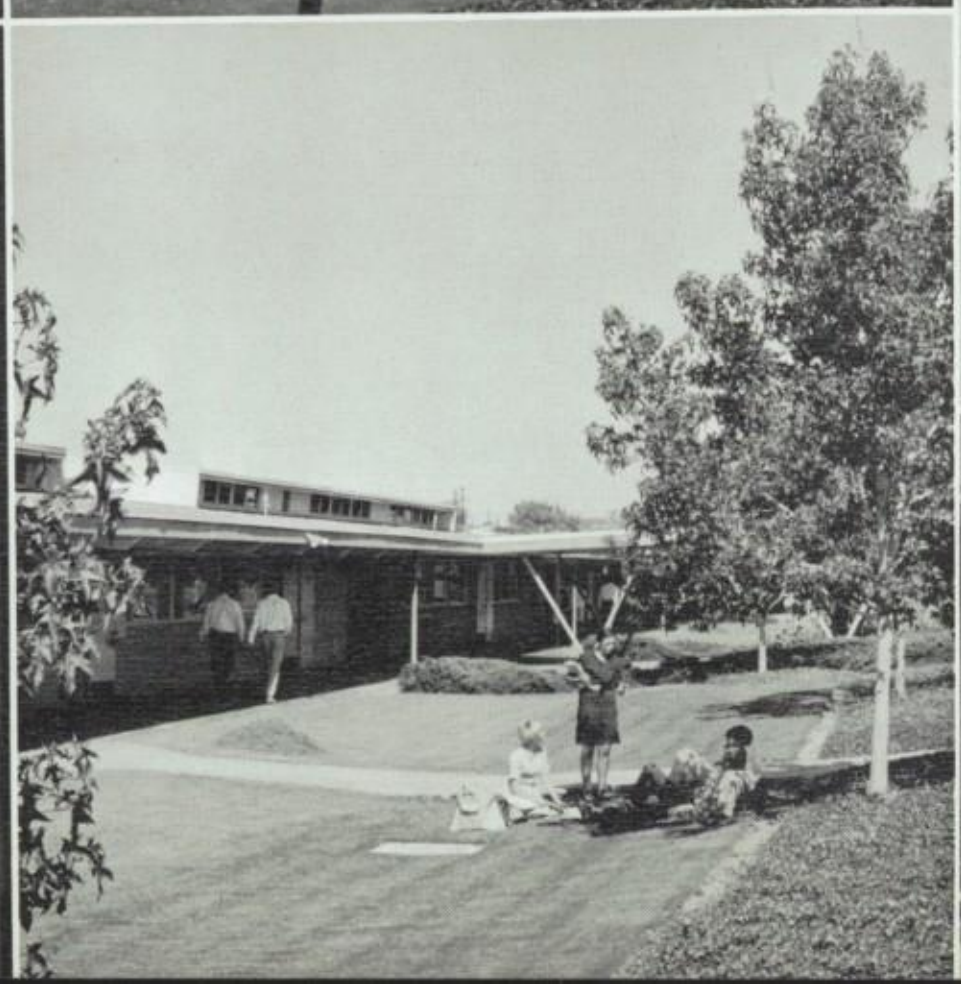
Academics

High school is primarily known as a place for learning, but it is also a place for seeing. The hectic rush between periods and the deserted halls after school, classes adjourned to the lawn during a Santa Ana and students seeking refuge under an overhang during a rainstorm—all form a part of the intellectual and aesthetic aspects of Clairemont.

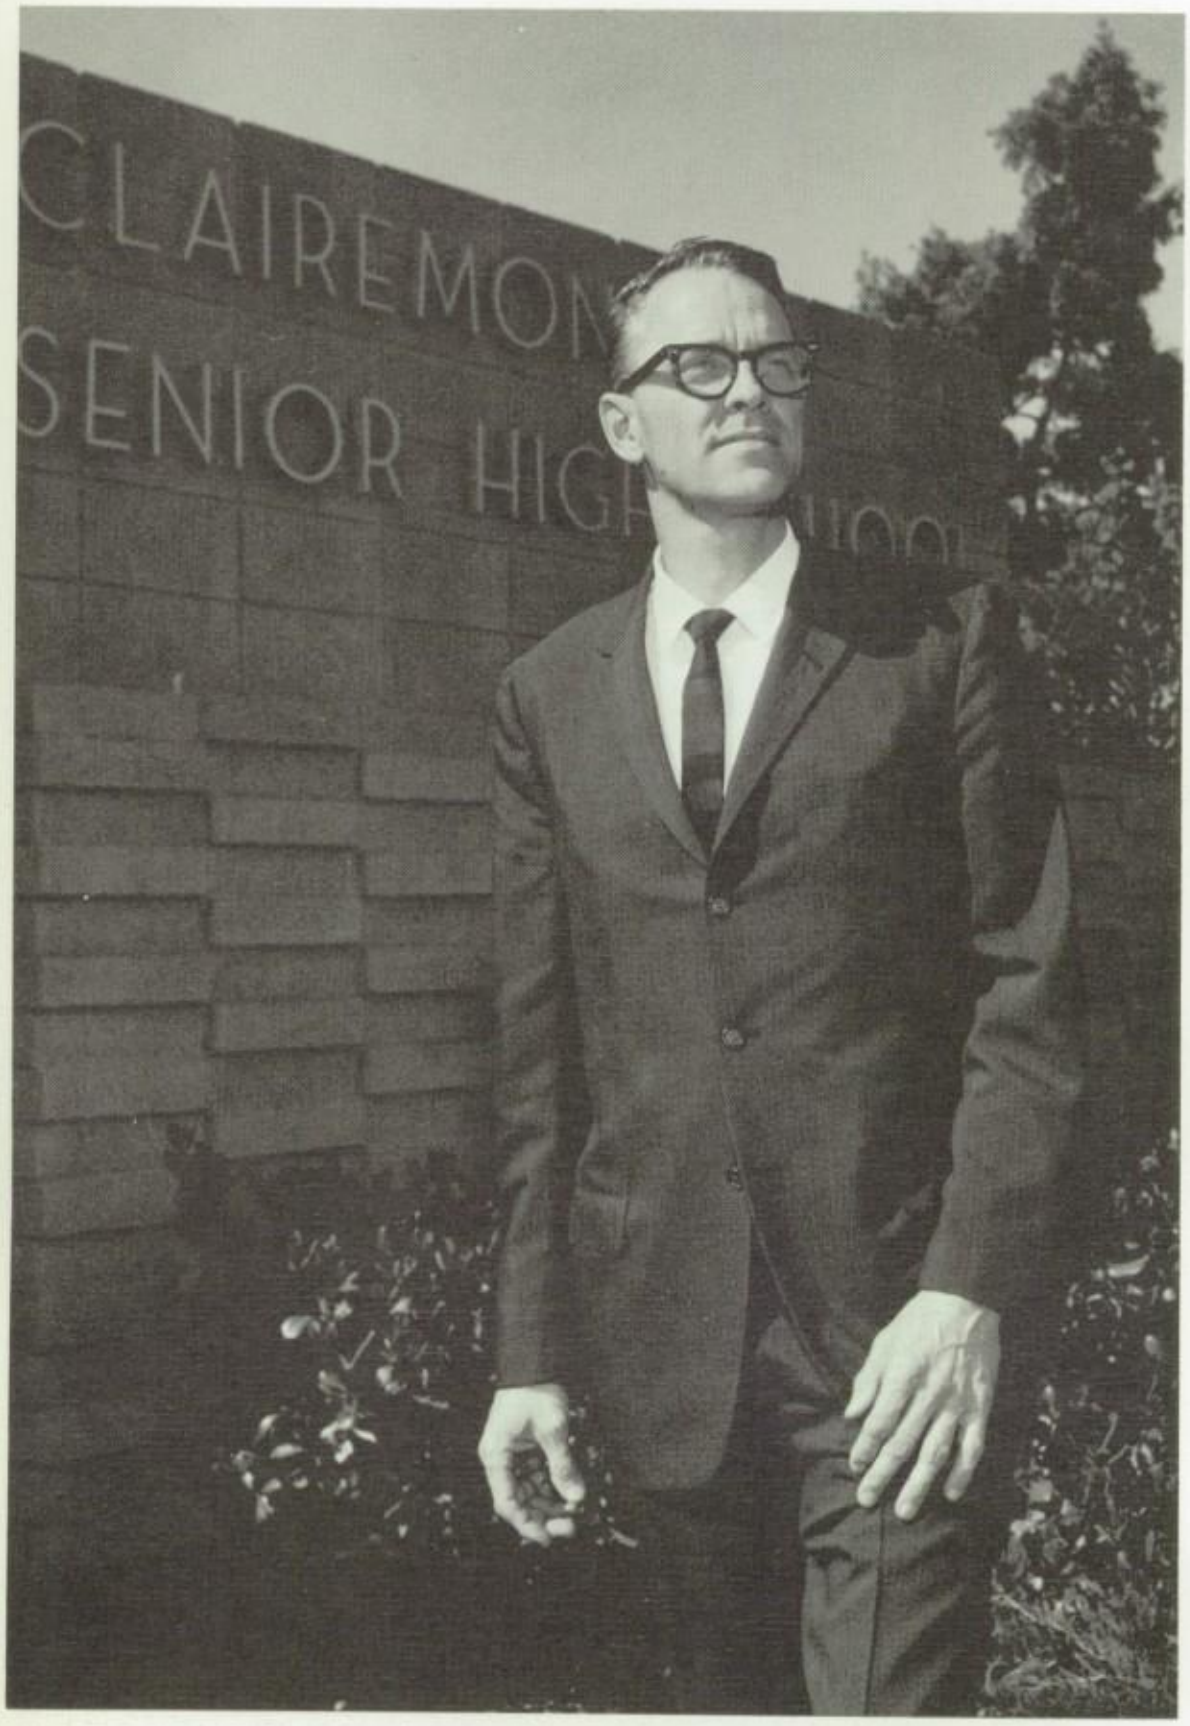


Wisdom crieth without; she uttereth her voice in the streets.

Proverbs 1:20



Administration



Dr. Ralph V. Patrick
Principal

As the members of the Class of 1967 complete their last semester at Clairemont they may also realize that they are at a point of beginning. In this sense there are perhaps at least two beginnings.

First is the beginning of further education of your choice, at least more nearly so. Whatever its nature you will be a freshman. Being a freshman will be a little frightening, a lot of fun and best of all, exciting and unique. It is a beginning—

And there is the beginning of your participation in adult life, of fresh ways of looking at the world of more responsibilities and of new friendships. Now, more than any time previously, exist the wide-ranging purposeful opportunities to seek answers to questions and issues and to evaluate and affirm one's beliefs of life. Now is the opportunity for you to come to terms with *yourself* and *your* society.

It is our hope that each of you will accept the challenge of making a real *beginning*. We might all consider the meaning of the ideal of service to one another in these words from Dag Hammerskjold's published diary, *Markings:*

"You have not done enough, you have never done enough, so long as it is possible you have something of value to contribute."

Ralph Patrick

Marguerite White
Vice-Principal

Clairemont High School is indeed fortunate in having the finest of student advisers. Invaluable educational opportunities are provided us by our able adminstrative and counseling staffs. Today it is impossible for the individual student to prepare himself to meet the challenge of the rapidly changing world alone. Without leadership he would soon become hopelessly lost.

Outstanding in their guidance efforts are Miss Marguerite White and Mr. Richard Jackson. Their concern and assistance have helped to make Clairemont High the outstanding school it is, and for this interest we thank them.

Richard Jackson
Vice-Principal

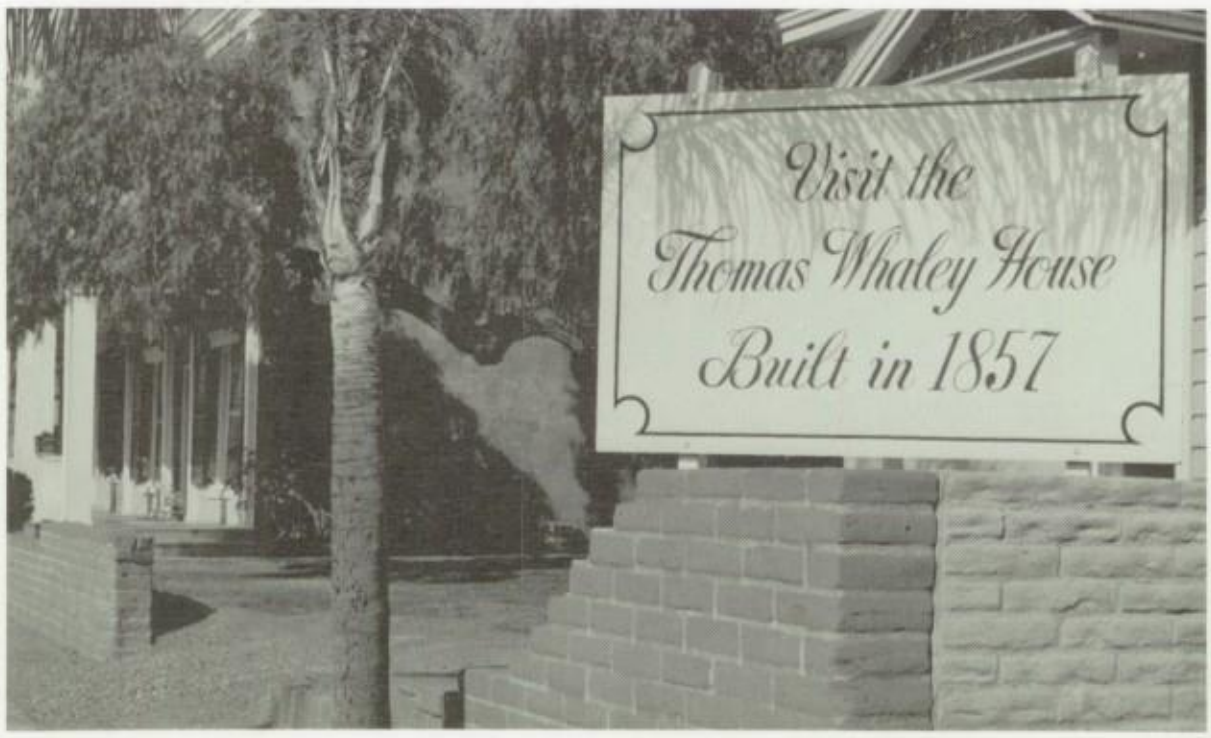
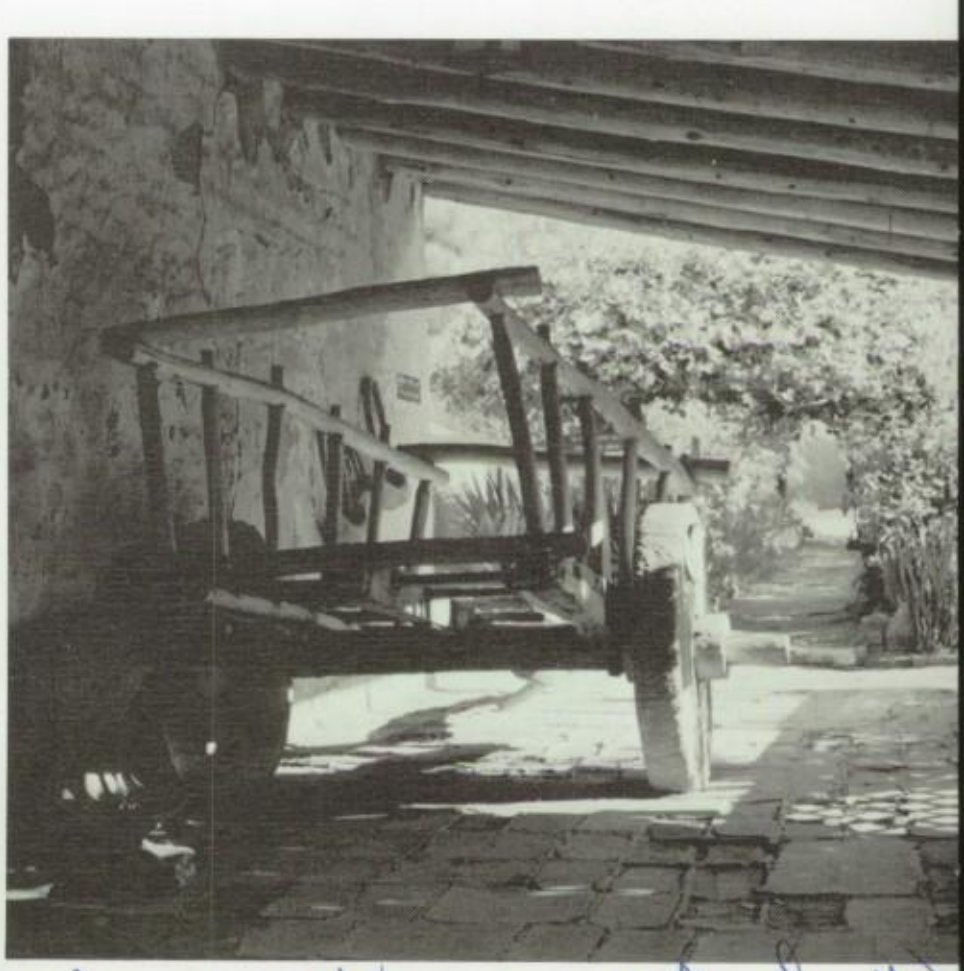
Language Arts

San Diego, California's oldest city, had its beginning in Old Town, now one of our most important tourist attractions. The Whaley House and Ramona's Marriage Place stand as examples of a colorful past.

The statue of Father Serra represents Southern California's Spanish heritage. Father Serra was the founder of the San Diego Mission in 1769, the first of many along the California coast.

In a city of rising skyscrapers and bustling autos it is difficult to remember that San Diego had such a tranquil foundation.





Bill,
This year has really been nice in Chinese and it would have been dull without your clever comments. Keep up your ~~#~~ and good luck next year (naturally) Stay smiling and remember to be a good guy to the Sophs.

Realizing that our need for expressive communication is increasingly demanding after high school, Clairemont's Language Arts Department provides the skill and the challenge needed for advancement beyond the basics of any language study.

The foreign languages offered this year include French, German, Chinese, Spanish, and Latin. This variety makes it possible for a student to master a foreign tongue that is of interest to him.

Our English Department prepares us with oral and written skills which improve our communication and provide for concentrated study of explorations into literature.

Students with interest in applied engineering find use of their science and mathematical training when exploring job opportunities in the San Diego area.

Typical of the city's research facilities are the General Atomics Center (above) and the Whittaker Corporation Laboratories. (below)

From the functions of the body to chemical formulae, our Science Department reflects the varied knowledge which lies ready to be investigated.

Scientific inquiry is discussed and studied; but most important, it is instilled in our students. Inseparable from science is mathematics. Math is no longer a column of numbers or simple equations to be to be tackled only in our class work. Basic practices are necessary as a foundation, but tomorrow will prove that mathematical knowledge is not the first step, but is the essence necessary for the advancement of our civilization.

America's first Greek Theater

is located on the campus of California Western University in Point Loma. It was built in 1901 by the Theosophical Institute, a California "Utopian" community, led by Madame Katherine Tingley. The university now occupies the site of the ambitious experiment in communal living.

The San Diego *Union* acclaimed the theater's first production, *Aroma of Athens*, as a "new form of drama." With *A Midsummer Night's Dream*, Shakespearean plays began regular performances at the Greek Theater.

The Theater, completely rebuilt in 1959, resumed dramatic activity three years later with the University theater department's production of *Antigone*.

A program of summer cultural events is now the foremost activity of the theater. Alive with the ancient dramas and comedies of Greece, the Theater brings the art of an inspirational civilization to our growing community.

The summer festival is a significant contribution to San Diego culture, and serves as a dramatic reminder that much of America's artistic heritage is based upon the philosophy and creations of the Hellenistic Era.

On November 14, 1863, the British full-rigged ship *Euterpe*, built to bolster the increasing East-Indian trade force, was launched. In 1906, the ship's name was changed to the *Star of India* by a special Act of Congress.

After serving as a trading vessel for several years, the *Star* began carrying immigrants from England to Australia and New Zealand. From 1902 to 1923, the *Star of India* was used in the Alaskan salmon trade. She was laid up in 1923, and headed for the scrap heap.

But a civic-minded San Diego group decided to preserve one of the last square-rigged ship as an historical relic; the *Star's* new port would be San Diego's waterfront. James Wood Coffroth bought the *Star* and had it brought to San Diego.

With the depression of the 1930's, financing the improvement and complete restoration of the *Star* was impossible, and the ship was nearly ruined by lack of care. But in 1959, another dedicated group of San Diegans began work and restored the *Star of India* to its present condition. Many dedicated high school students continue giving their time in the reconditioning of the ship.

The high school students' loyalty to the task of restoring the *Star* is a credit to the city, and now the *Star* is in condition to be enjoyed by every citizen of San Diego.

Ignorance of the world situation is unlike any other kind of ignorance. We, as students, are affected closely by the international events in the Far East and national politics centered in the United States Senate. These years are the last chance to abolish ignorance and replace it with education.

Our social studies faculty believes that it is only with an educated understanding of mankind's historical development that we can understand our present future.

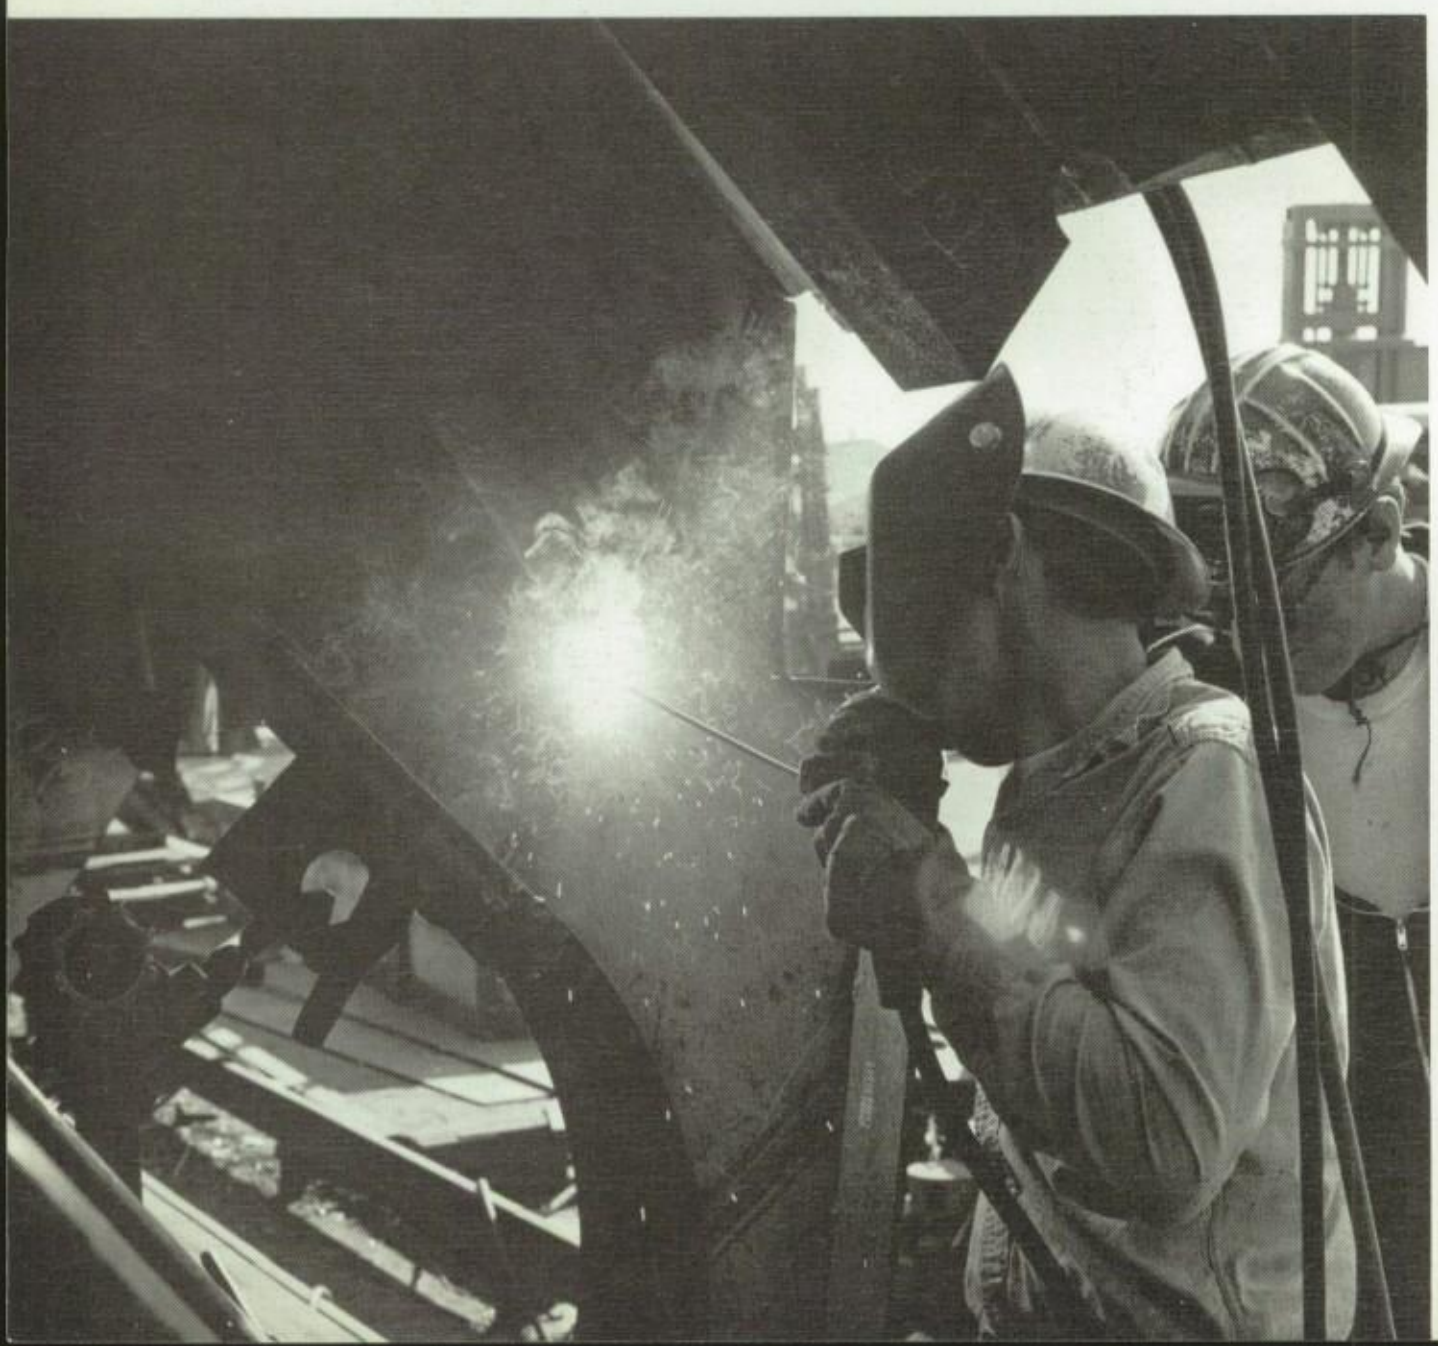
If it's paintable, our art students paint it.

In the courses it offers, the Fine Arts Department at CHS includes many different fields. Painting and sculpture are created during the classes, then displayed in Claremont's own Gallery 300. The music and drama departments perform before the school and community throughout the year—adding cheer at Christmas and enjoyment with plays in the Spring.

The San Diego Ballet Company is a comparatively new organization which has risen considerably, adding to the prominence of our city. After returning from their widely acclaimed national tour, the members of the company performed "The Sisters" in the Civic Theater. Now working and performing for the public in their own "Warehouse Theater" on 5th Avenue, the company endeavours to attain perfection in their art. This picture is from "The Nutcracker," a traditional Christmas ballet. With the work of the San Diego Junior Ballet Company, interested students can find an opportunity to enter the field of ballet in San Diego.

Vocational Arts



Industrial Arts courses, essential to any school curriculum, are especially important in San Diego schools. San Diego plays an important role in our national defense program.

There are many local industries that need skilled craftsmen and mechanics, and it is the function of the Industrial Arts departments of the various San Diego schools to help supply the need. Clairemont's own department, with its dedicated staff and eager students, is doing its share to promote San Diego's industrial growth.

One of the many local industries that will need Clairemont Industrial Arts students in the future is the National Steel Corporation. The pictures on this page illustrate the many job opportunities available to the persevering Industrial Arts student in this business concern alone.

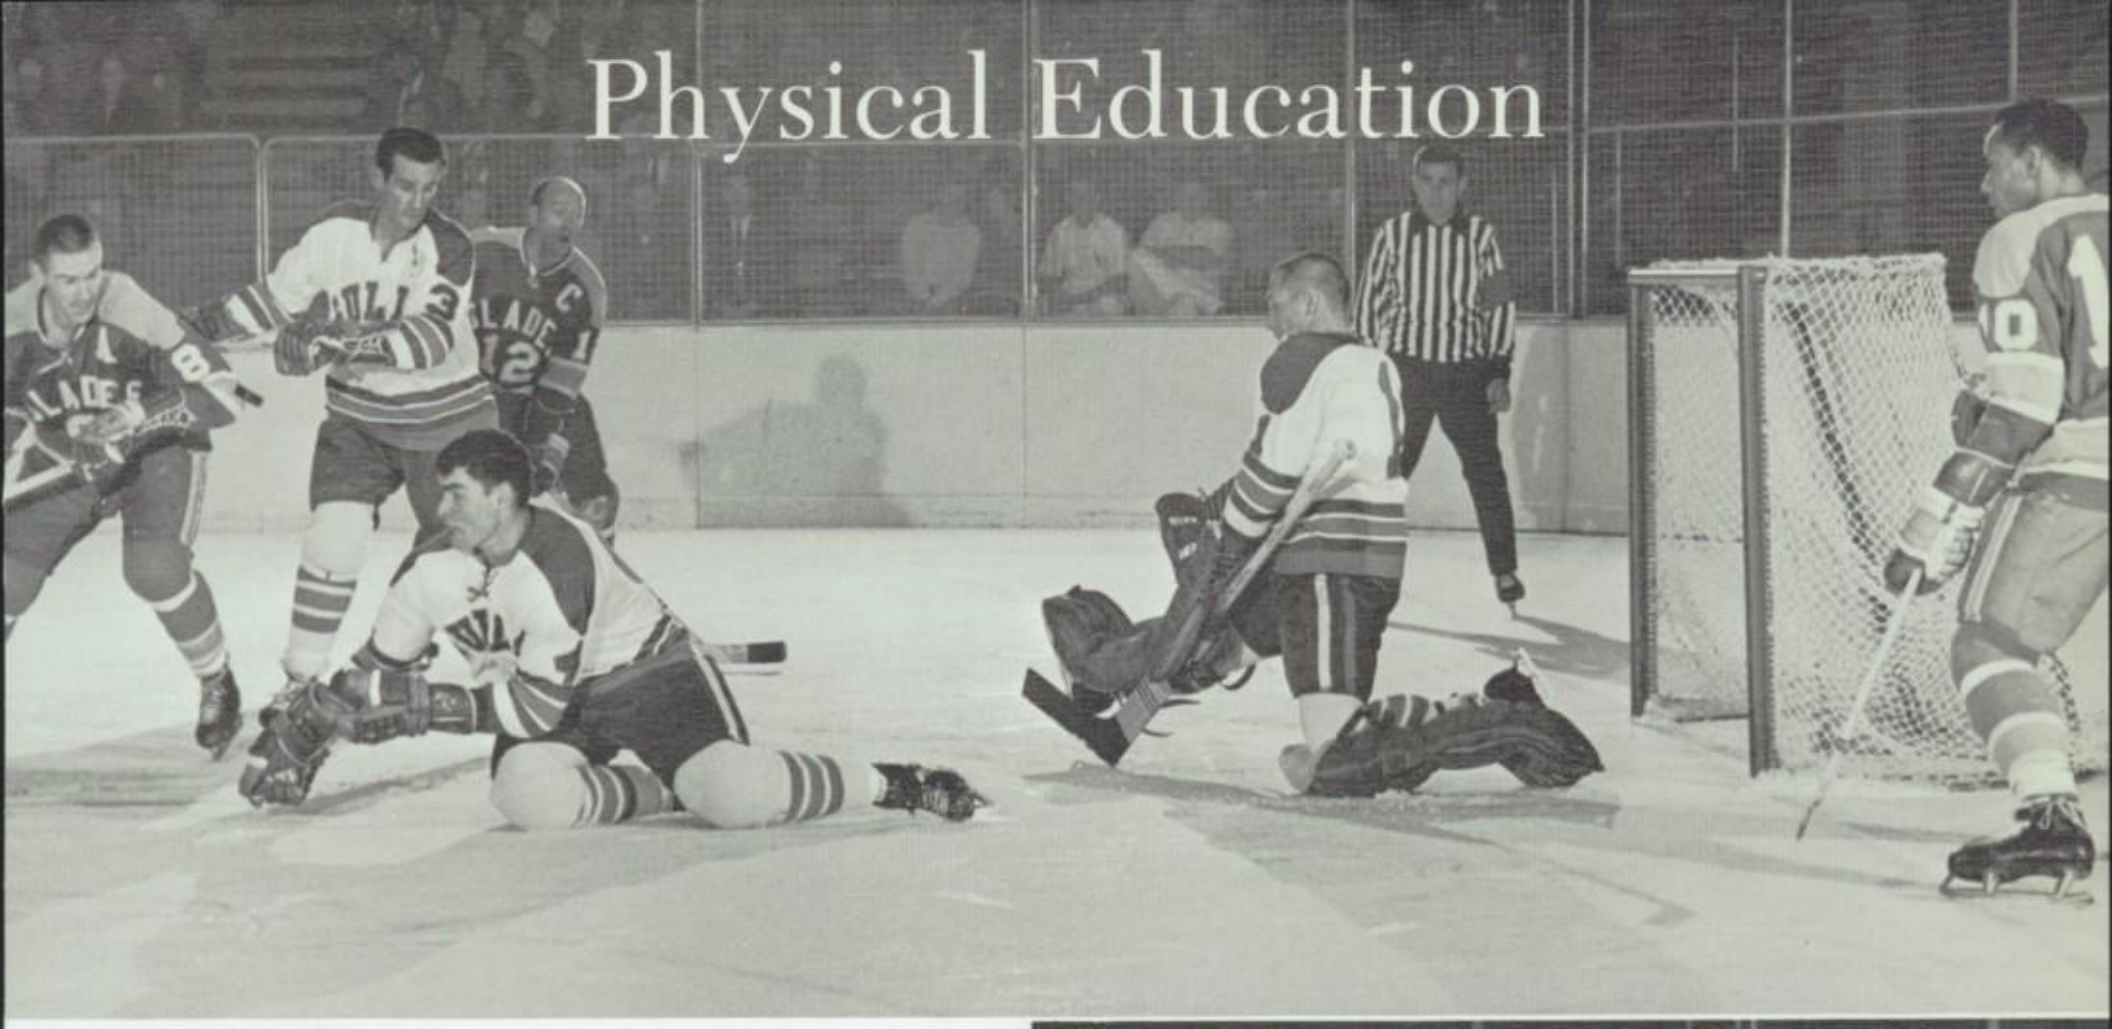
Physical Education



"I wish to preach, not the doctrine of ignoble ease, but the doctrine of the strenuous life."—Theodore Roosevelt

San Diego County probably has more sporting facilities per capita than any other place in the nation. The many beautiful and challenging golf courses have made San Diego the golfing capital of the world. Recreational centers and beaches are frequented by San Diegans. Surfing and auto racing are popular with local youth.

Besides participant sports, San Diego also has many spectator sports. Boat racing, auto racing, and track meets all draw big crowds. The San Diego Open draws thousands of local hackers every year. Fans turn out in droves to see the Chargers and the San Diego State Aztecs play football, the Gulls play hockey, and the Padres play baseball.

The future looks promising. With the building of the new Sports Arena and the soon-to-be completed 50,000 seat all purpose stadium, San Diego hopes to attract big-time baseball, basketball, soccer, and boxing. And someday soon, San Diego might attract the greatest spectator sport of all: a Presidential nominating convention.

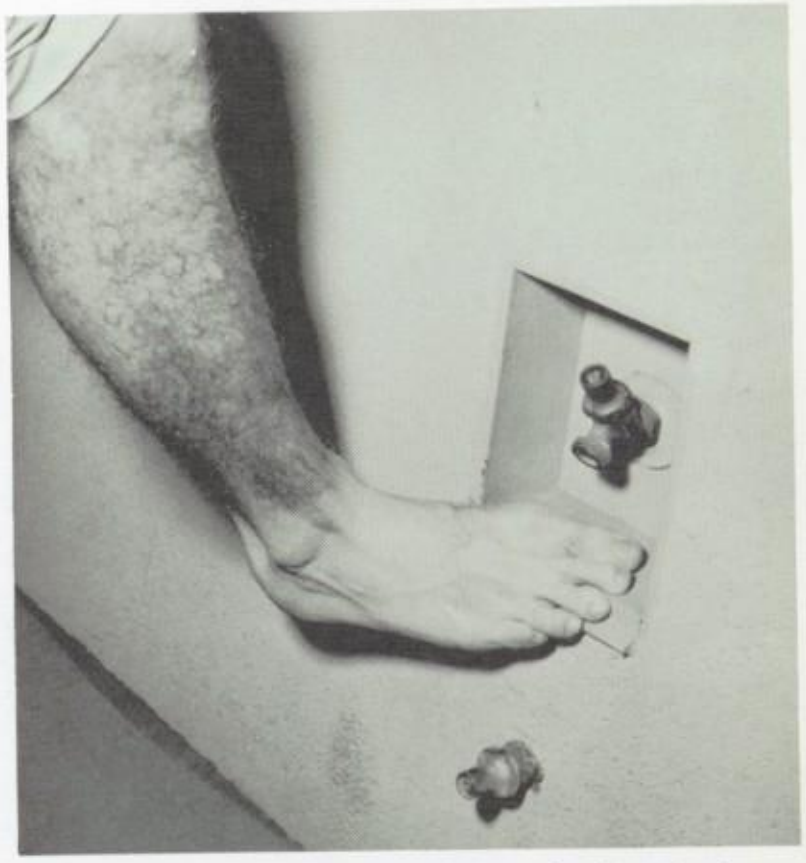
Here we see the girls display the long and the shorts of it on Bermuda Day.

Sharilyn McSwan, Adviser

Every March, spring-feverish Clairemont students go wild for five frantic, phrenetic, fun-filled days which are known collectively as Twirp Week, a Girls' League-sponsored activity. Among the many Twirp Week activities is Hat Day, when all manner of hideous, hilarious, hopeless, and highly improbable headgear is displayed by boys and girls alike. Bermuda Day is also an activity for both sexes, with the girls wearing and the boys watching. There is also the Slave Auction, at which Clairemont lettermen pay the price for athletic achievement by serving as slaves-for-a-day to the highest female bidders.

All these frivolous festivities are subordinate to the final flowering of fun and frolic, the Shamrock Shuffle. This dance is unique in that it is the only one in which the girls are *supposed* to do the chasing.



A contestant for the title of Mr. Hairy Legs exhibits his qualifications.

The "Wheels of Progress" rolled along in the Homecoming Parade as the Girls' League float provided us with a look at the modern automobile's Flinstonian ancestor.

Tony Barnwell pops a wheelie, and Steve Farley shifts into third as he takes a one wheel lead over the field. Meanwhile, the Senior rope team, led by co-captains Riggs Roberts and Gerald Polomis, pulls for a victory in a taut battle.

Boys' Federation

Boys' Federation, the traditional sponsor of the Clean Campus Program, established a new tradition this year. The Boys' Federation designated the week preceding Homecoming as Spirit Week, during which time activities are held to increase spirit for the Homecoming game.

Boys' Federation also donated a Western League signboard for wrestling, and in the future hopes to contribute similar signs for other sports.

Because of Ron Glenn's mid-term graduation, Vice-President Steve Farley inherited the Boys' Federation presidency. Ron and Steve planned the activities of Spirit Week. History teacher Halvor Adcock donated his Southern influence and prestige in organizing the Tanda slave sale. And will the Juniors ever know who cut the rope?

Tandas . . .

from an Indian word meaning friendship

Tandas' Officers are Row 1: Cece Pittman, Shari Gitterman, Terry Dillon, Bonnie Cooper, Susan Young, and Tere Colmenares.

Spirited discussions enlivened Tandas' meetings.

The gay green and yellow uniforms worn by the members of Tandas reflected the bright success of the organization this year. From the opening day of school, when Tandas welcomed the sophomores to CHS, the girls' service club has been kept busy with a multitude of activities.

Tandas sponsored two successful candy apple sales and the traditional Valentine's Day carnation sale. The club also participated at a bazaar at Miller's West department store, and gave the proceeds of its cake and cookie booth to the House of Hope, an orphanage in Tijuana.

Club members also solicited door-to-door contributions for the Danny Thomas Leukemia Drive, and are now working toward a long-term project for CHS.

Happiness is evident in the faces of the new members. Row 1: Barbara Blossfield, Kathy Callery, Kathy Marsden, Cathy Funk, Kate Forhan, Maureen Kelleher; Row 2: Maryann Callery, Claire Sirchia, Kim Myrman, Elin Hansen, Barbara Brunn, Janette Yount.

The Key Club, the "in crowd" for Clairemont High boys, is also an outstanding service club. The Key Club sponsors the annual Powder Puff Football Classic, the Christmas basket drive for needy families, and the Tijuana fund for families made homeless by last year's floods. The Key Club has also initiated a sports bulletin board to inform students about Clairemont athletic activities.

Mr. Richard Jackson, Adviser

Key Club selected as honorary members four Senior girls who have contributed outstanding service to the school; they are Terry Dillon, Sue Young, Maryann Callery, and Molly Mattson.

The Key Club entry in the annual Christmas basket drive expressed the universal wish for "Peace on Earth."

Shelly McGregor achieves a major breakthrough in girls' athletics as she scores the first touchdown in Powder Puff football history.

AFS

It was an unprecedented year for the CHS American Field Service, as it sent Janet Mitchell to Denmark and Jim Partridge to Switzerland, and welcomed to Clairemont Paul Gruselin from Belgium and Teresa Colmenares from Colombia.

One of the highlights of this year's assembly schedule was the AFS assembly for which San Diego's foreign exchange students came to Clairemont and provided all concerned with exposure to the people and culture of many countries. Here Tere Colmenares exhibits her prowess in the mastery of the Colombian native dances.

Tere Colmenares, CHS Exchange Student from Colombia, Class of '67.

I think that one of the things most interesting to me during my experience has been the school. The teenagers are more free, and they have all the opportunities to study whatever they want. I have enjoyed very much my stay here. All of you have been so nice people and I know that I will never forget the wonderful time that I have had with you.

Tere Colmenares

Paul Gruselin, CHS Exchange Student from Belgium, Class of '67.

A good part of my American experiences took place in Clairemont High. The school brought me many new ideas about America and its people. I have been living with the American teenagers for one year, and I have the feeling that I have learned something. There are many confiicts and pains on our planet. It is stimulating to think that there are people in the world who don't pay much attention to national differences. The Chiefs are among these people. I will remember the year I spent at Clairemont High as a wonderful year, and I want to thank the Chiefs, Faculty, and Students for their fine attitude. CHS, thank you again, I will not forget.

Paul Gruselin

The highlight of the AFS Senior-Faculty Basketball Game was the formal presentation of the exchange students' portraits to be displayed in the Counseling Hall.

Pep Clubs

The Junior and Sophomore Pep Clubs banded together this year in a united effort to increase school spirit and cheer our teams to victory. For their entry in the Homecoming float parade, the Pep Clubs tarred and feathered a Madison Warhawk; although the float did not place, it was symbolic of the 18-0 pasting given to arch-rival Madison.

Chieftainettes

Lynda Bankhead, Colonel

Their wilted hairdos occasioned by the foggy early morning practices and the difficulty of the routines paradoxically produced a happy camaraderie among the Chieftainettes.

Reversible capes of orange and blue were added this year to the uniforms worn during halftime at football games, for warmth and a look of uniformity.

health, sanity, and eternal salvation by rising at unholy hours to attend early morning practices. Such unstinting sacrifice deserves the praise and admiration of us all.

Mr. Kenneth Ritchie, Instructor.

Clairemont Concert Band

Having suffered through the slings and arrows of outrageous early morning practice during the marching season, during which time they provided the musical entertainment at football games, the Marching Band was ready to take things sitting down. So they sat down, tuned up, and proceeded to delight Clairemont students and faculty at their Thanksgiving, Christmas, and Spring concerts. They did rise to the occasion once more, however, as they represented Clairemont in the annual Toyland Parade.

Vocal music is the most demanding of all group organizations. Chorus members give up countless hours of their time to present a well-integrated and pleasing program of music. It is to these people that much credit is due, for most of their performances are not accorded the true accolades which they rightly deserve.

Madrigals

One of Clairemont's finest performing groups is perhaps the least publicized. The Madrigals, a select group of the most talented vocalists on campus, tour the city every year without the least bit of fanfare. This ensemble presents a wide variety of music, music which ranges from modern "pop" sound to more somber chants, a repertoire of true quality.

The Arrow

Under the management of a new adviser, Nancy Powell, the *Arrow* made siginificant progress. A new column has been added in which Clairemont's foreign exchange students have written about the countries to which they have gone, and some Clairemont grads have written back telling about the colleges which they are attending. The editorial section has been enlivened through the discussion of topics of greater interest to Clairemont students. These new aspects of the *Arrow* combined with old standbys such as the Girl of the Month section and Chattering Charlie, make the *Arrow* an effective chronicler of student interests and school activities.

The making of a *Calumet* is a difficult, time-consuming, and, at times, thankless task. To be a staff member, one must withstand the bristling attacks and "inspiration speeches" of sometimes overly conscientious Editor-in-Chief Bruce Wasser. But more important, one must have a desire and the patience to withstand all pressures and problems. One never sees the completed task until the first week in June; one's only reward is the satisfaction of successfully completing a page by deadline time. Yet, a small, but diligent, set of people continually sacrifices time, sleep, and pleasure (working on Saturdays isn't everyone's idea of fun) to come and produce a yearbook of lasting quality. Their dedication and devotion to this task made possible the *Calumet 1967*.

°Western League encounter

The philosophical flair of the late Knute Rockne best exemplifies Head Football Coach Leroy Dotson and his spirited team. The never-say-die attitude inspired by Dotson led the team to tough, hard-hitting play throughout the season.

Coach Dotson, in his second year at the helm, has given Clairemont a brand of football that attracts crowds and instills football fever in the school and community.

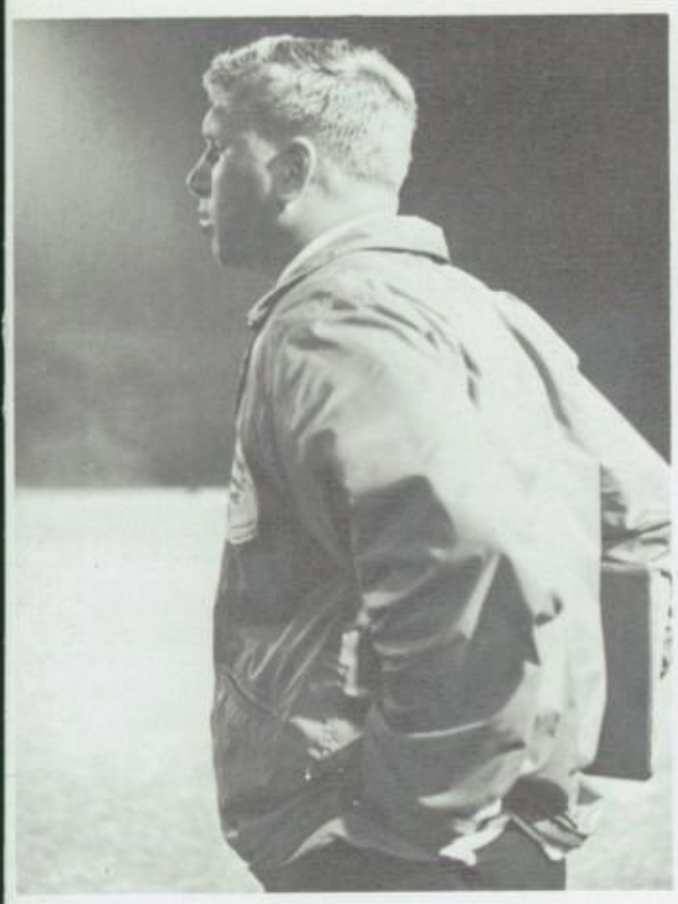
Clairemont's rugged defense, feared by all Western League opponents, was ranked second in the SDCIF AA most of the year. Leading the onslaught were Co-captains Robert Rahn and Charlie Kingsbury, linebacker Steve Jennings, and tough Juniors Robert Hughes, Bruce Lecuyer, and Pete McClure.

Robert Rahn became the first player in Clairemont history to be awarded both the coveted Most Valuable Player and Most Valuable Lineman honors. In addition to these, he was selected defensive tackle on the All-Western League team. Junior Bruce Lecuyer joined Rahn on the league selections at defensive end. He also was honored as the Chieftains' Most Valuable Defensive Lineman. Bruce Storrs, All-Western League offensive center, was one of the finest in the SDCIF at his position. Clairemont's top offensive running threats, versatile Bill Healey and Junior jackrabbit Richard Molina, received Honorable Mention. Guard Steve Jennings was the recipient of the John Wolfe Memorial as the team's Most Inspirational Player.

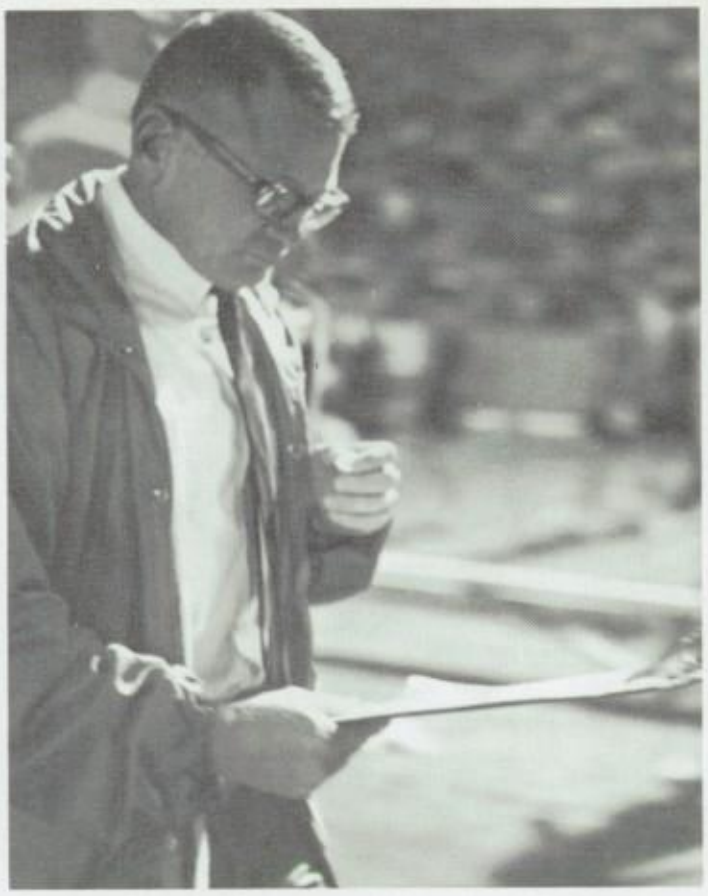
Junior quarterback Pat Casey improved with every game and will be next year's premier returning signal-caller in San Diego. Supporting Casey on the front wall will be such seasoned veteran performers as Bruce Lecuyer, Robert Hughes, Pete McClure, Allan Bloom, Mark Stickel, Tony Barnwell, and Pete Jones. Casey will have talented receivers in Justin Lanné and Jim Chastain and fine running backs with Richard Molina, Eric Swanson, Jim Woodard, Tom Denman, and Bill Welsh.

The Western League Football Championship should return next year to the Chieftain congregation.

Varsity Football



Coach Art Anderson was in charge of the defensive forces. His dedication inspired the players to work hard and earn the success which they achieved. Coach Anderson stressed tough mental discipline and hard work as the key to success.



Coach Murray Callan handled the offensive and defensive backs. During the games, he manned the scouting box, diagnosing opponent weaknesses and relaying them by telephone down to the playing field.

Coach Ernie Beck, the head mentor of the junior varsity, was an important cog in Clairemont's coaching machine. He was the middle man in relaying reports to Coach Dotson and also helping players with game adjustments.

Coach Ernie Beck guided his forces this year to a share of the title. Their success could be attributed to over-all team improvement with every game. In winning five, losing two, and tying two, Coach Beck ran his two-season record to 11-4-3. Development of these players represents a large portion of the football program at Clairemont.

The team mainstays this season were Co-Most Valuable Backs David Hoskins and Fred Dow, Most Valuable Lineman Richard King, and quarterbacks Don Miller and Rick Safko. Safko showed a lot of promise as a good passer and runner before being sidelined by injuries.

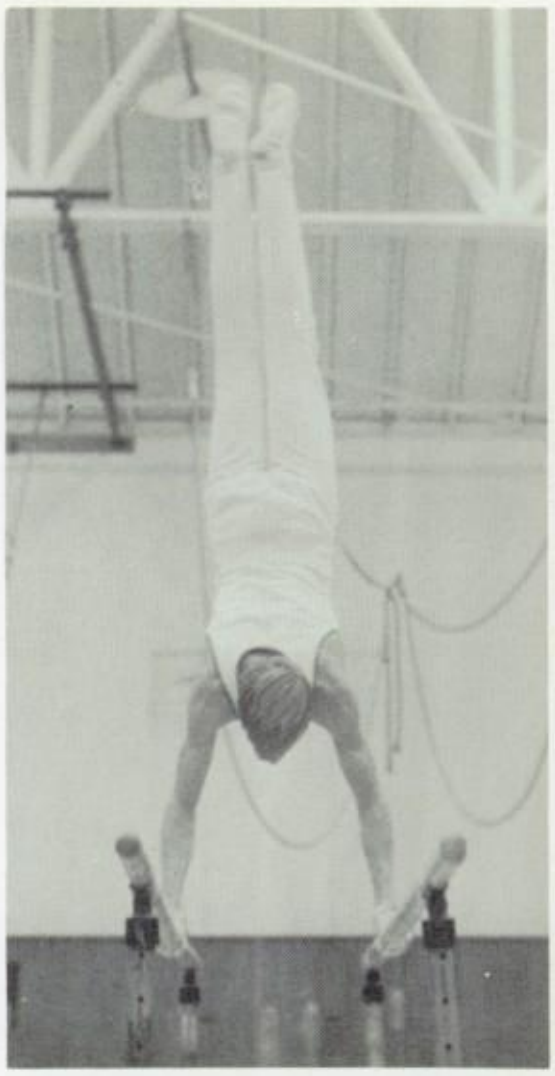
Gymnastics

John Squires, who here works on his side-horse routine, co-captained the squad with Steve Taliaferro and Tom Buchenau.



Perfection on the parallel bars is John Squires (right).

The efforts of a two year rebuilding program by Coach Richard Eiler resulted in an improved gymnastic squad. Although a 3-5 record may seem disappointing, it represents the best ledger the squad has had since 1964. Prompted by improved home crowds and developing Juniors, the gymnasts finished by winning three of their last four meets.

During the bleak early season, the squad searched for its identity. Led by CIF performers Tom Buchenau, John Tomasche, and John Squires, the Chiefs demolished Lincoln, surprised Hoover, and scalped Madison to cap a successful late season surge. With returnees like Buchenau, Joe Chesler, and Ernie Luke, Chieftain hopes in the gymnastic future should be bright.

Joe Chesler, a rapidly developing Junior, will be one of the returning gymnasts on whose shoulders will fall the task of rebuilding Clairemont to its former greatness in gymnastics.

Tom Buchenau flies up the rope as he wins the event against San Diego.

Cross Country is a lonely sport. There are few cheers for the winners. There is no headline glory. Only the team knows the quiet thrill of victory and the silent sorrow of defeat. Only the runners themselves can measure personal victory and defeat. Plagued in the early season by apathy and injury, the proud Chieftain team fought back to compile a winning season. In Western League competition they finished third, winning three of their last four meets. This momentum carried over to the league finals, where the Chiefs placed second. The Tribe success continued as they won the City Championship, behind the dominant running of Thorn Bigley, who set a new Western League record at 10:05. The team successfully closed the year by placing fourth in the SDCIF finals.

19-11

Director of Basketball Richard Eiler produced an area hoop power this season. The Chiefs were highly rated by the news media and attained the # 9 ranking in the final San Diego press poll. Eiler, an imaginative and tactful improviser, gave Clairemont an exciting attack that featured a quick fast-break, good outside shooting, and powerful board play. A mid-season five-game winning streak brought the student body its greatest glory in school spirit. Clairemont relied on strategic stalling to embarrass arch-rival Madison, 38-29. Deadly shooting and sound passing brought three victories over Kearny. These were only four of nineteen triumphs that led to the CIF, San Diego Sectional Playoffs.

Senior Co-captains Riggs Roberts and Mike McGirr led the Chieftains. Both tall pivotmen completed three years on the varsity hardwoods. Roberts, the Most Valuable Player, received All-Western League and CIF honors. He became the highest scorer in Clairemont history with a season record of 519 points. Not to be overshadowed, McGirr was another Western League selection and poured 434 points through the nets. Together, the two big men produced one of the greatest scoring tandems in San Diego. Guards Steve McClelland and Bill Loveland contributed sound floorplay, and hard-working Juniors Justin Lanne and Frank Peterson gave the Chiefs consistent outside scoring. Lanne's late-season surge earned him his teammates' choice as the Most Improved Player. A Clairemont strength was team effort and the morale general was Most Inspirational Player Bruce Wasser.

Graduation will take its toll but next year's smaller team will possess the fine shooting of Lanne and Peterson in addition to the agile ball-handling of Don Martin and Pat Casey. Improvement is the key and the Chieftains will remain prominent in the prep basketball world of San Diego.

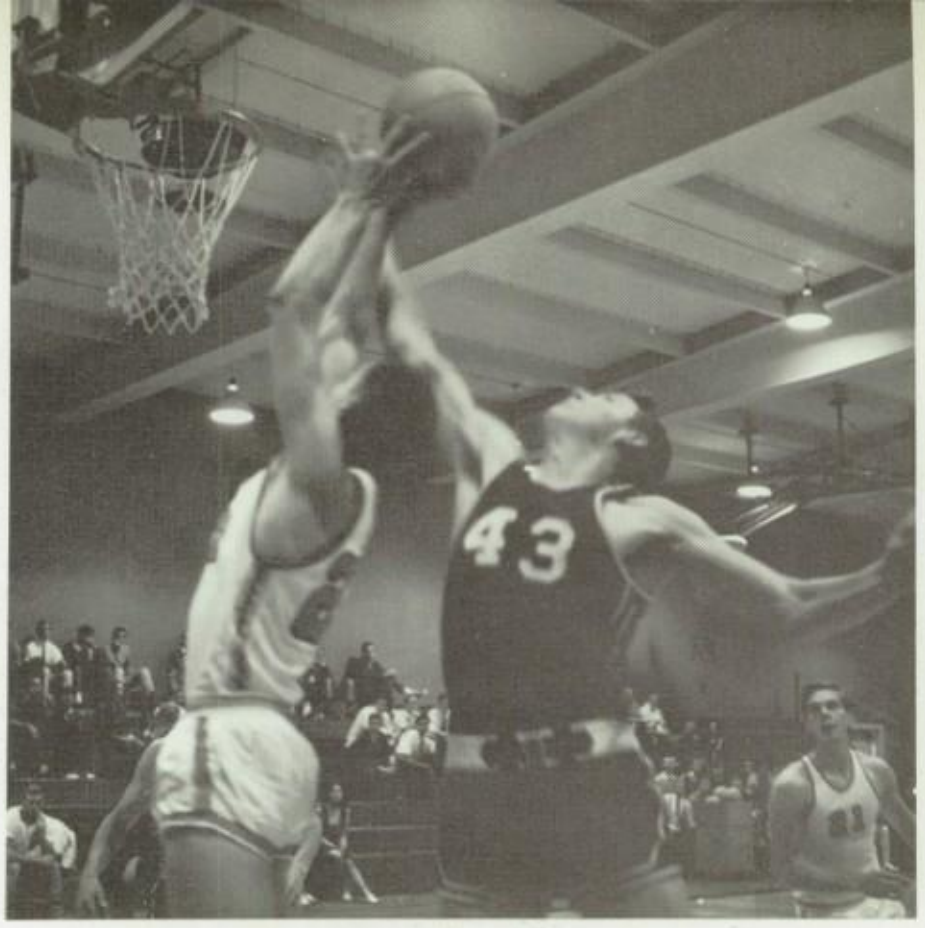
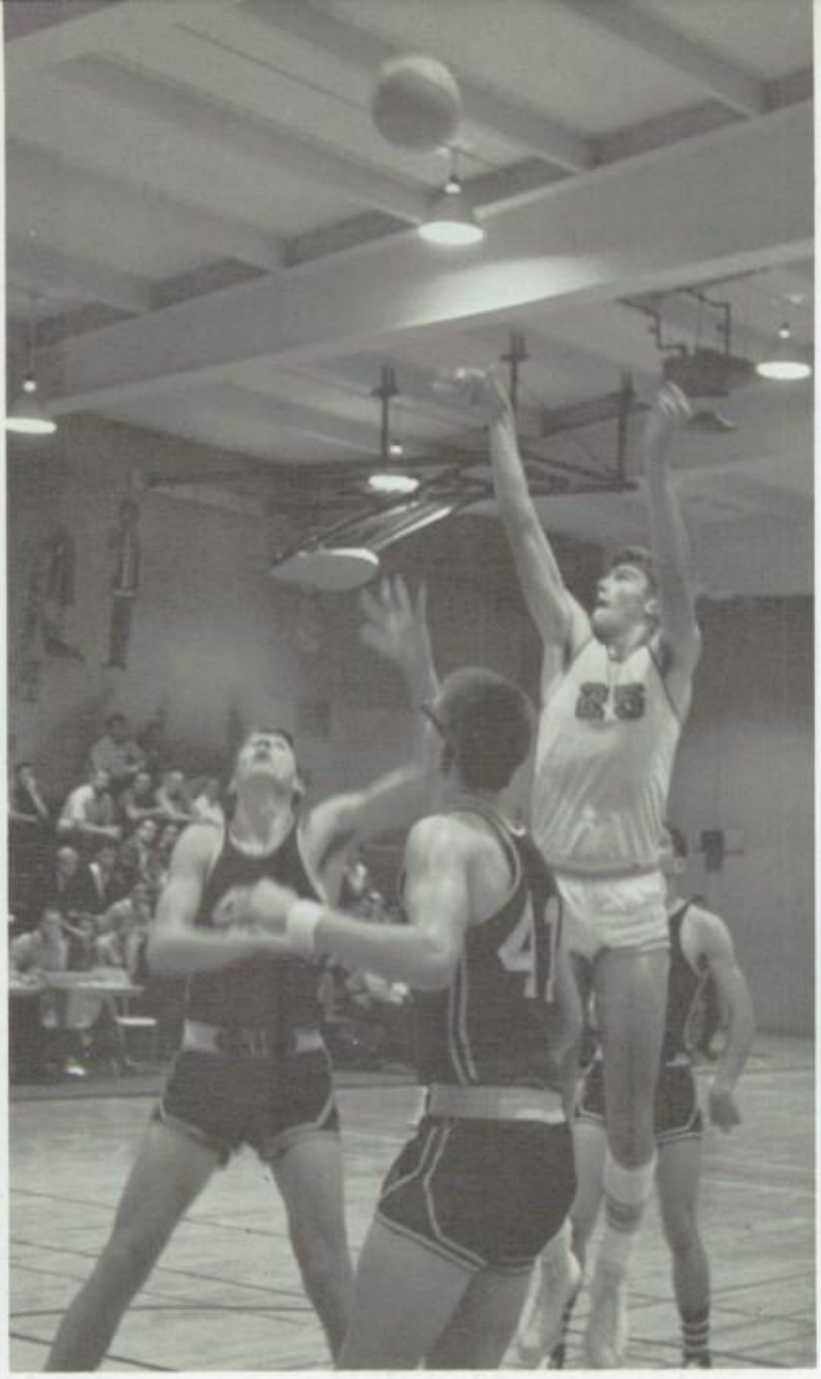
Hard-working forward Frank Petersen (22) scores on a 10-foot jumper in the season opener against Mar Vista.

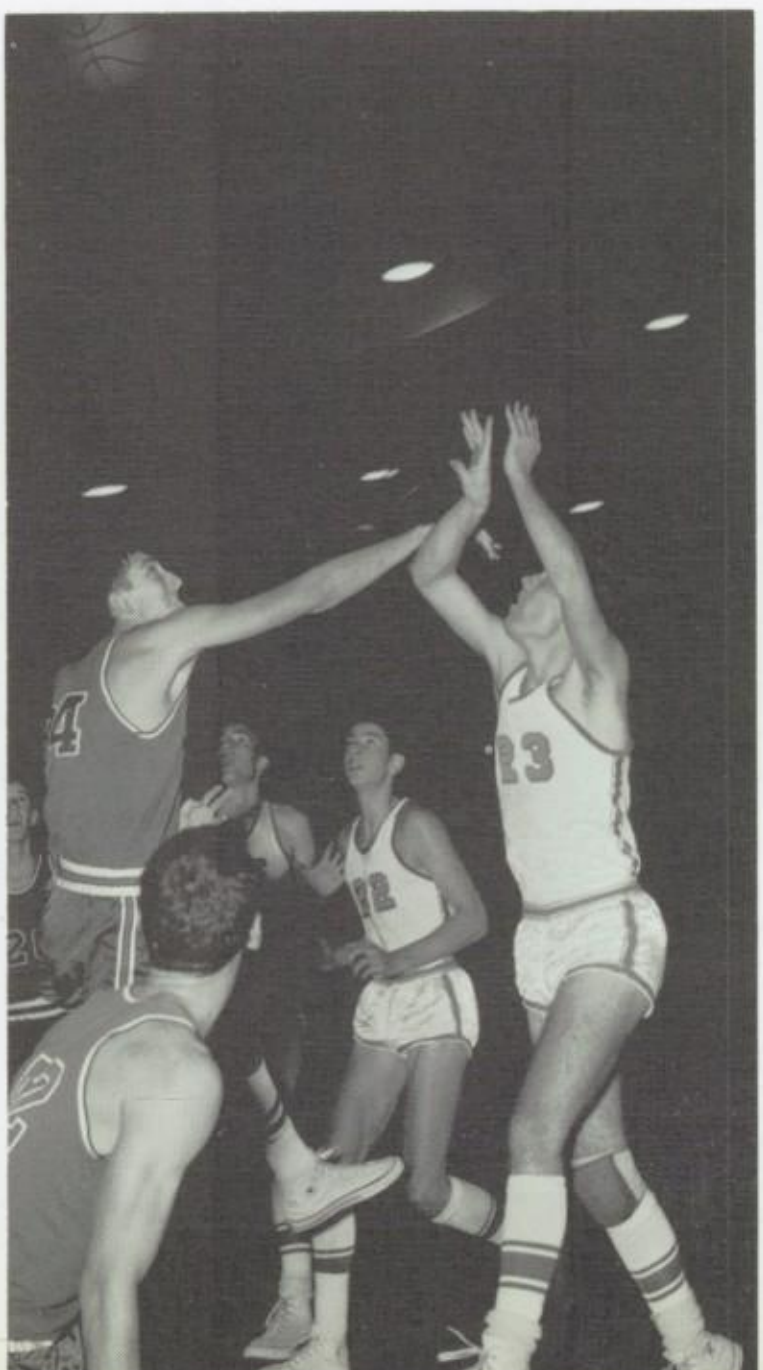


Junior sensation Frank Petersen showed great finesse and shooting ability throughout the season. His outside shooting complemented the inside maneuvers of Clairemont's dynamic duo, Riggs Roberts and Mike McGirr.

The Big Dipper, Mike McGirr, is in complete control as he tips the ball to Riggs Roberts (25). The two big men were too hot to handle for the smaller Mar Vista team. This seemed to be a problem for almost every opponent.



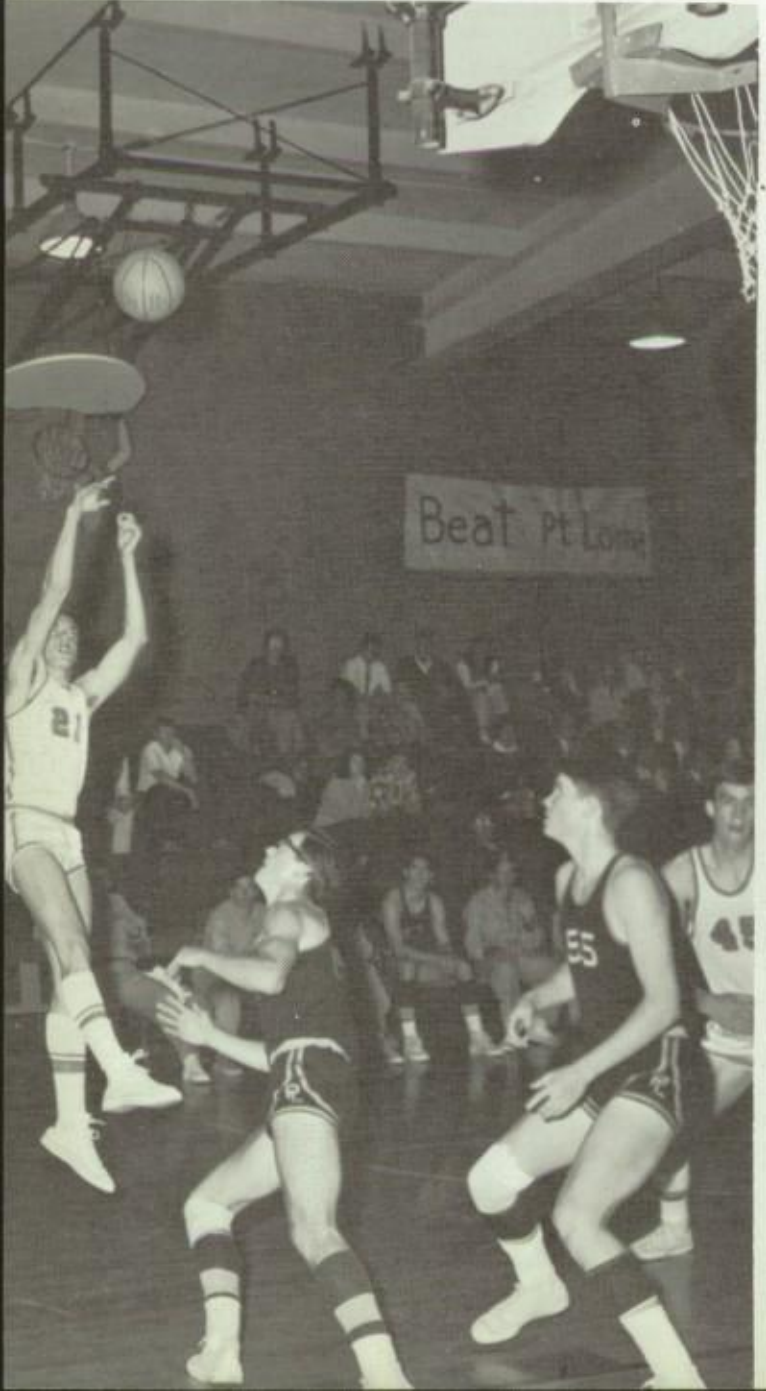
Four big reasons which made the Chieftains tough to handle this season were these dedicated players. All-Leaguer Riggs Roberts (25) shows the shooting ability that made him a top scorer. Hustling Dave Lowe (23) was always scrapping for the ball and scoring points to help the team. Big Mike McGirr (21) used his physical advantages to their best in jumping, rebounding and short-range shooting. Frank Petersen (22) made the baseline jump shot a favorite scoring play for the talented Chieftains.



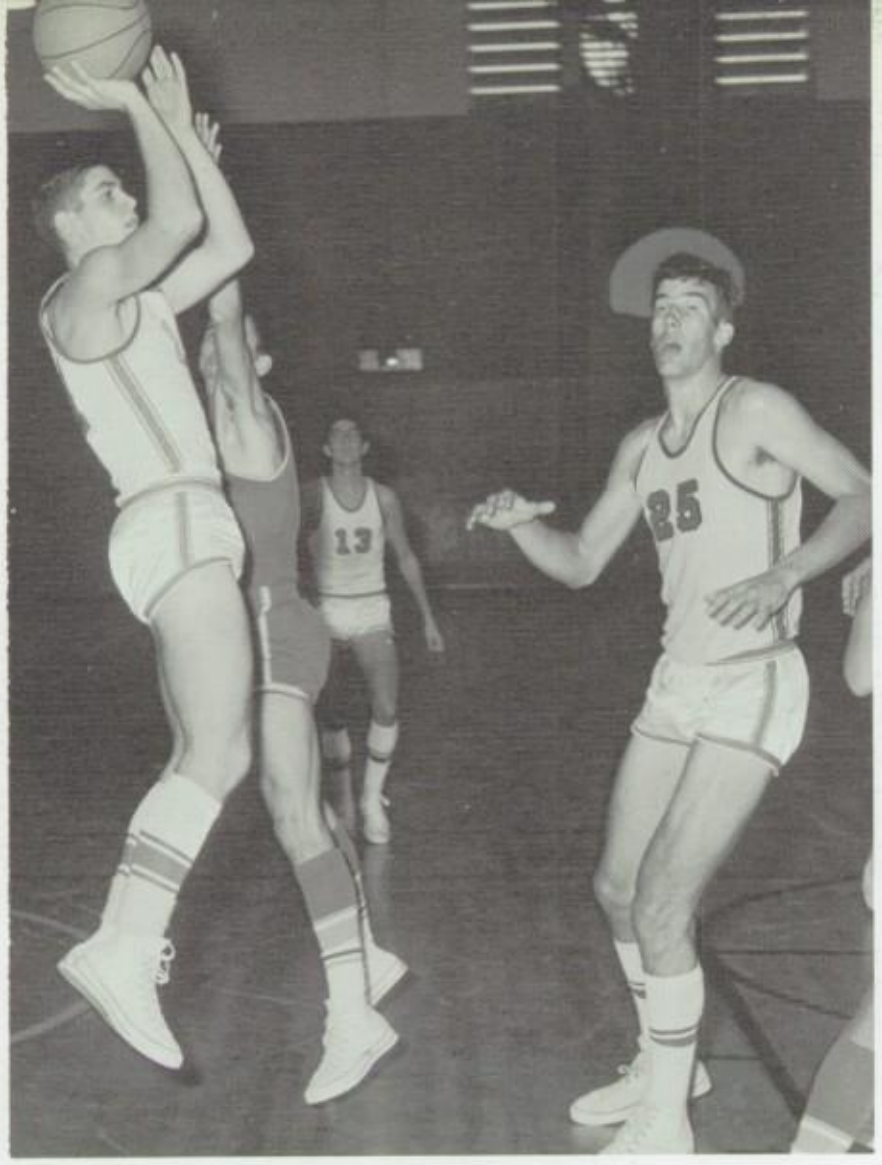
Steve McClelland (13) sees the extra push Dave Lowe is about to get as Lowe prepares to pass to a teammate.

Late-blooming Junior Justin Lanné sparked the Chiefs' attack with strong rebounding and consistent shooting. Against Pt. Loma, Lanné scored on baseline jumpers and inside tip-ins. The outclassed Pointers fell victim to the superior, sharp-shooting Chieftains.

Flashy guard Steve McClelland outmaneuvered San Diego defenders for crucial baskets; however, the powerful Cavers prevailed.

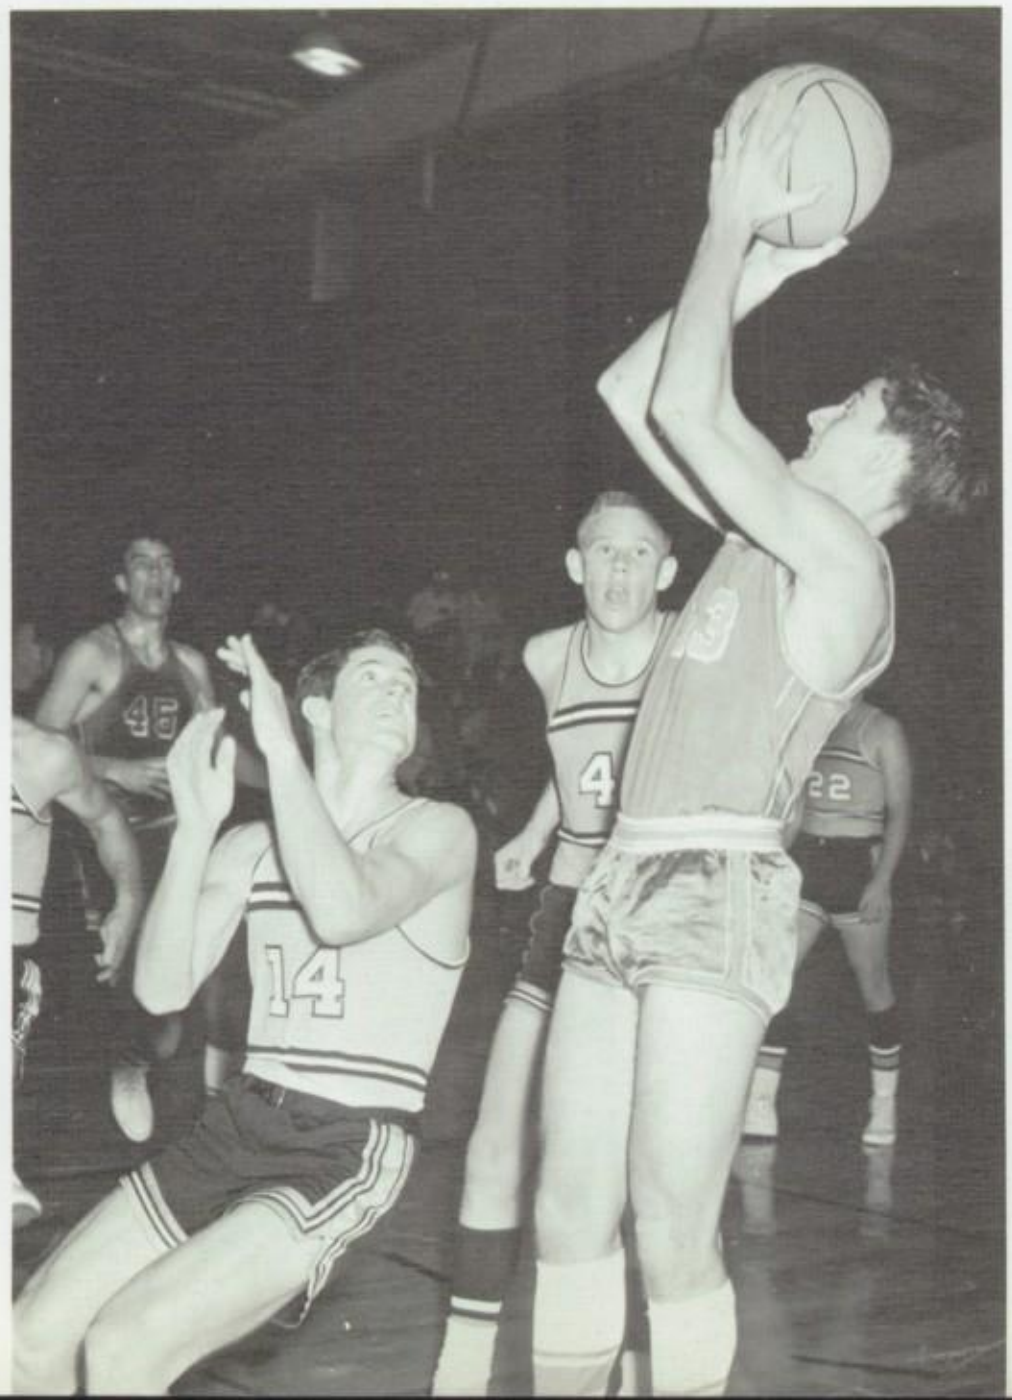


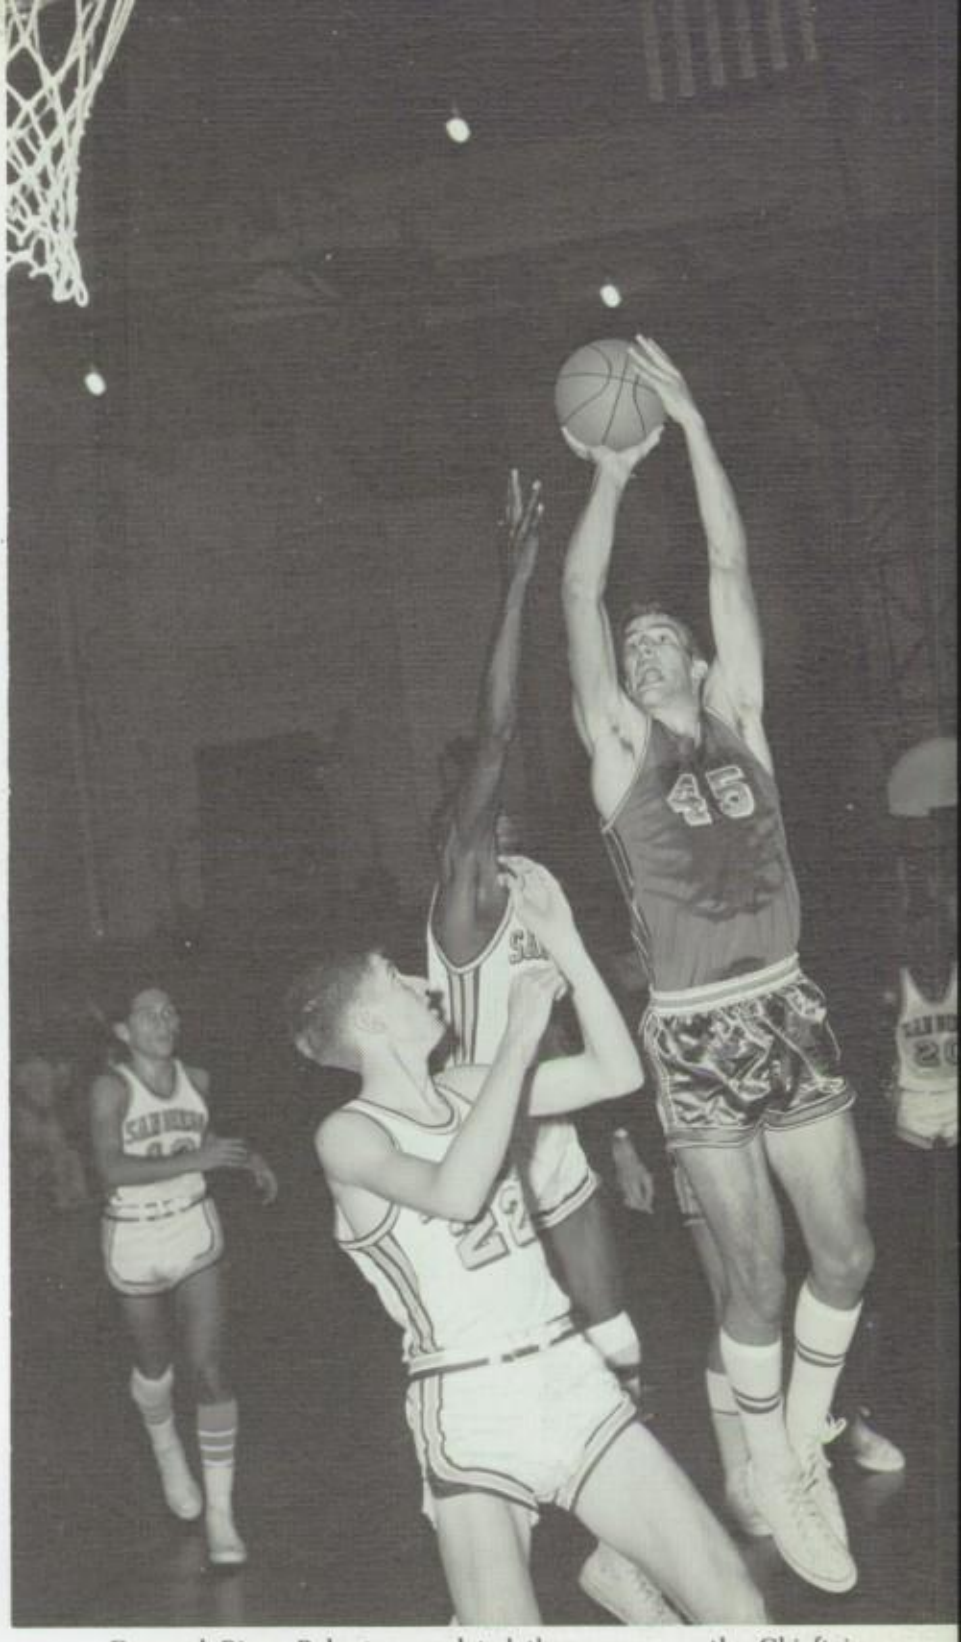
A vicious defense leads to many fast-break baskets; here, a Mission Bay defender helplessly tries to block a Steve McClelland marker on a breakaway.



Senior guard Bruce Wasser scores on a baseline jumpshot. Riggs Roberts (25) prepares for a possible rebound attempt. Wasser was a sparkplug in the team morale and fighting spirit througout the season.

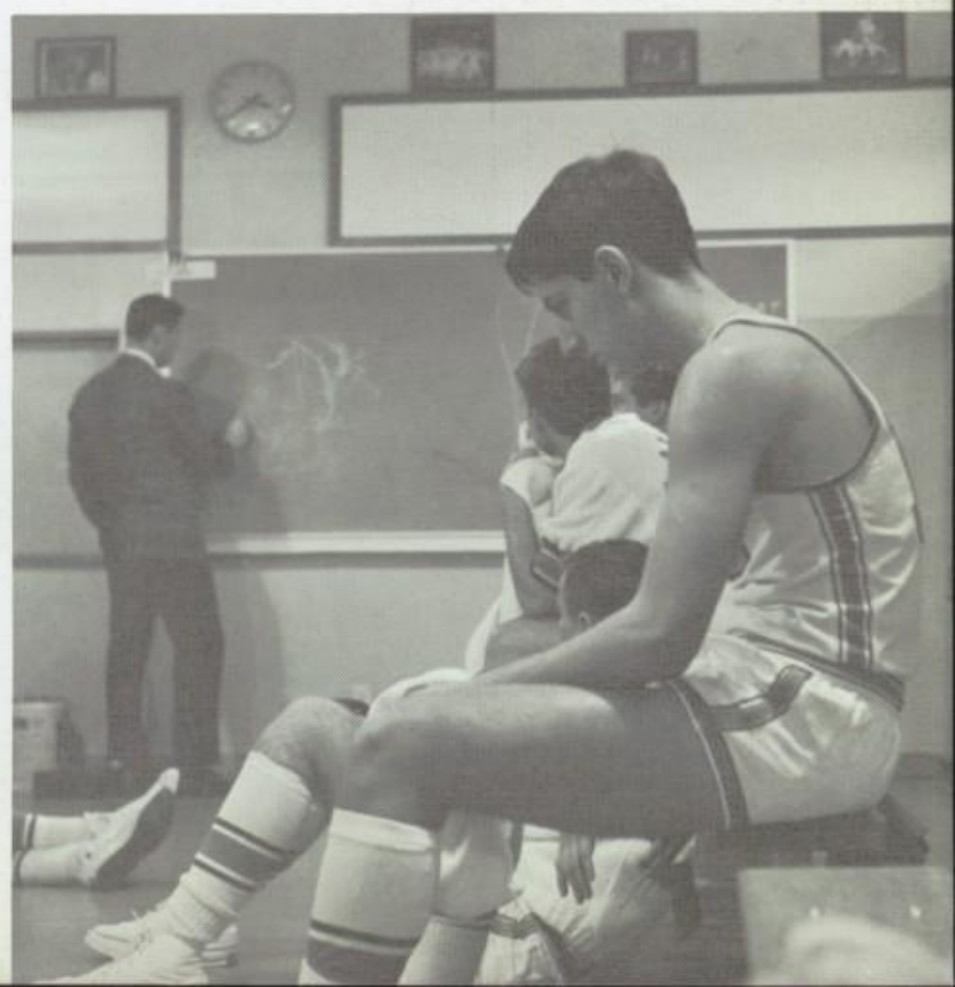
Holy jumpshot! Guard Steve McClelland shoots over a dismayed Mission Bay defender for two of Clairemont's points as the Chiefs toyed with the Buccaneers en route to a 68-51 win.

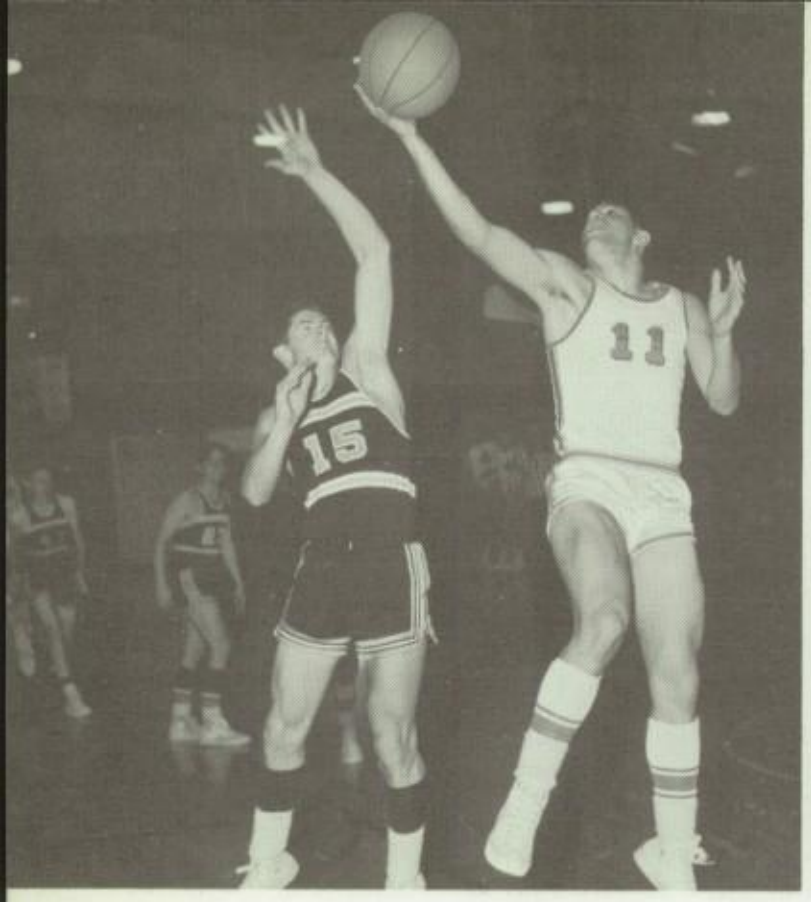




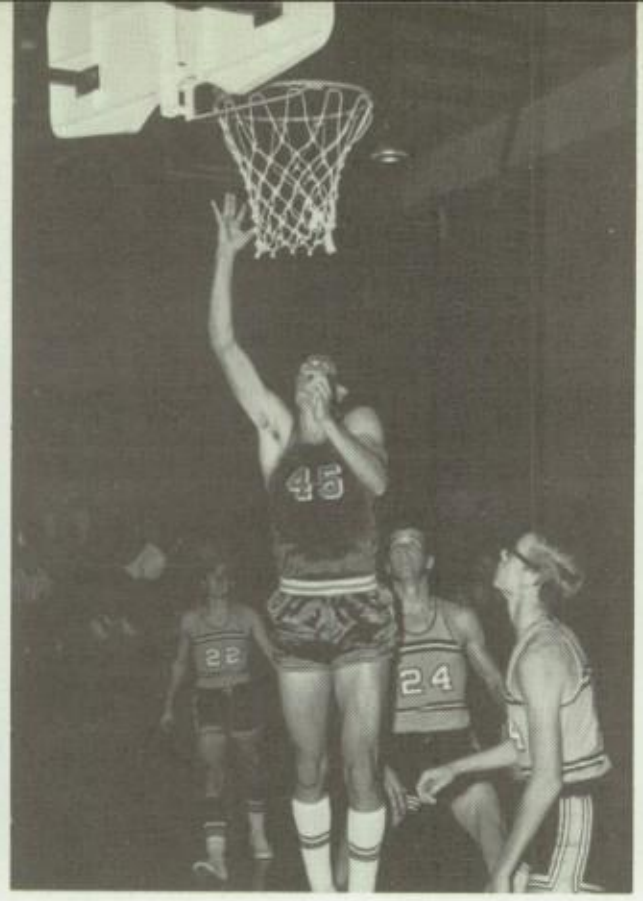
Forward Riggs Roberts completed three years on the Chieftain varsity. Big Riggs was the team's premier scorer and will be an outstanding college prospect.

The thoughts of a basketball player are very intense. At halftime, Director of Basketball Richard Eiler outlines a scoring situation.

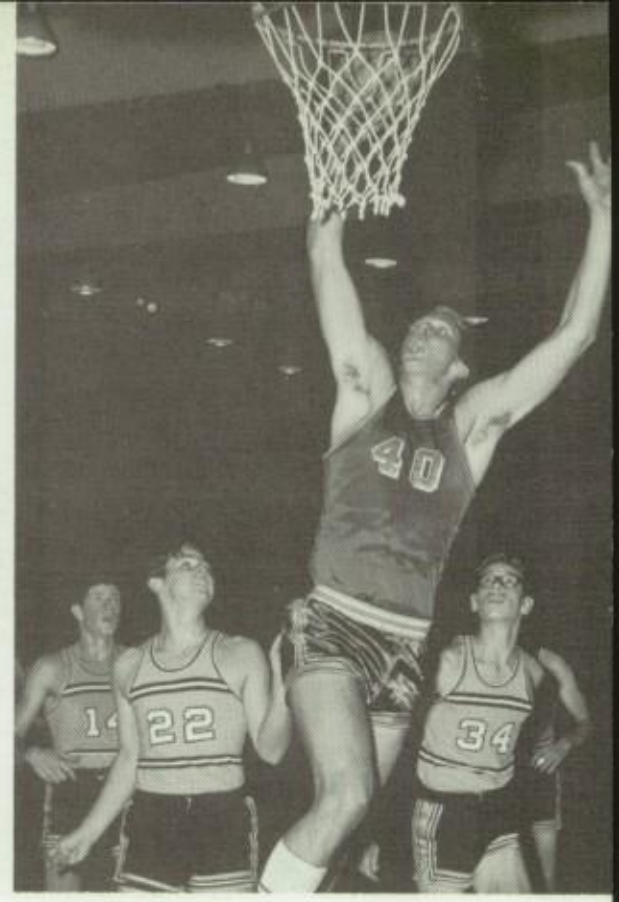




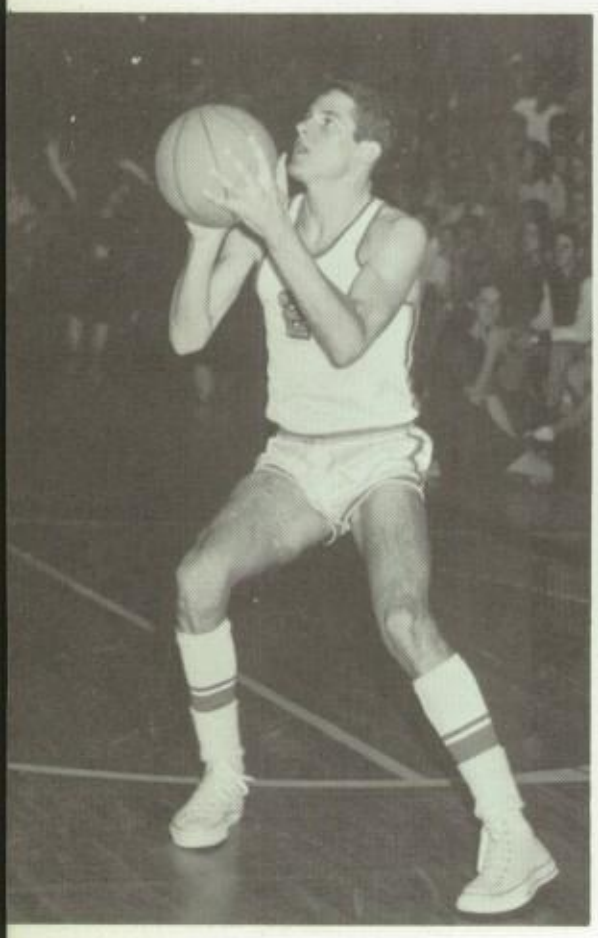
Bruce Wasser curls in a reverse layup to lead a late game charge against Mission by Ray.



Riggs Roberts was a consistent shooter from outside and his strong inside board play was unstoppable. Here he pops two more as Mission Bay players watch.



Mike McGirr, Roberts' aggressive cohort, dunks for two against the Buccaneers.

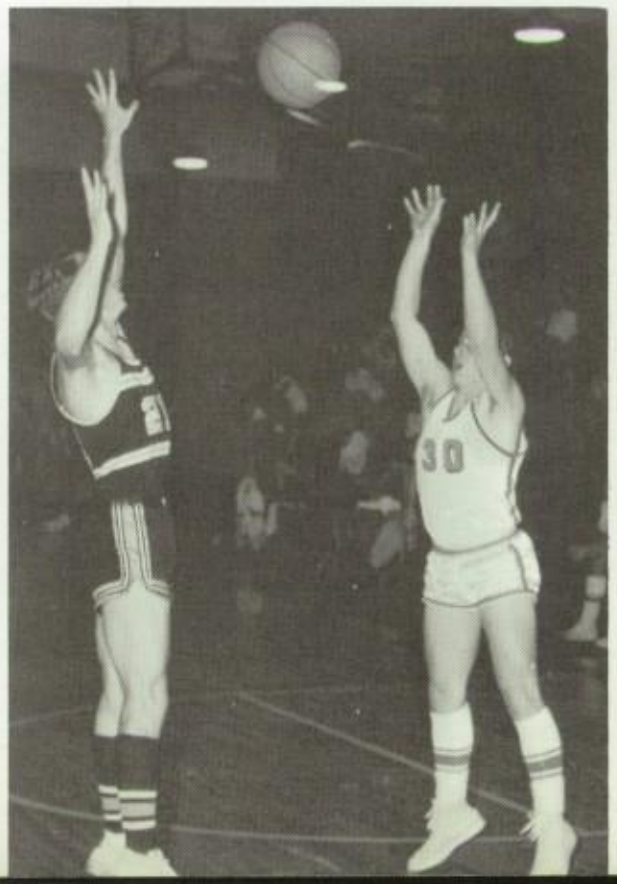


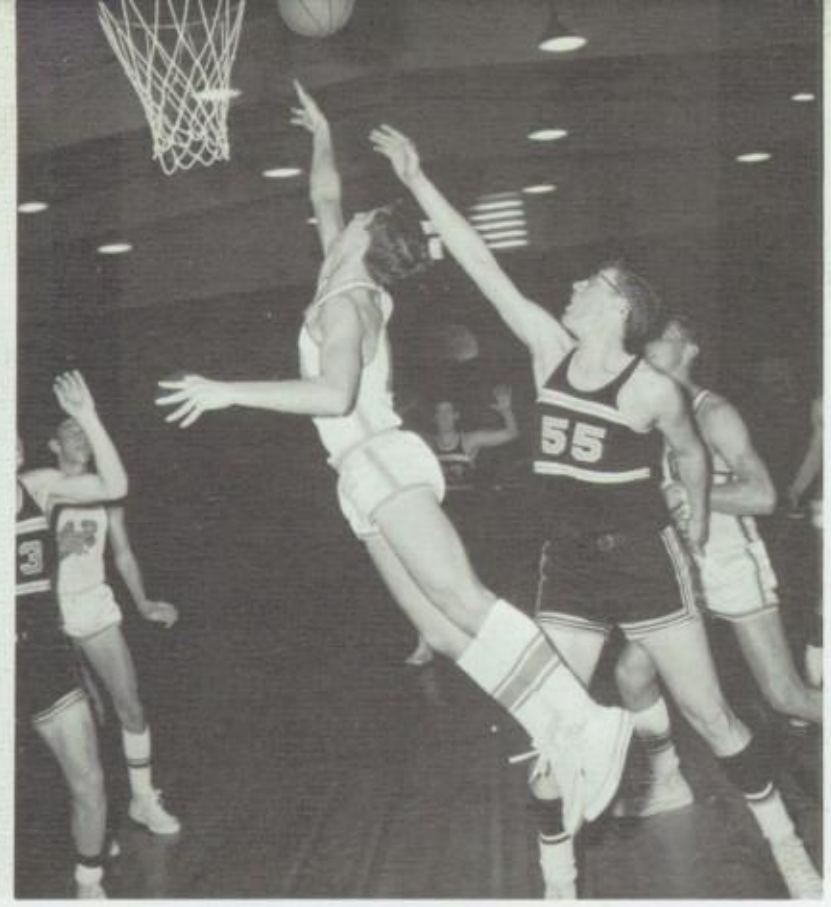
Senior Bill Loveland was the Chiefs' valuable sixth man. He was a proven clutch performer and came to the rescue in leading Clairemont to many victories.

Steve McClelland scores on a 15-foot jumper against La Jolla. He was the Chieftain field general and made the team go. A very exciting player, McClelland thrilled many a crowd with his ball handling.

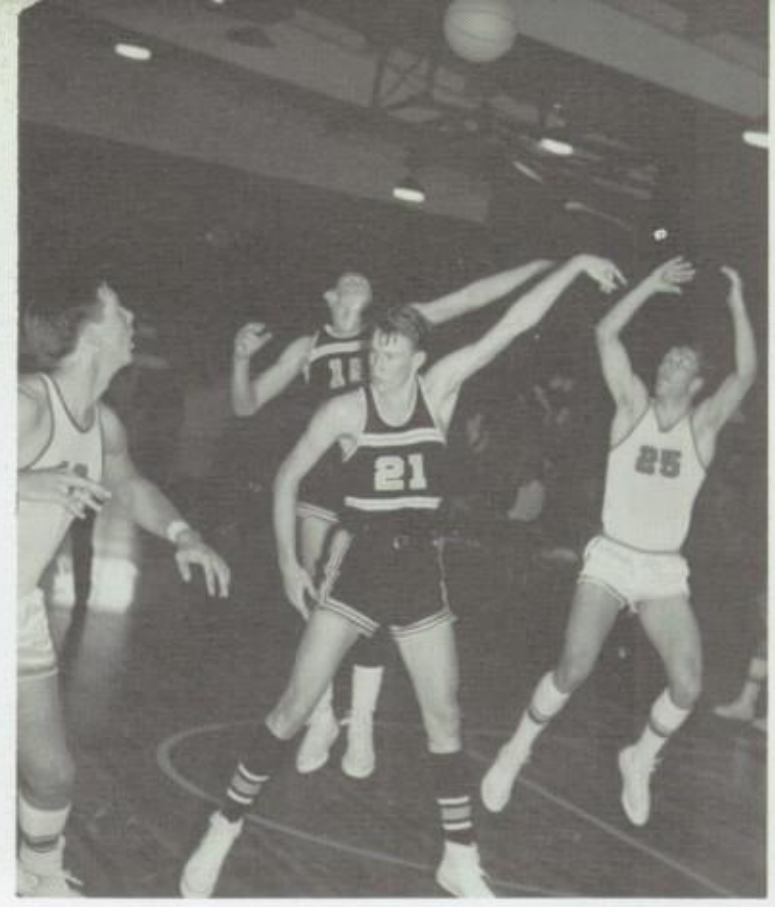
Junior guard Don Martin fires a two-hand set shot as his opponent quickly flies into the popcorn machine.

Playing one of their finest games of the year, the Chiefs take a time out to revise the offensive attack and go on to beat the Warhawks at Madison.





Mr. Dribble, Steve McClelland, turns on the speed to score on a dandy corkscrew layup.



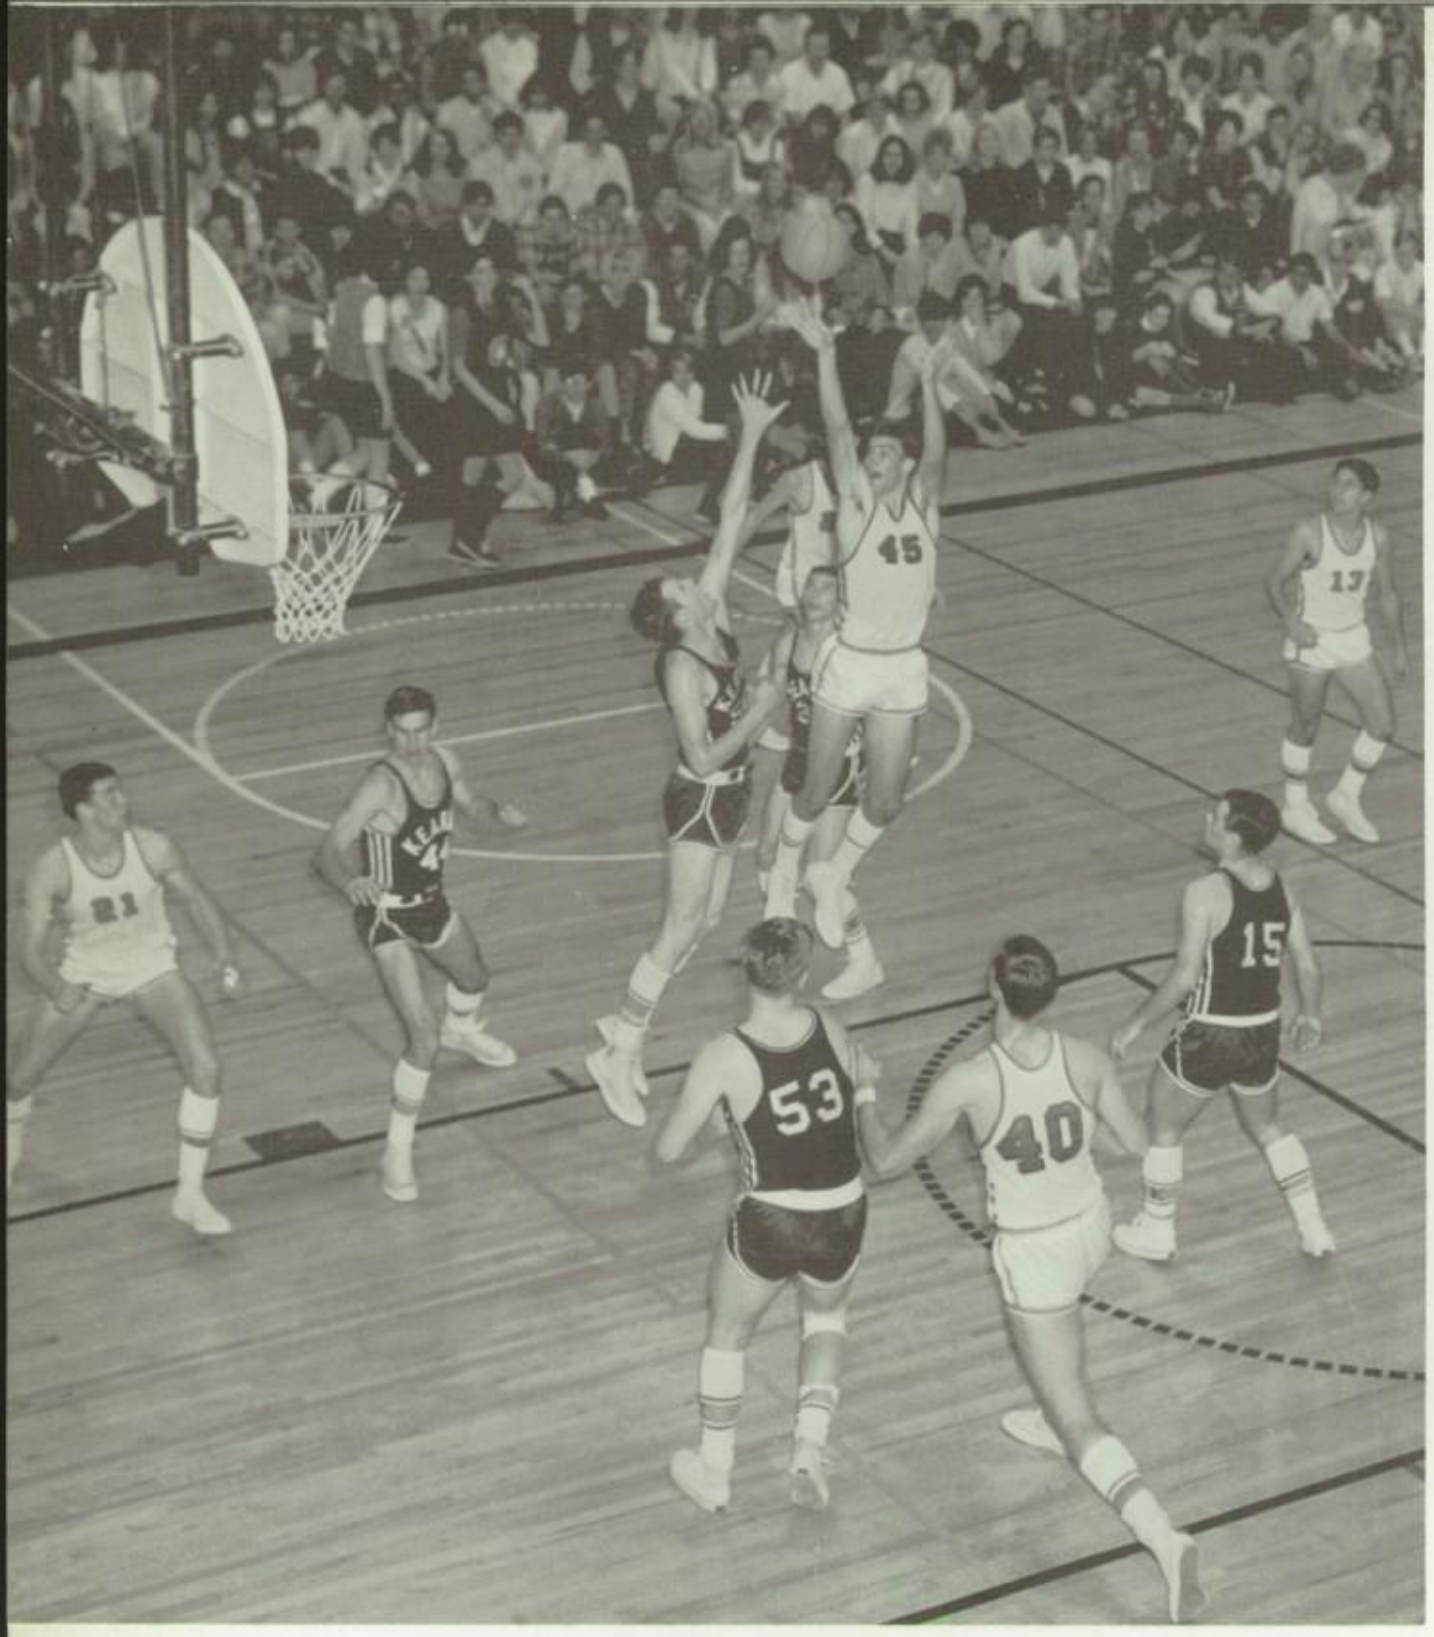
Director of Basketball Richard Eiler (right) urges the team on; Pat Casey responds with a 20 foot scoring maneuver.

Super-scorer Riggs Roberts hits one of his famous percentage shots from the corner against the outclassed Bucs.

Make mine milk!

"Fall back baby," cries Dave Lowe (23) as he scores on a layup against the Vikings from La Jolla.

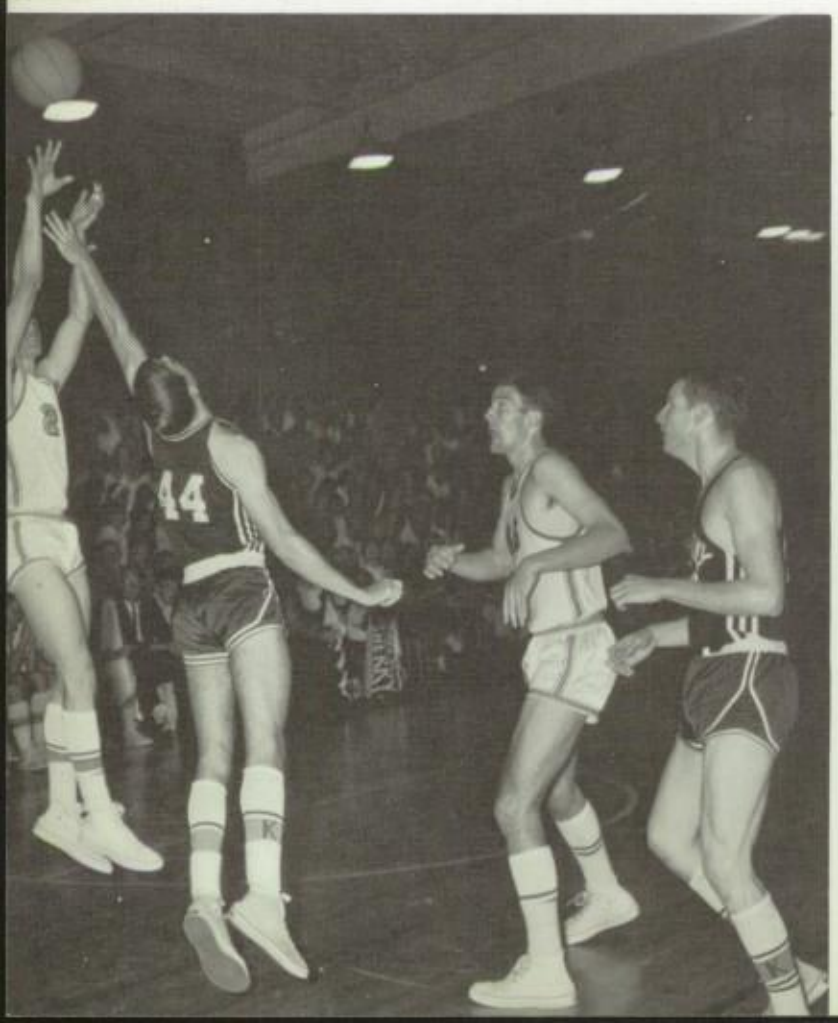
The boards are under control when Mike McGirr camps underneath and awaits a rebound.



Among 6'8" center Mike McGirr's assorted arsenal was a sure-fire hook shot that accounted for many of the 434 points poured through the hoop.

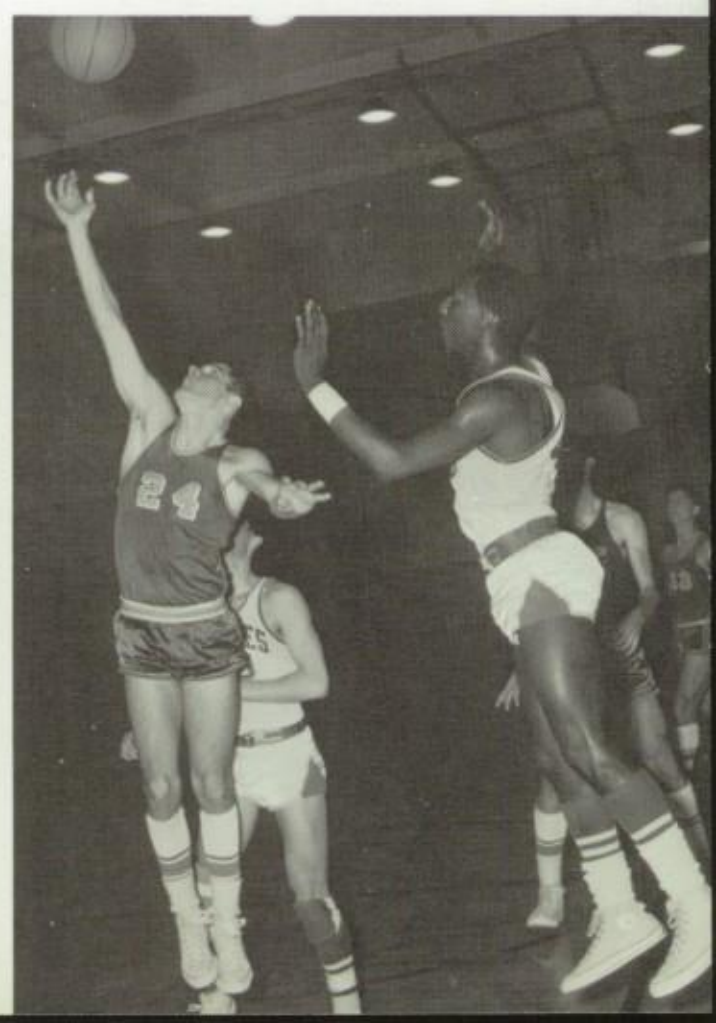
All-Western League forward Riggs Roberts arches a jump shot against Kearny. That's how Riggs scored most often to make him the highest scorer in Clairemont history.

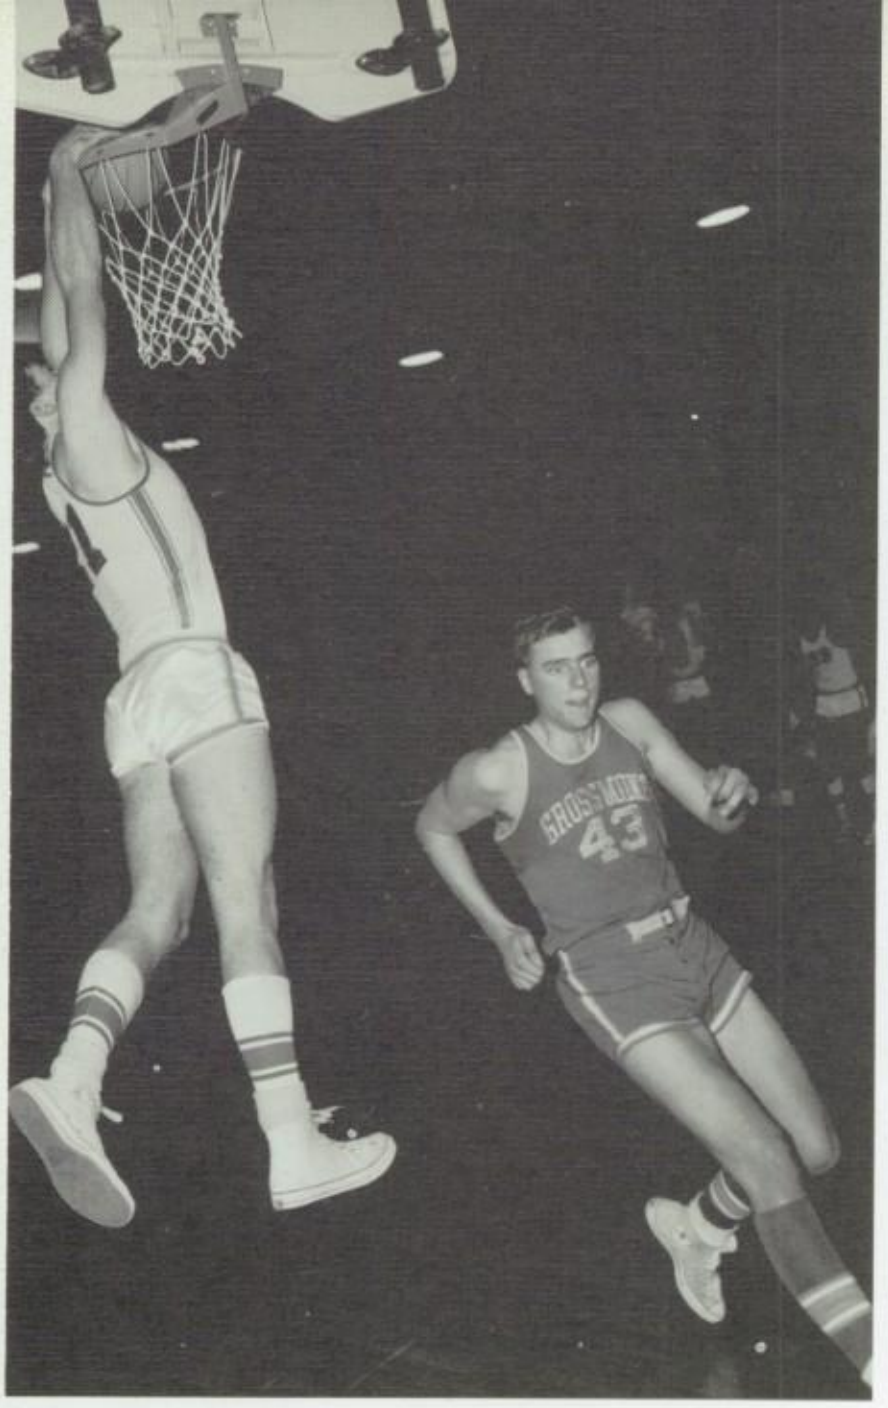
Junior Justin Lanne fires a jump shot for two points. Lanne came on strong to contribute great shooting and rebounding during the latter half of the season.



Senior Bill Loveland hits for two in the first round CIF game against Oceanside.

Bouncing Billy hooks in basket against Oceanside. Loveland's floor play was an invaluable aid in the Clairemont 56-51 win.





Center Mike McGirr stuffs for two. His sure bucket was the two points that erased a four-year record and gave our Chieftains the single-game mark of 88.

Exedrin anyone? "Aw, come on coach, I'd rather call it myself," pleads the referee as Director of Basketball Richard Eiler makes sure his point is understood.

CIF! CIF! CIF! By finishing third in the Western League, Clairemont was granted a berth in the CIF, San Diego Sectional Playoffs. The first-round game was against Oceanside. Down by ten points late in the third quarter, the mighty Chiefs came back to turn away the Pirates, 56-51. Jubilation is the word as the referee signals the end of a hard-fought victory.

Junior playmaker Rocky Koch shows the form which made him a high-scoring guard.

Most Valuable Player, Junior forward Larry Busch, was the leading scorer. His favorite maneuver, a 15-ft. jumper, was a consistent scoring play.

Junior guard Bryan Monfort showed a lot of classy dribbling in addition to scoring often.

This year's junior varsity basketball squad produced many fine ballplayers. The most promising performers were guards Rocky Koch and Bryan Monfort, rebounding ace Mike Solliday, and shooter deluxe Larry Busch. Improving with every game, the cagers swept through the last six games undefeated and established a new single-game record of 86 points.

Coach Russell Cravens has become a proven handler of athletes and a highly regarded basketball tactician.

Awards: Most Valuable Larry Busch. Most Improved Ben Johnson Mike Solliday.

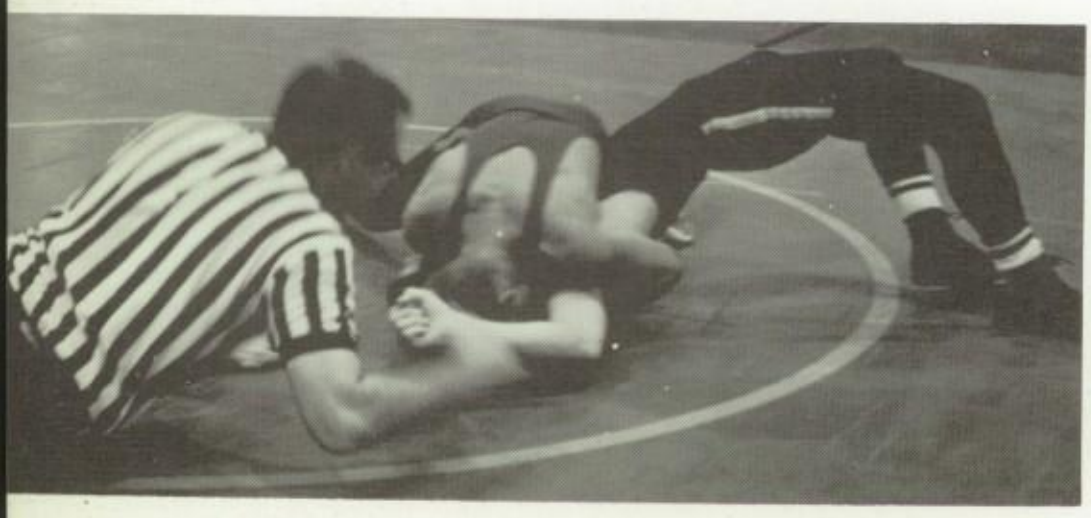
°League encounter

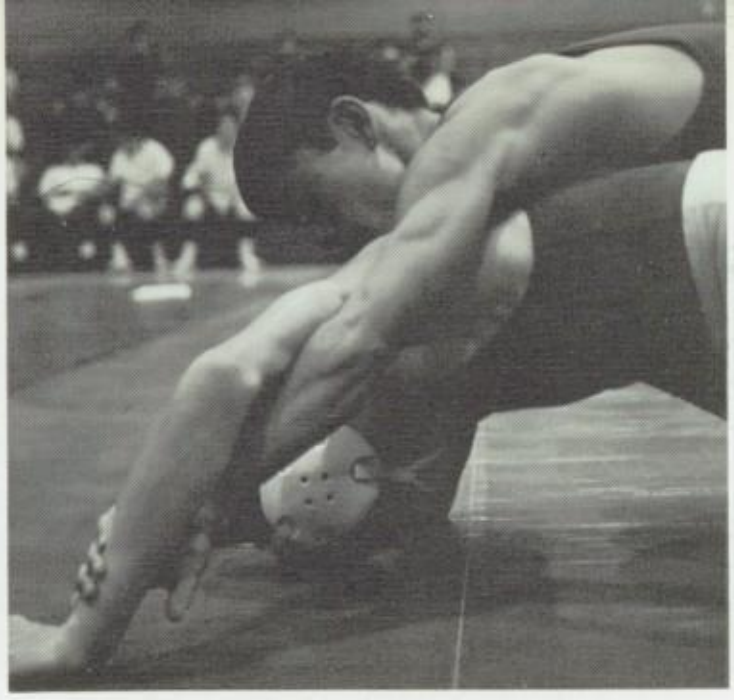


Tim McCoy puts on the pressure as his opponent bites the dust and suffers a pin. For McCoy, it's an enjoyable win.

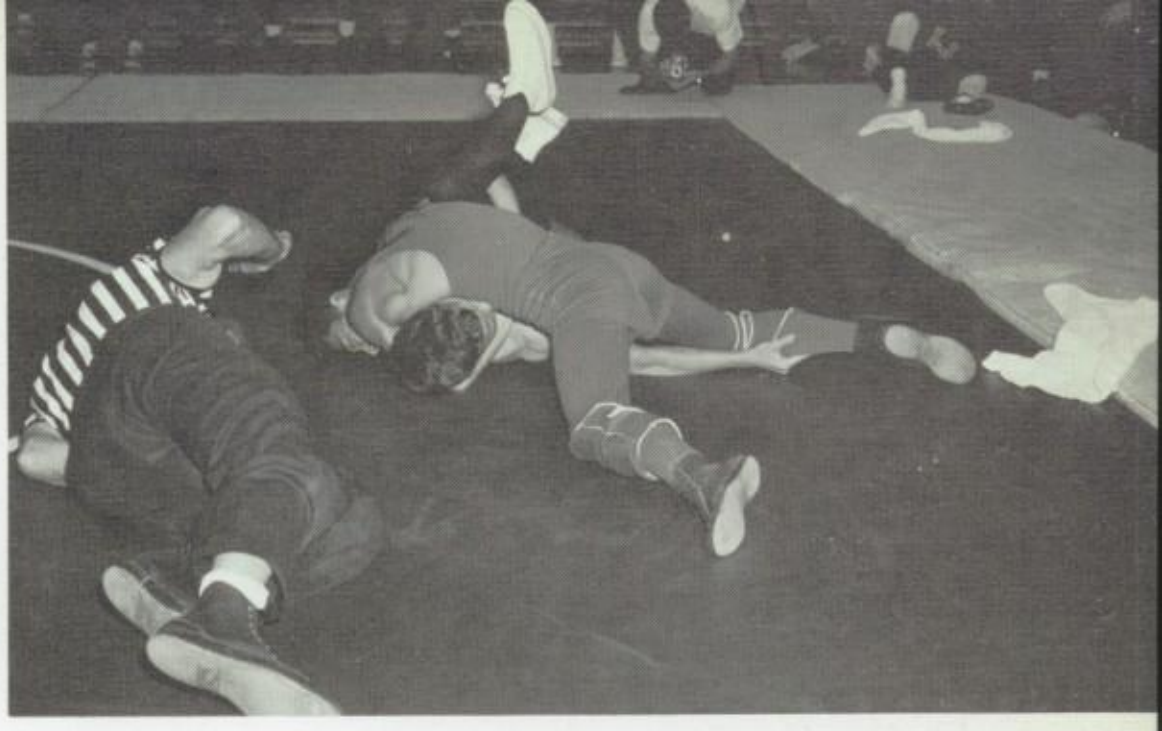
First-year coach John Thompson guided this year's wrestling team to its finest season in three years. Although not overpowering, the Chieftain grapplers won their last three meets and finished second in the Western League. The season highlights were league wins over tough La Jolla and Pt. Loma in addition to a 25-14 destruction of arch-rival Madison.

Junior Steve Higa was one of many consistent performers for the Chiefs; however, he may have been the best. Higa produced the only individual title for Clairemont in the Western League playoff meet.

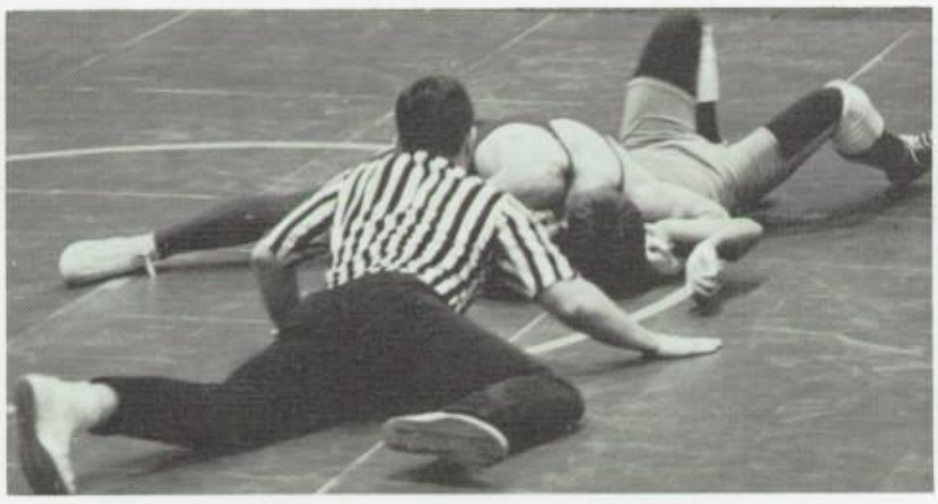
Coach Thompson may have an area power in the offing with many underclassmen returning.



Steve Higa, Western League champion in 106 lb. class, breaks down an opponent en route to victory.

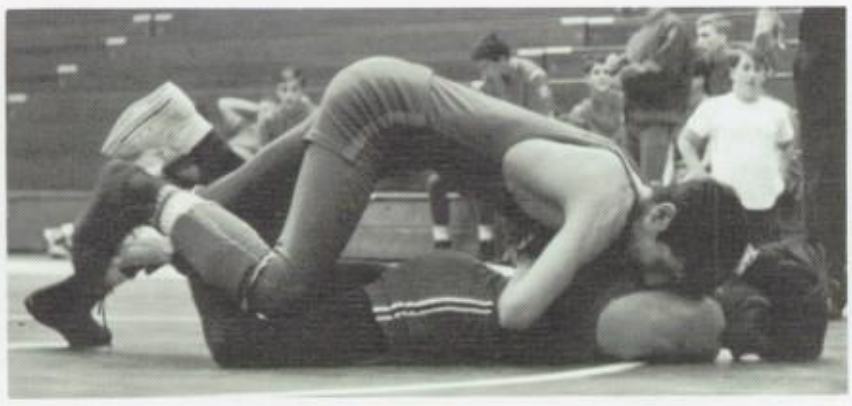


Junior Steve Higa accomplishes the ultimate in wrestling, victory a la pin.

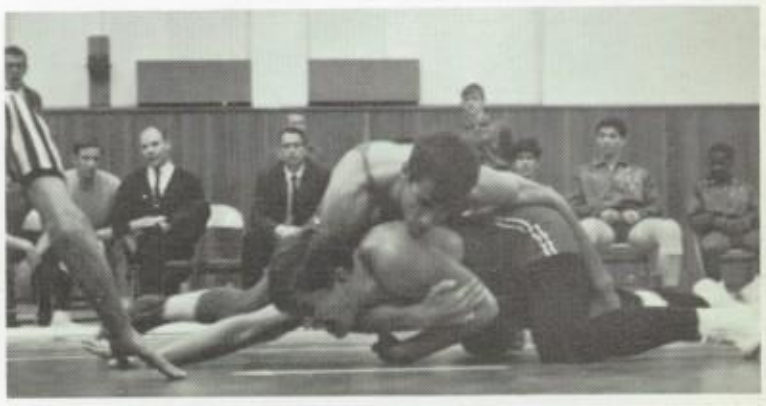


Senior 183 pounder John Knapp applies shoulder pressure to pin man against Mission Bay.

Bob Mendes turns over an opponent and works for additional points in the La Jolla meet.

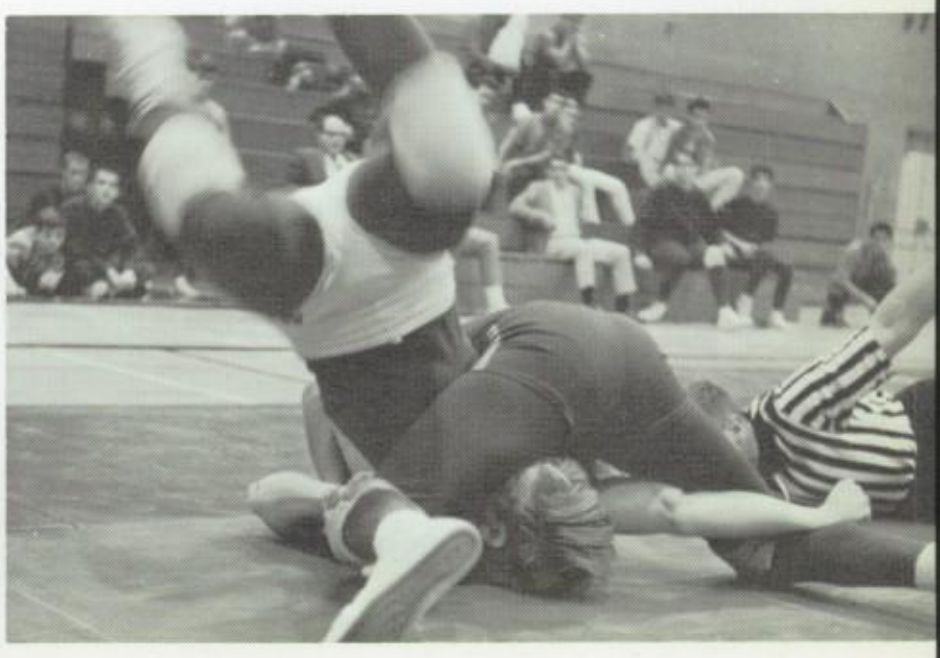


Bob Mendes applies leg pressure and drives with shoulder in an attempt to achieve scoring position.



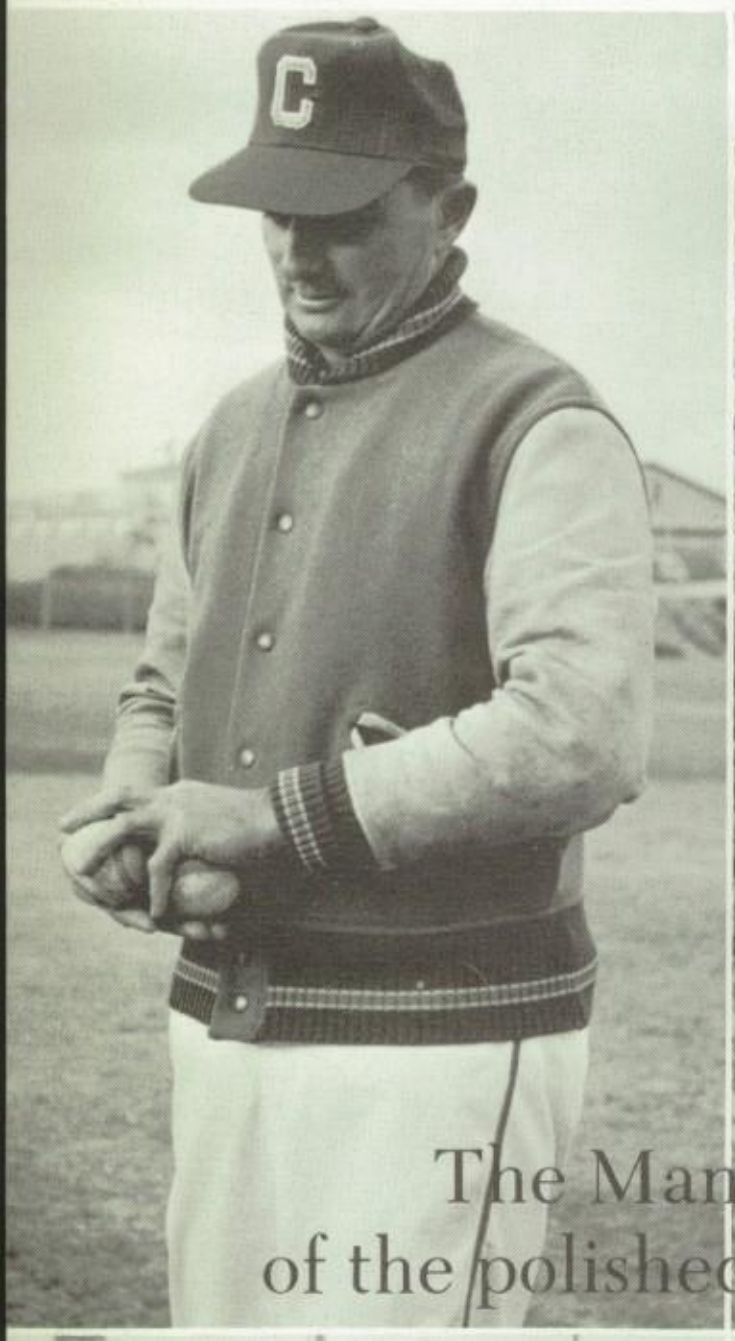
Senior Norman Boaz applies a cross-face and near ankle en route to victory.

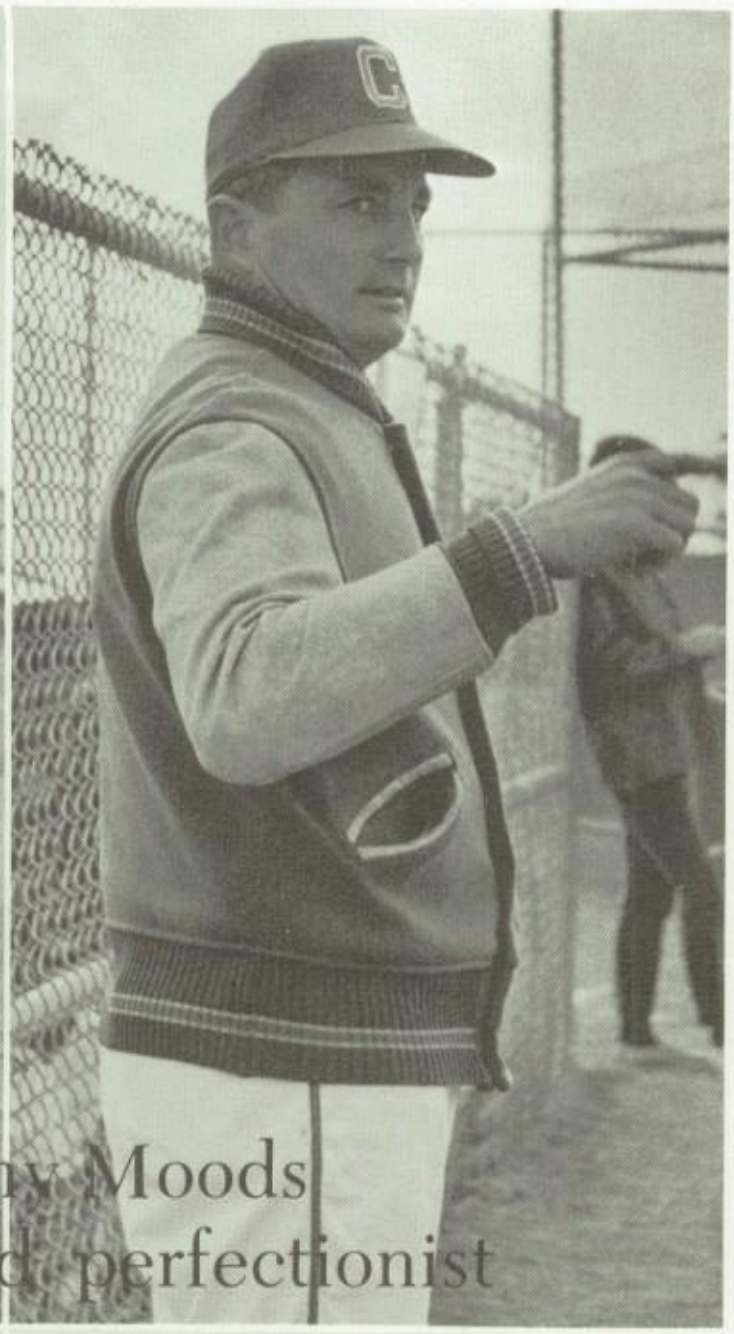
Powerful Tony Barnwell drives with a cross-face as opponent cries, "Have mercy, baby, have mercy!"



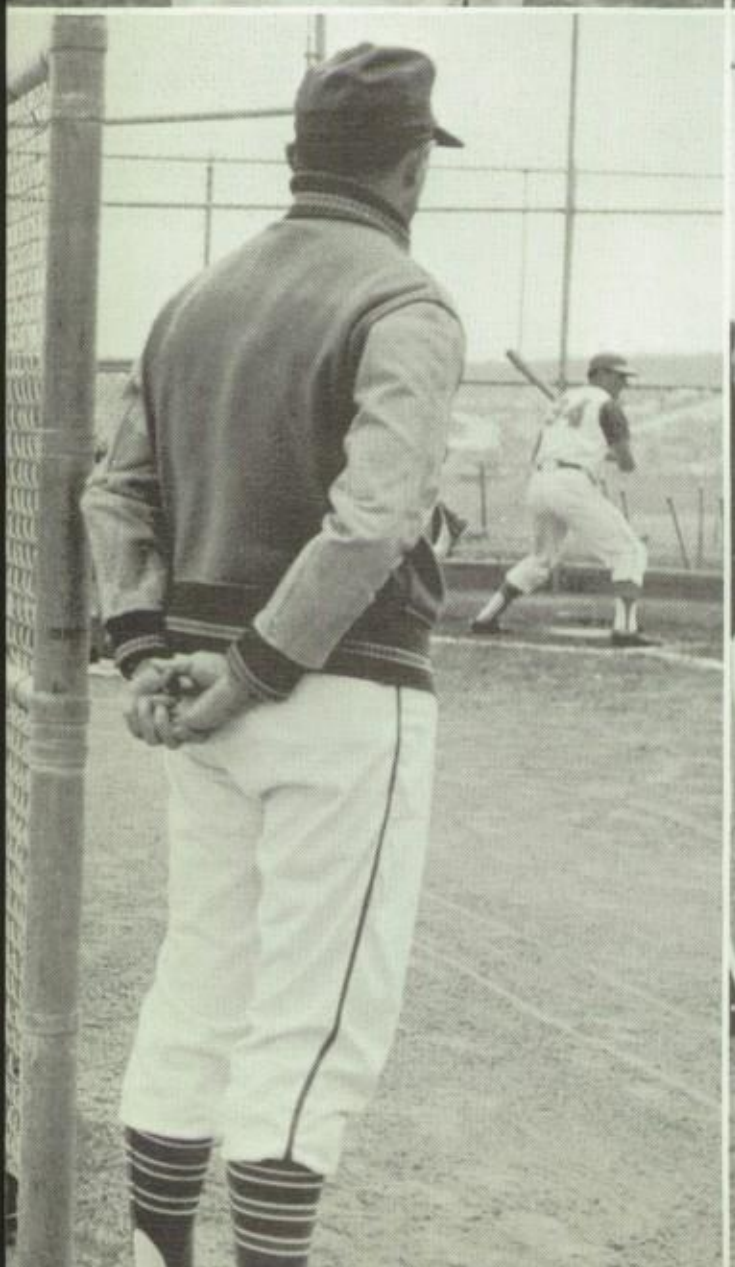
John Knapp pins opponent with a chicken wing and half-Nelson.

Varsity Baseball





The Many Moods of the polished perfectionist



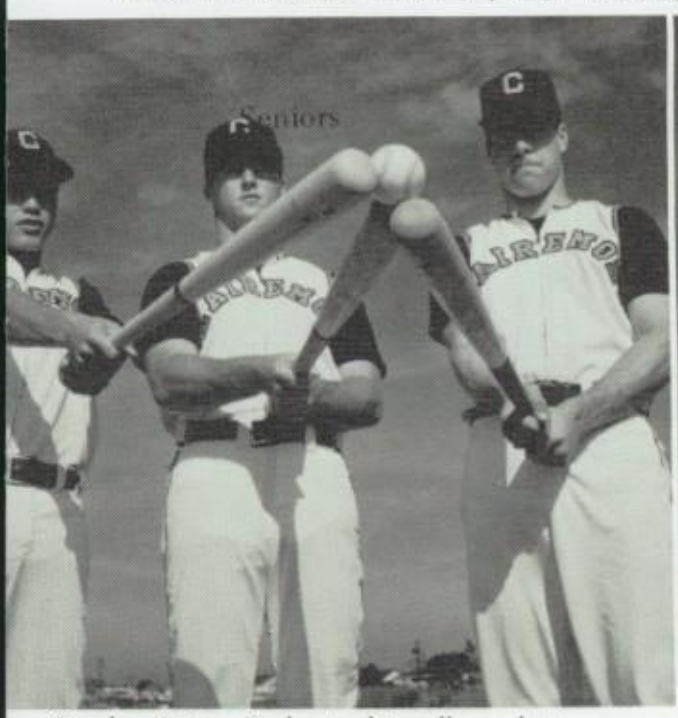
On November 17, 1958, Clairemont High school opened its doors and thus began a baseball dynasty. Coach Ernie Beck guided that first-year team to a winning season, capped by seven straight wins and a final victory over City Champion San Diego, 1-0. A year later Clairemont was the SCIFAA Champion. The Chieftains were on the top of the prep baseball world, a position never to be relinquished. Mr. Beck has established himself as one of the most respected baseball coaches in San Diego, a position which grows in prestige with every passing season. He stresses the basic fundamentals and instills self-discipline, resulting in a group of skilled, proficient ballplayers.

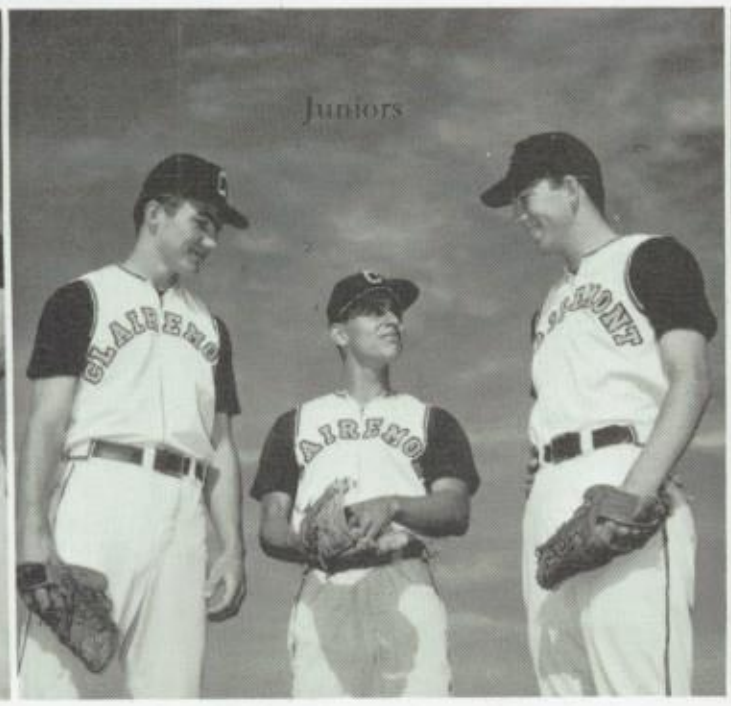
Coach Beck uses a three-year-plan which always results in having experienced Seniors as a sound nucleus. The nine players involved in this method are Charlie Kingsbury, Dwayne Lawson, Bill Healey, Eric Swanson, Pat Casey, Richard Molina, Tom Dodd, Dave Hoskins, and Greg Falcone. Among these nine, there are many outstanding performers. Healey and Kingsbury both swing powerful bats and must shoulder a great portion of the offensive attack. Lawson and Molina sparkle defensively and connect for high averages. Casey is the ace of the pitching staff and his right arm must spearhead the stopping of opponents' bats. Swanson has the potential to become the best ever at Clairemont, but must come through in the clutch. Falcone and Dodd are Sophomore pitchers and have shown a lot of promise. Catcher Dave Hoskins is quickly learning the tricks of the trade behind the plate.

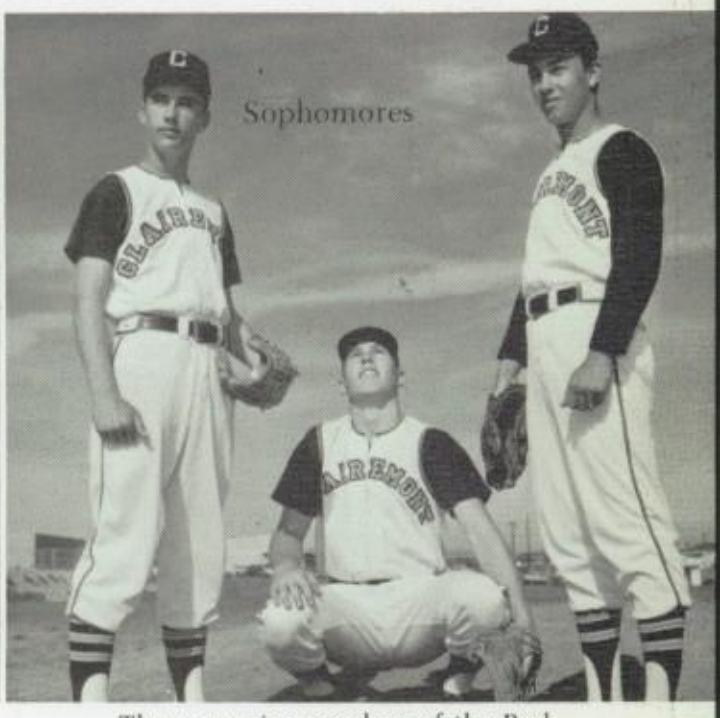
Depth is always important and the Chiefs have a wealth of talent. An air-tight infield will be secured by the flashy gloves of shortstop Gerry Schafer and his doubleplay cohort, second-sacker Rick Wrobleski. Kingsbury is stationed at third, and Don Miller handles the chores at firstbase. Gary Ward, Tim Mitchell, and Greg Schnaubelt provide pitching depth when beckoned to service. Jeff Regan and Steve McClelland are the handymen who can play wherever needed.

The charging Chieftains rode high on the crest of a five-game winning streak to nestle on top of the Western League standing, where Coach Beck and the gentlemen under his direction have long been accustomed to being.

Row 1: Greg Falcone, Tom Dodd, Steve McClelland, Rich Molina, Dwayne Lawson, Gerry Schafer, Jeff Regan, Tim Mitchell, and Don Miller. Row 2: Coach Ernie Beck, Rick Wrobleski, Gary W. Ward, Charles Kingsbury, Pat Casey, Eric Swanson, Dave Hoskins, Greg Schnaubelt, Bill Healey, and Steve Deppensmith, Mgr.







Coach Ernie Beck traditionally selects promising sophomores to be groomed for varsity competition. By their senior year, these players are the seasoned veterans who carry the team.

The Three-Year Plan

There are nine members of the Beck method. Seniors Dwayne Lawson, Bill Healey, and Charlie Kingsbury; Juniors Eric Swanson, Rich Molina, and Pat Casey; Sophomores Tom Dodd, Dave Hoskins, and Greg Falcone compose the gifted nucleus of the group.

Junior Varsity Baseball

Baseball at the junior varsity level plays an important part of the over-all program at Claremont. Under the handling of Coach Leroy Dotson, this year's team has been successful in developing basic skills and also in the winning ledger. Coach Beck often praises the work of Mr. Dotson in teaching fundamentals, a winning attitude, and respect.

Row 1: Ken Parent, Del Rodgers, Wes Campbell, Dennis Larsen, Bob Curtis, Chuck Tagami, Dan Molina, Lance Jones, Bruce Goring. Row 2: Dominick Swanek, Rocky Koch, Mario Sharp, Jim Woodard, Pete Lunsford, Jim Crouch, Ben Johnson, Larry Busch, Tony Micallizzi, Fred Dow, Coach Leroy Dotson. Not present is Tom Thursby.

Varsity Golf

For the first time in Claremont history, the veteran golfers defeated area power La Jolla. Coach Ken Mack greeted six returning lettermen this year and all came through at one time or another to pull the team through a tense situation.

Led by first man Tom Windle and Senior sidekicks Robert Rahn, Dave Runke, and Martin Oyer, low rounds were often turned in. Claremont produced many medalists over the course of the season.

Junior John Folchi was consistent and proved to be a great asset to the balance of the team scores. Sophomores Jay Hodges and Kevin McDowell improved with every meet and gained invaluable tournament experience. No advice is faster accepted than a tip from a skilled teammate. This was a major factor in the rapid underclassmen development.

Coach Mack has guided many outstanding golfers during his tenure at Claremont, but this was probably the first time he had such a fine nucleus to work with.

Next year will again be promising with Folchi, Hodges, and McDowell returning to brighten the hopes of another successful campaign.

Coach Ken Mack, Tom Windle, David Runke, Martin Oyer, John Folchi, Jay Hodges, Kevin McDowell, and Robert Rahn.

Congratulations to a better track star from a worse tennis player but at least I can reduce myself in handball. Good luck for next year, Steve

Varsity Tennis

Led by outstanding Senior performers Spence Smith and Chris Lipsett, the tennis squad proved to be very representative throughout the season. Coach Gerry Stryker, guiding the team for the first time, helped in the development of underclassmen to support the seniors' efforts. Peter Thornton and Steve Lones combined talents to produce a potent doubles team. In addition to Smith and Lipsett in singles, Claremont also relied on the courtwork of Phil Weston and rangy Mike Solliday.

Definately not a spectator sport at the high school level, the players rely on intense interest and concentration to achieve the ultimate success they desire.

Row 1: John Breeze, Phil Weston, Galen Halla, [illegible] Barnhart, Rink Schioldager, and Gary Hostetter. Row 2: Coach Gerry Stryker, Peter Thornton, Terry Nicklin, Mike Solliday, Steve Lones, Spence Smith, Chris Lipsett, and Barton Kullberg, Mgr.

Junior Varsity: Row 1: Bryan Monfort, Terry Atkins, Tim Merrill, Row 2: Len Dodson, Matt Coleman, Bruce Wasser, and Steve Mitchell.

Row 2: Ross Leety, Mgr., Mike George, David Skerl, Royal Kelsay, George Buck, Bill Green, Bob Black, Jack Branthoover, Ken Pitt, Larry Richards, Cliff Samuel, Mike Burns, David Runk, Don Babcock, and Bob McCabe. Row 3: Bob Hughes, Dave Tessada, Brian Johnson, Steve Higa, Terry Page, Tony Luna, Chuck Deering, Robert Gordon, Pete McClure, Jim Chastain, Richard Mohrlock, Tom Buchenau, Tom Lloyd, Terry Keenan, Gary Bowen, Mike Reddell, Warren Langley, Dennis Bourdette, and Colin Winfield. Row 4: Chuck Pearch, Bruce Lecuyer, Ernie DeLeon, Alan Diers, Bill Wilder, Henry Halleland, Gerry Polomis, Lonnie Ryan, Bill Welsh, Tony Barnwell, Bill Lewis, Thorn Bigley, Mike Byxbe, John Mason, Justin Lanné, Greg Tucker, Dave Merchant, Tim O'Connor, Ken Jones, and Ron Westfield.

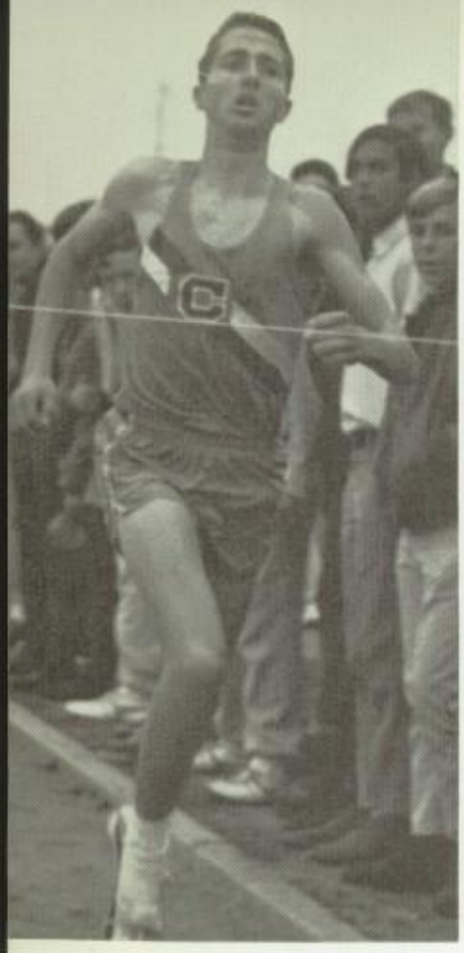
Head Coach Arthur Anderson

Most Valuable Trackman, Thornton Bigley, is one of the top three high school milers in the United States.

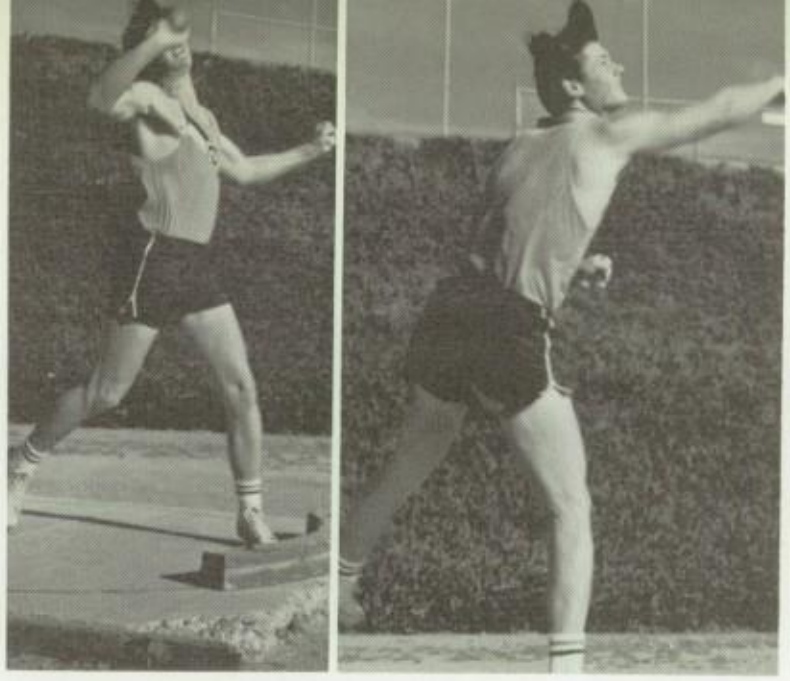
Varsity Track

Track is a sport of individual competition. The excitement of victory is unparalleled. Coach Arthur Anderson is a man who commands great respect. He takes pride and interest in every member of his team. The result is a top effort by all. As a meet progresses, the points are tabulated and suspense may build. Eighty teammates encourage each other. The relay ends the meet and Clairemont has claimed another victory. Anderson's greatest quality may be his ability to create consistent team effort. Every performer goes all out for himself, his team, and his coach. While Coach Anderson coordinates all events, Coach Russell Cravens is handling the runners. Cravens is an outstanding handler of athletes and combines with Mr. Anderson to give the track team great coaching.

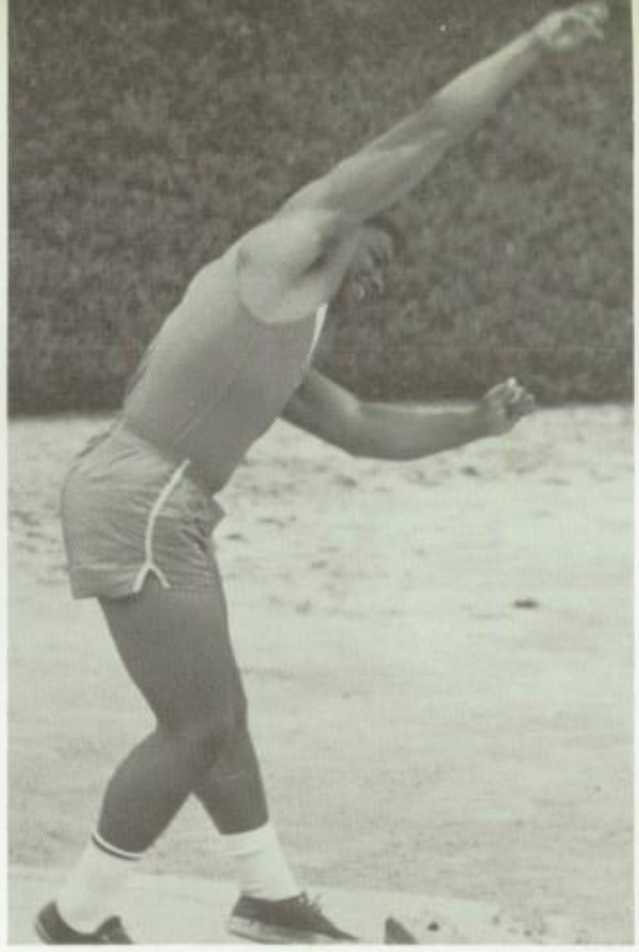
The success of the team must rest on the shoulders of the guys who wear the uniforms. Clairemont is fortunate to have an abundance of talent. Sprinters Mike Byxbe, Lonnie Ryan, and Bill Lewis have been consistent. Hurdlers Tim O'Connor, John Mason, and Byxbe have done a good job. The 440 men, Bill Welsh and Ron Westfield, have been scoring many points. Mike Reddell and Tom Blake have been strong in the 880. Two-milers Ernie DeLeon and Chuck Pearch have been 1-2 often. Vaulter Terry Keenan and high-jumper Justin Lanné have been winning. Strongman Gary Bowen has been a master in the shot put. Sophomore Henry Halleland has been overshadowed despite fine efforts in the mile. The great Thorn Bigley has been the star performer in the mile and may become only the third prepster in history to break four minutes. Olympic gold-medalist Billy Mills tabs Thorn as a star of the future in American track & field. With steady improvement, Clairemont may be a strong contender for the Western League title.



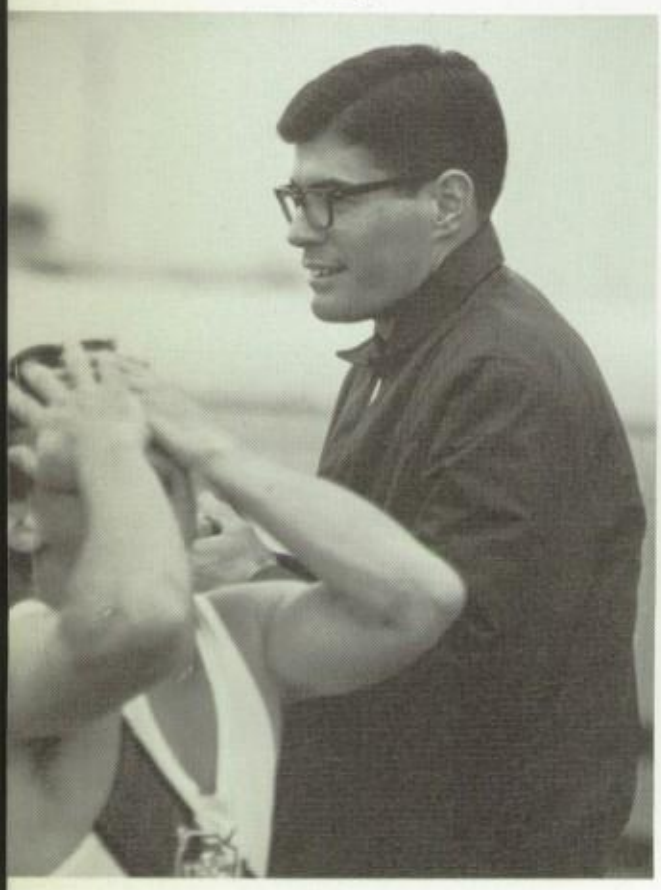
Thorn Bigley, Clairemont's great middle-distance runner, strides toward the finish of a victorious romp.



Ace shot-putter Gary Bowen exhibits the great thrust that made him an outstanding performer.



Powerful Tony Barnwell lashes out with the 12 lb. pill.



"Oh! She's so beautiful! If only I went to Clairemont."

Long-jumper Tom Buchenau strains for great height as he completes a 21-foot leap.

Versatile Mike Byxbe comes over the last hurdle en route to victory in the 180 yd. lows.

Manager Ross Leety, a 10-sport letterman, is a handy technician in athletics.

"Darn hurdle! Get out of my way." Jumping Jimmy Chastain lumbers over hurdle.

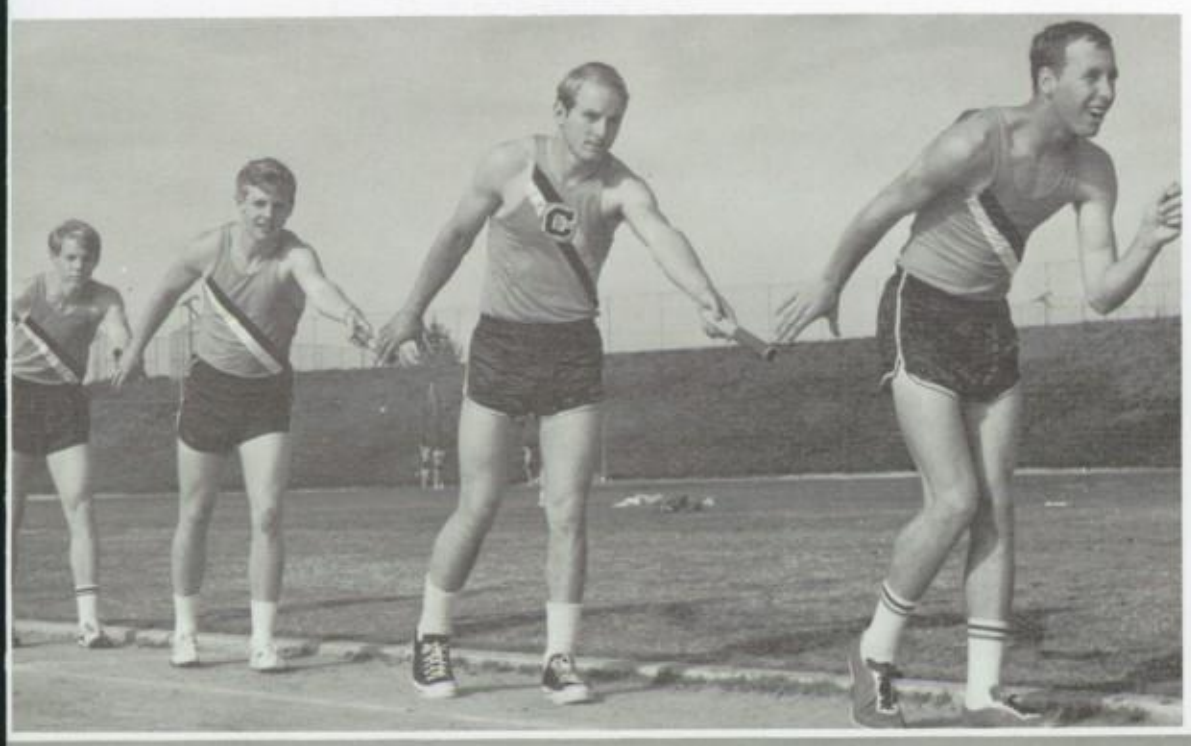
Hurdler Tim O'Connor shows excellent form as he gracefully clears obstacle.

Two-milers Chuck Pearch (left) and Ernie DeLeon stride together during workout.

Tim O'Connor (left), Mike Byxbe (center) and John Mason (right), shift into full throttle as they try to sweep the 180 yd. lows.

Mike Byxbe (center) lunges toward tape as he wins the 100 yd. dash.

The Chiefs 880 yd. relay team, Dennis Bourdette, Mike Byxbe, Gerry Polomis, and Bill Weslsh (from left) gave the team valuable points in close meets.



Mike Byxbe hands off to Bill Welsh in final leg of race. Welsh went on to pull away from opponents and win.

Varsity Swimming

Coach Murray Callan, handling the swimming team for the first time, quickly molded a winner. The Chieftain swimmers swept undefeated through their first three meets and placed high in the Western League standings. Coach Jack Langdon was in charge of the divers and helped develop Tom Marquette into a fine performer. Big point getters this year were Bob Siefert, Joe Tabler, Bill Leisk, and Marquette. Leisk will return with a host of teammates to provide a challenge for improving this year's remarkable success.

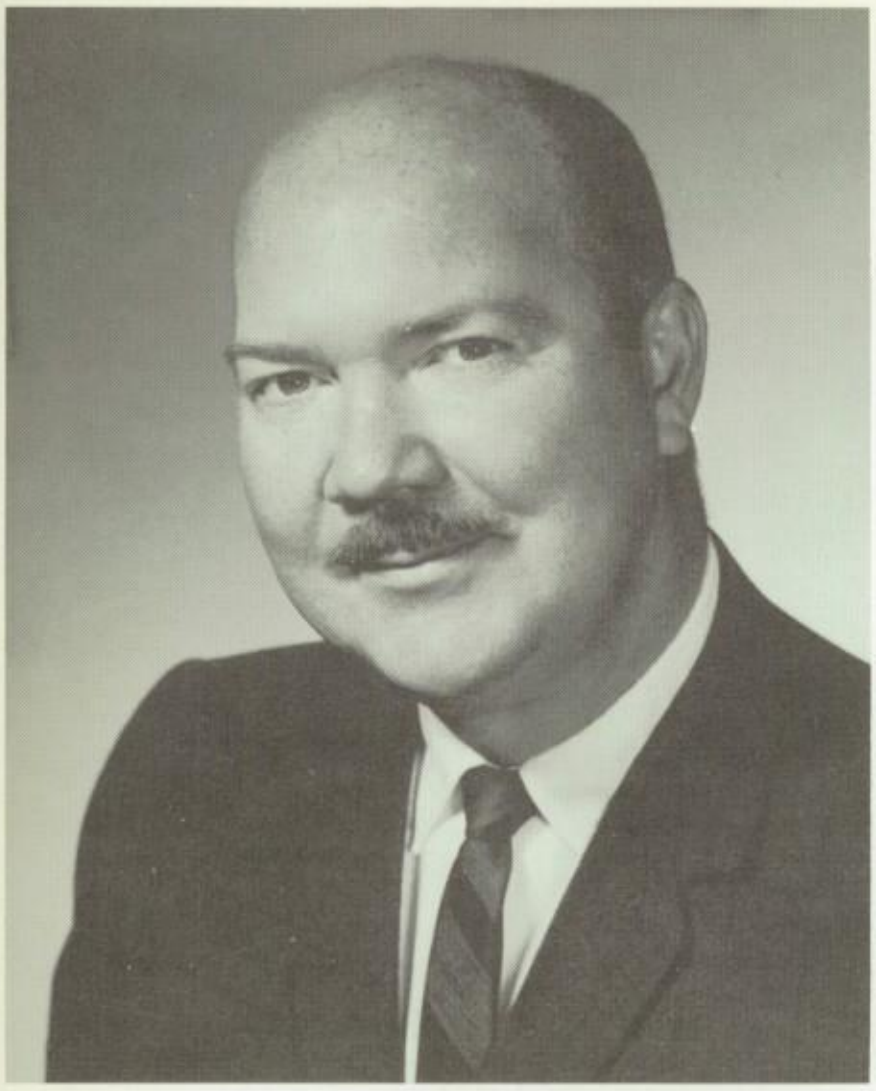
Row 1: Kevin Dubler, Steve Pearce, Pat Chambers, Jim Humphries, Bill Leisk, Thomas Marquette, Mark Stevens, Steve Benson, Ron Benton, Richard Esquivel; Row 2: Mark Marquette, Bruce Reynolds, Richard Robinson, John Robinson, Mike Packard, Steve Utgard, Keith Young, Tom Scott, David Greene, Rollin McClain, Danny Diven; Row 3: Coach Jack Langdon, Deeland Gee, Ernie Luke, Steve Martin, Charles Vigil, Kevin Healey, Dan Jones, Nick Brazell, Bob Mendex, Charles Green, Lance Segars, Coach Murray Callan; Row 4: John Knapp, Tony Cavallo, Bob Siefert, Bill Ammon, Bill Loveland, Dave Ammon, Bruce McGirr, Joe Chesler, Joe Tabler, Murry Tucker.

Dedication

There is no death! The stars go down
To rise upon some other shore.

John Luckey McCreery

With full realization of the school's great loss, we dedicate the 1967 Calumet to the memory of these friends whose spirit remains as an inspiration for the future.



Asa Culver

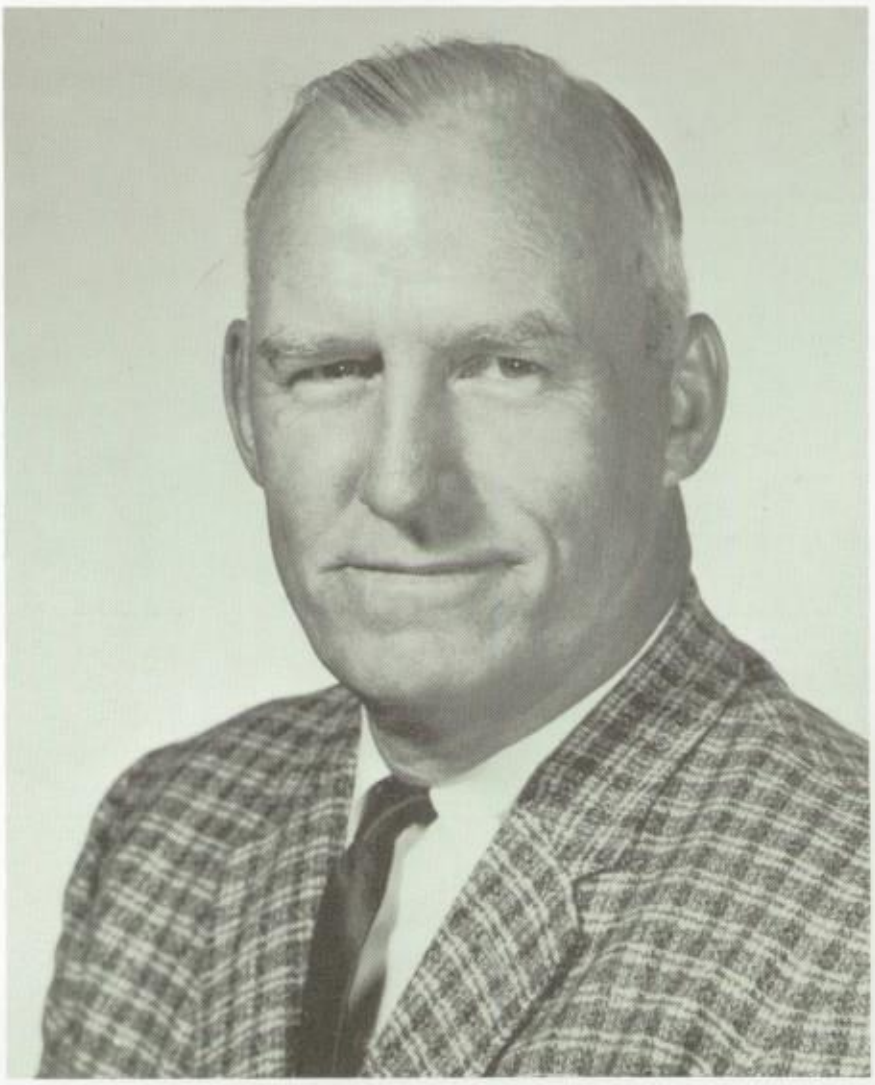
Died February 22, 1967

His gentle philosophy and quiet wisdom will serve as a guide to hosts of students whose lives are the richer for having known him.



Donald Wilson
Physical Education, Mathematics
Died May 14, 1966

His skillful teaching and exacting standards were tempered with kindness, humor, wise counsel, and understanding of his students' problems.

Frederick Saunders
Died February 14, 1967

Custodian Fred was everyone's friend, one of Clairemont's staunchest boosters. He regarded the school with love and pride, taking a personal interest in its achievements.

Billion-
Love and Kisses to
you sweety - have a
boss and dead summer
because now at the end of school
I have the nerve to tell you - I
hate you. You gunboy. And I hope
your life is filled with misery and
death.

Bill,
It's been unusual
having you in Chinese
this year to say the
least. Words hard in
Cross Country and Track
and you can be Great.
Best of luck always
in everything you do.

Bill,
It's been great Know-
ing you this year. Have
a great summer. Hope
to see you next year —
when we're juniors

Bob

Bill,
It's really been grooovey knowing you and I hope you get along really great in your last two years of high-school. Keep your personality and I'll go a long way in life. Best of luck always and remember to always smile.

Adios mi amigo
